TOWN CLERK'S REPORT

WARANT FOR ANNUAL TOWN MEETING OF 1958

To either of the Constables of the Town of Stoneham in the
County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

Monday, March 3, 1958

at six o'clock in the forenoon to act on the following articles of this warrant:

ARTICLE 1. To choose the following officers:

- One (1) Moderator for one (1) year
- Five (5) Selectmen for one (1) year
- One (1) Assessor for three (3) years
- Two (2) School Committee members for three (3) years
- One (1) Town Clerk for three (3) years
- One (1) Board of Public Welfare member for three (3) years
- Two (2) Library Trustees for three (3) years
- One (1) Town Treasurer for three (3) years
- One (1) Tax Collector for three (3) years
- Two (2) Constables for three (3) years
- One (1) Constable for one (1) year
- One (1) Planning Board member for five (5) years
- One (1) Planning Board member for two (2) years
- One (1) Board of Public Works member for three (3) years
- One (1) Stoneham Housing Authority member for five (5) years
- One (1) Board of Health member for three (3) years
- All on one ballot

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

For consideration of the following articles the meeting shall be adjourned to meet at 7:30 o'clock in the evening of Monday, March 10, 1958 in accordance with provisions of Section 2, Article 1 of the By-laws of the Town of Stoneham.

ARTICLE 2. To choose all other necessary Town officers for the ensuing year in such manner as the Town shall determine.

ARTICLE 3. To hear reports of Town officers and committees, and to act thereon and to choose committees.

ARTICLE 4. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," by striking out the classification "Slaughtering Inspector" from the Annual Rate Schedule.

Personnel Board

Town Accountant

ARTICLE 8. To see if the Town will vote to authorize the appointment of five (5) permanent firefighters, raise and appropriate money therefor, or do anything in relation thereto.

Fire Chief

ARTICLE 9. To see if the Town will vote to raise and appropriate or transfer from available funds such sums as may be necessary to defray Town charges for the ensuing year.

Town Accountant

ARTICLE 10. To see if the Town will vote to instruct the Board of Assessors to use the sum of \$50,000.00 for the reduction of the 1958 tax rate.

Board of Selectmen

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum of money, said sum to be placed in the Stabilization Fund created and authorized by the vote passed under Article 84 of the warrant for the annual Town Meeting of 1953, in accordance with provisions of Section 5B, Chapter 40 of the General Laws, determine in what manner the said appropriation shall be raised from taxation or by transfer from available funds in the treasury, or do anything in relation thereto.

Town Accountant

ARTICLE 12. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1958 and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 13. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1959, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 14. To see if the Town will vote to raise and appropriate a sum of money to pay the rent of quarters or lease quarters for use of Leon W. Warren Camp, United Spanish War Veterans; Stoneham Post 115, American Legion; Sgt. George J. Hall, Post 620, Veterans of Foreign Wars; Stoneham Chapter 107, Disabled American War Veterans; World War I Veterans of the United States, Barracks 395, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 15. To see if the Town will vote to authorize the Board of Health to make appointments from its own membership to the positions of Health Officer and Milk Inspector, and raise and appropriate money for salaries of said officers, or do anything in relation thereto.

Board of Health

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or relaying water mains within the limits of the town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 17. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary

sewer mains or relaying sanitary sewer mains within the limits of the town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the stabilization fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 18. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sewers for surface drainage purposes within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 19. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District as heretofore defined and set forth, so as to include in the General Business District the following described area, to wit:

Beginning at a point at the southwesterly corner of the intersection of Main and North Streets, at land of John A. Lucci, thence the line runs southwesterly by the southerly boundary of North Street and along land of said John A. Lucci, 212.50 feet, more or less, to land now or formerly of Dominic A. Lucci; thence turning and running southerly by said land now or formerly of Dominic A. Lucci, 143.68 feet, more or less, to a point at land now or formerly of Raymond J. Murgia, et ux, and land now or formerly of Christina M. Ingraham; thence turning and running easterly by said land of Murgia and Ingraham, 96.00 feet, more or less, to the westerly boundary of Main Street; thence turning and running northerly by said westerly boundary of Main Street and by said land of Ingraham and by land of said John A. Lucci, 237.09 feet, more or less, to a point; thence turning and running, by a curved line, northeasterly, 51.79 feet, more or less, to the point of beginning.

Robert D. Callahan

ARTICLE 20. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District the following described area bounded as follows:

Northerly by land now or formerly of Walker, presently zoned for retail business, westerly by Lynn Fells Parkway, southerly by

Wyoming Ave. and easterly by a private way known as Walker Road.
John N. Kelly

ARTICLE 21. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Station Wagon for the use of the Police Department to replace one cruising automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or otherwise, authorize the disposal of one (1) 1957 Ranchwagon now in service, or do anything in relation thereto.

Captain of Police

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Station Wagon for the use of the Police Department to replace one cruising automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or otherwise, authorize the disposal of one (1) 1956 Ranchwagon now in service, or do anything in relation thereto.

Captain of Police

ARTICLE 23. To see of the Town will vote to raise and appropriate a sum of money to purchase uniforms for members of the Police Department or do anything in relation thereto.

Captain of Police

ARTICLE 24. To see if the Town will vote to construct an addition to the Robin Hood School consisting of ten classrooms with such other necessary facilities as may be required for school housing and educational needs, raise and appropriate a sum of money for the purpose of engaging an architect to prepare final architectural drawings, plans, specifications for obtaining fixed price bids for the construction of said addition to the Robin Hood School, determine in what manner the said appropriation shall be raised, by transfer from available funds, by taxation or by borrowing, by the sale of bonds, notes or otherwise, pass any vote or votes which the town deems necessary for the purpose required in this article, authorize the moderator to appoint a committee of five to be known as the Robin Hood School Building Addition Committee, said committee to be granted all the powers and duties necessary to carry out any and all votes passed under this article and to enter into all lawful contracts and agreements in behalf of the town to accomplish said votes, or do anything in relation thereto.

School Survey Committee

ARTICLE 25. To see if the Town will vote to accept a sum of money from the Trustees of the Stoneham Home Front Trust Fund, so-called, said sum to be appropriated and used together with such other funds as may become available by appropriation by the Town, for the purpose of erecting a Memorial Field House at Recreation Park, or any land adjoining said park which the Town may acquire or has acquired, or do anything in relation thereto.

The Stoneham Home Front Trustees

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money, said sum to be appropriated and used together with such other funds as may become available by gift from the Trustees of the Stoneham Home Front Fund, so-called, for the purpose of constructing and equipping a Memorial Field House, and other necessary expense incidental thereto, at Recreation Park, or any land adjoining said park which the Town may acquire or has acquired, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Recreation Commission

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money to prepare two basement rooms at the Junior High School for the conversion of the space for school use including a shop area, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do anything in relation thereto.

School Committee

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money to purchase a truck for the use of the School Department, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do anything in relation thereto.

School Committee

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money to purchase dishwashing equipment for use in the Junior High School Cafeteria, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do anything in relation thereto.

School Committee

ARTICLE 30. To see if the Town will vote to raise and appropriate a sum of money for the purpose of eliminating insects and other pests in the town, determine in what manner the said

appropriation shall be raised, by transfer from available funds or from taxation, or do anything in relation thereto.

Board of Health

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money for the purpose of Rat Control in the town, determine in what manner the said appropriation shall be raised, by transfer from available funds or from taxation, or do anything in relation thereto.

Board of Health

ARTICLE 32. To see if the Town will vote to raise and appropriate a sum of money for salary for a part-time dentist to assist in the Dental Program, determine in what manner the said appropriation shall be raised, by transfer from available funds or from taxation, or do anything in relation thereto.

Board of Health

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money for salary for a part-time clerk to assist the Board of Health Nurse, determine in what manner the said appropriation shall be raised, by transfer from available funds or from taxation, or do anything in relation thereto.

Board of Health

ARTICLE 34. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing tar sidewalks within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with State and County Aid under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 36. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for Chapter 90 Highway Construction, or take any action in relation thereto.

Board of Public Works

ARTICLE 37. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum

of money for the permanent construction of certain streets within the limits of the town, or do anything in relation thereto.

Board of Public Works

ARTICLE 38. To see if the Town will vote to raise and appropriate a sum of money to make repairs and install complete in place at the intersection of Montvale, Cottage and Wright Streets, all new conduit and cable, plus new flashing mechanism to replace present over-age equipment, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 39. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department, two (2) crawler type sidewalk tractors, complete with snow plows, authorize the appointment of a committee to make said purchase, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 40. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) 1 to 1½ ton roller, and to authorize the disposal of one (1) 1920 Buffalo Springfield roller now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money for the purchase of two (2) 2½ to 3 ton dump trucks for use of the Public Works Department and to authorize the disposal of two (2) 1946 International dump trucks now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money for the purchase of one (1) sand spreader body for use of the Public Works Department and to authorize the disposal of the 1949 Baughman sand spreader body now in service and for the purchase of one (1) station wagon for use of the Public Works Department engineers, authorize appointment of a committee to make said purchases and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 43. To see if the Town will vote to raise and appropriate a sum of money for labor, materials and other necessary

expenses for the control of Dutch Elm Disease in accordance with provisions of Chapter 657, Acts of 1956, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Board of Public Works

ARTICLE 44. To see if the Town will vote to raise and appropriate a sum of money to purchase shade trees, loam, materials and other necessary expense incidental to shade tree planting, determine in what manner the said appropriation shall be raised, by transfer from available funds or from taxation or do anything in relation thereto.

Board of Public Works

ARTICLE 45. To see if the Town will vote to accept as a public town way Erickson Street, so-called, from North St. north-westerly 1423 feet, more or less, as laid out by the Board of Survey.

Board of Public Works

ARTICLE 46. To see if the Town will vote to accept as a public town way a portion of Lawndale Road, so-called, northerly from Greenview Road to Marshall Road as laid out by the Board of Survey.

Board of Public Works

ARTICLE 47. To see if the Town will vote to raise and appropriate a sum of money to pave a portion of Lawndale Road from Greenview Road to Marshall Road, under the law relating to the assessment of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, or do anything in relation thereto.

Board of Public Works

ARTICLE 48. To see if the Town will vote to accept as a public town way a portion of Whipple Avenue, so-called, from the end of the existing public way northerly 393 feet, more or less, as laid out by the Board of Survey.

Board of Public Works

ARTICLE 49. To see if the Town will vote to raise and appropriate a sum of money to pave a portion of Whipple Avenue from the end of the existing public way northerly 393 feet, more or less, under the law relating to the assessment of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, or do anything in relation thereto.

Board of Public Works

ARTICLE 50. To see if the Town will vote to accept as a public town way Brookbridge Road, so-called, from Whipple Avenue westerly 752 feet, more or less, as laid out by the Board of Survey.

Board of Public Works

ARTICLE 51. To see if the Town will vote to raise and appropriate a sum of money to pave Brookbridge Road from Whipple Avenue westerly 752 feet, more or less, under the law relating to the assessments of betterments, and that the Selectmen be au-

thorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, or do anything in relation thereto.

Board of Public Works

Board of Public Works

ARTICLE 53. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, for sewer easement purposes, the following described parcel of land in Stoneham as appears on "Plan of Sewer Easement from #54 Main Street to High Street in Stoneham, Mass." dated December 14, 1956 by M. J. Markham, C. E.

"Beginning at a point on the Westerly sideline of High Street, said point being 634.68 feet from a stone bound in the southerly sideline of Bear Hill Road, thence the line runs across land belonging to the Bear Hill Associates, Inc., N 50° - 56' - 50" W, 217.83 feet to a point; thence the line turns and runs N 70° - 47' - 50" W, 162.75 feet to a point; thence the line turns and runs S 80° - 12' - 10" W, 276.57 feet to a point; thence the line turns and runs S 82° - 55' - 40" W, 236.75 feet to a point; thence the line turns and runs S 87° - 08' - 40" W, 154.86 feet to a point; thence the line turns and runs N 62° - 32' - 20" W, 184.08 feet to a point; thence the line turns and runs, still on land belonging to the said Bear Hill Associates, Inc., N 77° - 08' - 20" W, 163.52 feet to a point in the easterly lot line of land belonging to, now or formerly, John and Alza F. Quimby; thence the line turns and runs N 17° - 56' - 50" W, 217.09 feet along the said Easterly lot line of land belonging to said Quimby, land belonging to, now or formerly, Lester C. and Camille Gaul, to a stake at the southeast lot corner of land belonging to, now or formerly, Francis M. and Lillian A. McGaffigan; thence the line continues running N 17° - 56' - 50" W, 16.40 feet along the easterly lot line of land belonging to said McGaffigan to a point; thence the line turns and runs S 84° - 07' - 38" E, 16.40 feet to a point in land belonging to said Bear Hill Associates, Inc., thence the line turns and runs South 17° - 56' - 50" E, 218.35 feet to a point; thence the line turns and runs S 77° - 08' - 20" E, 156.92 feet to a point; thence the line runs S 62° - 32' - 20" E, 181.93 feet to a point; thence the line turns and runs N 87° - 08' - 40" E, 150.25 feet to a point; thence the line turns and runs N 82° - 55' - 40" E, 235.84 feet to a point; thence the line turns and runs N 80° - 12' - 10" E, 280.10 feet to a point; thence the line turns and runs S 70° - 47' - 50" E, 169.25 feet to a point; thence the line turns and runs, still on land of said Bear Hill Associates, Inc., S 50° - 56' - 50" E, 211.24 feet to a point in the said westerly sideline of High Street; thence the

line turns and runs S 7° - 28' - 25" W, 17.61 feet along the said westerly sideline of High Street to the point of beginning."

The above sewer easement is fifteen (15 ft.) feet wide. Area taken for sewer easement equals 24,253 square feet, more or less, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereof. James A. O'Leary and 23 others

ARTICLE 54. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws for sewer easement purposes, the following described parcel of land in Stoneham as appears on "Plan of Sewer Easement, Town of Stoneham, Mass., Board of Public Works" dated September, 1957, by Weston & Sampson, Consulting Engineers, Boston, Mass. Beginning at a point in a stone wall at land of Herbert A. Willey, said point being also 210.0 feet due south from a drill hole in the junction of the walls at land of Harry C. and Jennie A. Olson. Thence running North 72° - 30' - 20" East by land of the grantor 157.61 feet to a point; thence running still by land of the grantor North 45° - 48' - 20" East 99.39 feet to a point in a stone wall at land of the said Olson; thence turning and running by said wall South 71° - 39' - 40" East 22.54 feet to a point in the wall still at land of said Olson; thence turning and running by land of the grantor South 45° - 48' - 20" West 114.62 feet to a point; thence again running by land of the grantor South 72° - 30' - 20" West 167.71 feet to the wall first mentioned at land of said Willey; thence turning and running northerly by said wall 20.7 feet to the point of beginning. The area taken equals 5,392 square feet, more or less, belonging to n. or f. Anthony J. Evangelista, Tr., determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. Board of Selectmen

ARTICLE 55. To see if the Town will vote to accept the gift of C. Harry Olson and Jennie A. Olson of a parcel of land situated in the Town of Stoneham, Middlesex County, Massachusetts, bounded and described as follows:

Beginning at a point located 1008.1 feet, more or less, from the easterly side of Green Street, said point located on land belonging to, now or formerly, C. Harry Olson and Jennie A. Olson; thence the line turns and runs in a Northeasterly direction a distance of 112.00 feet, more or less, to a point; thence the line turns and runs in a Southeasterly direction a distance of 90.00 feet, more or less, to a point; thence the line turns and runs in a Southwesterly direction a distance of 112 feet, more or less, to a point, said point being a drill hole located in a stone wall; thence the line turns and runs 90 feet, more or less, in a Northwesterly direction along a stone wall to the point of beginning. Containing 10,080 square feet of land, more or less.

Said land is shown on a plan entitled "Plan Showing Proposed Pumping Station Lot off Green Street," dated July 8, 1957, Weston & Sampson, Consulting Engineers, Boston, Mass., or do anything in relation thereto. Board of Public Works

ARTICLE 56. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, for sewer easement purposes, the following described parcel of land in Stoneham as appears on "Plan For Sewer Easement between Greenview Road and Marshall Road," dated August 8, 1957 by M. J. Markham, C. E.; Beginning at a point on the easterly end of Marshall Road said point being 34.09 feet from a stone bound, thence the line runs due East, 17.89 feet to a point; thence the line turns and runs South 12° - 00' East 149.3 feet, more or less, to a point on the northerly sideline of Greenview Road; thence the line turns and runs in an easterly direction 10.5 feet, more or less, to a point; thence the line turns and runs North 12° - 00' West, 154.3 feet, more or less, to a point; thence the line turns and runs due West, 28.11 feet to a point in the said easterly end of Marshall Road; thence the line turns and runs South 12° - 00' East 10.22 feet to the point of beginning. All of the above easement on land belonging to Guy M. Greene. The area taken equals 1750 square feet, more or less, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Board of Selectmen

ARTICLE 57. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase or by taking by right of eminent domain under Chapter 79 of the General Laws, for sewer easement purposes, the following described parcel of land in Stoneham as appears on "Plan of Sewer Easement, Town of Stoneham, Mass., Board of Public Works" dated August 1957, by Weston & Sampson, Consulting Engineers, Boston, Mass. Beginning at a point on the northerly side line of Spring Street, said point located 127.88 feet from a stone bound on said northerly side line of Spring Street, thence the line turns and runs on a bearing of North 13° - 26' - 03" East, a distance of 159.50 feet to a point, thence the line turns and runs on a bearing of North 28° - 27' - 31" West a distance of 50.47 feet to a point, thence the line turns and runs on a bearing of North 16° - 32' - 29" East a distance of 433.04 feet to a point, thence the line turns and runs on a bearing of South 85° - 23' - 45" East a distance of 15.33 feet to a point, thence the line turns and runs on a bearing of South 16° - 32' - 29" West a distance of 430 feet to a point, thence the line turns and runs on a bearing of South 28° - 27' - 31" East a distance of 50 feet to a point, thence the line turns and runs on a bearing of South 13° - 26' - 03" West a distance of 162.74 feet to a point on the northerly sideline of Spring Street, thence the line turns and runs along the northerly sideline of

Spring Street on a bearing of North $86^{\circ} - 01' - 10''$ West a distance of 15.21 feet to the point of beginning. The area taken equals 9,630 square feet, more or less, belonging to n. or f. Wilbur W. Chapman, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. Board of Selectmen

ARTICLE 58. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, for drainage purposes, an easement in the following described parcel of land:

Beginning at a point located on the southerly lot line of land owned, now or formerly, by Harold B. Hayward; thence the line turns and runs on a bearing of $S\ 00^{\circ} - 43' - 40''\ W$ a distance of 19.78 feet to a point; thence the line turns and runs in a northeasterly direction a distance of 12.45 feet to a point; thence the line turns and runs on a bearing of $N\ 00^{\circ} - 43' - 40''\ E$ a distance of 16.63 feet to a point; thence the line turns and runs in a westerly direction a distance of 16.65 feet to the point of beginning. Containing 197 square feet, more or less, and being shown as parcel E-6 on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. and William St. showing Drainage Easement for Sweetwater Brook to be taken by the Town of Stoneham," dated May, 1957, or do anything in relation thereto. Board of Public Works

ARTICLE 59. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, for drainage and sewer purposes, an easement in the following described parcel of land:

Beginning at a point located on the westerly sideline of Oak Street, said point located 71.00 feet from the southerly sideline of Royal Street; thence the line turns and runs on a bearing of $S\ 69^{\circ} - 39' - 40''\ W$ a distance of 44.21 feet to a point; thence the line turns and runs on a bearing of $N\ 00^{\circ} - 43' - 40''\ E$ a distance of 52.72 feet to a point; thence the line turns and runs on a curved line of radius 131.50 a distance of 22.61 feet to a point, said point being on the southerly sideline of Royal Street; thence the line turns and runs along the southerly sideline of Royal Street on a bearing of $S\ 64^{\circ} - 06' - 00''\ W$ a distance of 17.00 feet more or less to a point; thence the line turns and runs on a curved line with a radius of 147.50 a distance of 14.00 feet to a point; thence the line turns and runs on a bearing of $S\ 00^{\circ} - 43' - 40''\ W$ a distance of 92.66 feet to a point; thence the line turns and runs in a northeasterly direction a distance of 16.65 feet to a point; thence the line turns and runs on a bearing of $N\ 00^{\circ} - 43' - 40''\ E$ a distance of 21.48 feet to a point; thence the line turns and runs in a northeasterly direction a distance of 48.84 feet to a point on the westerly sideline of Oak Street; thence the line turns and runs

on a bearing of N 20° - 20' - 20" W along the westerly sideline of Oak Street a distance of 12.00 feet to the point of beginning. Containing 2297 square feet of land more or less, and being shown as Parcels E-4 and E-5 on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. and William St. showing Drainage Easement for Sweetwater Brook to be taken by the Town of Stoneham," dated May, 1957, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Board of Public Works

ARTICLE 60. To see if the Town will vote to raise and appropriate a sum of money to defray the expense of converting the present coal-burning heating unit in the Public Library Building to an oil-burning heating unit, together with other necessary expense incidental thereto, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do anything in relation thereto.

Trustees of Public Library

ARTICLE 61. To see if the Town will sell to the Stoneham Jewish Community Center Inc. and Temple for use as a cemetery for its membership and their immediate families, a parcel of vacant land owned by the Town of Stoneham and heretofore used as pasture land in connection with the Town Infirmary and located on Broadway and bounded as follows:

Beginning at the Northwesterly corner at land of St. Patrick's Cemetery and running southerly by land of St. Patrick's Cemetery one hundred and sixty (160) feet to land of the Town of Stoneham, thence running easterly by land of the Town of Stoneham three hundred and seven and twenty-four hundredths (307.24) feet to land of forty-five foot right of way, thence running northerly by right of way one hundred and sixty feet (160) to Broadway, thence running westerly along Broadway three hundred seven and forty-four hundredths (307.44) feet to point of beginning, containing 49,180 square feet, more or less, as shown on a plan by Warren M. Mirick dated February 12, 1958; to determine the Sale Price of said land, and authorize the Board of Selectmen to convey title of said land, pass any vote or votes, or do anything in relation thereto.

Stoneham Jewish Community Center

ARTICLE 62. To see if the Town will vote to authorize the appointment of a Town Committee to prepare a workable urban rehabilitation and/or redevelopment plan for the Town of Stoneham, said committee to be authorized to enter into an agreement with the Federal Government under provisions of the Urban Renewal program in the Housing Act of 1949 and amendments through 1956, and that money be raised and appropriated therefor from taxation or by transfer from available funds and to carry out any votes passed under this article.

Citizens Advisory Committee

ARTICLE 63. To see if the Town will vote to raise and appropriate a sum of money from the revenue of the current year to reimburse Laura M. Sheppard for water and sewer charge to connect property at 558 Main Street in excess of reasonable amount due to indirect manner of construction.

John N. Kelly

ARTICLE 64. To see if the Town will vote to accept a bequest from the estate of the late Ora Hill Bingham to establish a permanent fund for the following purpose as set forth in the will of the late Ora Hill Bingham. "To the Town of Stoneham, Massachusetts, the sum of \$3,000.00, to be known as the 'Sidney A. Hill Fund,' the income from this fund to be used at the discretion of the Stoneham Board of Public Welfare, for the care of eyes and for teeth of elderly citizens of the Town."

Town Clerk

ARTICLE 65. To see if the Town will vote to accept provisions of Chapter 223, Acts of 1957, an act authorizing cities and towns to establish conservation commissions to promote the development of natural resources and to raise and appropriate money therefor.

Board of Selectmen

ARTICLE 66. To see if the Town will vote to accept Chapter 427, Acts of 1957, an act increasing the amount of pension of certain retired police officers and firefighters.

Board of Selectmen

ARTICLE 67. To see if the Town will vote to raise and appropriate a sum of money to acquire by purchase, or by right of eminent domain, a parcel of land now or formerly of the Boston and Maine Railroad, situated on the northwesterly side of Gerry Court, adjacent to Recreation Park, said appropriation to be used in conjunction with an appropriation voted under Article 58 of the warrant for the annual Town Meeting of 1951, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

And you are directed to have one thousand five hundred (1500) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this eighteenth day of February in the year one thousand nine hundred and fifty-eight, A. D.

DONALD J. MORRISON
WILLIAM W. MACKAY
STANLEY D. WOOD
LAWRENCE F. HURLEY

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town on February 22, 1958, and by publishing duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on February 27, 1958.

UGO M. ROLLI
Constable of Stoneham

ANNUAL TOWN MEETING, MARCH 3, 1958

Agreeable to the warrant signed by the Selectmen on February 18, 1958, and in accordance with the By-laws of the Town of Stoneham, the inhabitants of the town qualified to vote in elections and town affairs met in Town Hall on Monday, March 3, 1958 at six o'clock in the forenoon.

The meeting was called to order by the moderator and the warrant read.

Election officers appointed by the Selectmen, as required by law, were sworn by the Town Clerk and assigned to duty by the Town Clerk.

By unanimous consent of the Moderator and Town Clerk the ballot boxes were opened at three o'clock in the afternoon, and the ballots taken therefrom for the purpose of counting. The tellers appointed to canvass and count the ballots were divided into groups of four, two Republicans and two Democrats in each group.

At eight o'clock in the evening the polls were declared closed at which time ballot box No. 1 registered 1917, and ballot box No. 2 registered 1886 as ascertained by the Town Clerk. The check lists at the gates had the names of 3803 persons as having received ballots, and the check lists at the ballot boxes had the names of 3803 persons as having voted. The number of unused ballots returned to the Town Clerk was 4197.

The meeting was called to order by the Moderator and the warrant read.

Article 2. VOTED that the Selectmen be authorized to appoint all other town officers whose appointment is not otherwise provided for by law.

Article 3. VOTED that the reports of town officers and committees as printed in the annual Town Report for the year 1958 be accepted.

Final Report of the Stoneham High School Building Committee

To the Citizens of Stoneham:

The Stoneham High School Building Committee, having completed the work assigned to it by vote of the Special Town Meeting of February 2, 1953 and continued by vote of the Special Town Meeting of October 19, 1953 hereby submits its final report.

The work of planning having been completed, a report, with recommendations for the construction of a new High School, was submitted to the voters on October 19, 1953, when it was accepted and the Committee authorized to proceed.

The sum of \$1,520,000.00 was appropriated to cover the estimated cost, in addition to the amounts previously appropriated for preliminary plans and land acquisition.

The Massachusetts School Building Assistance Commission approved the site and the plans, whereupon the administrator approved a construction grant of \$535,000.00 (approximately 35%) as the State's share of the cost of the building.

The construction program proceeded with a minimum of delays so that the building was ready for occupancy, as planned, in the Fall of 1955. Formal dedication, with a fitting ceremony, was held Saturday, October 1, 1955.

The Committee submits herewith, as a part of this report, a copy of the Final Budget Review as of December 31, 1957 as follows:

Appropriations from Taxation

February 2, 1953 — Art. No. 3	\$ 54,700.00
February 2, 1953 — Art. No. 4	23,500.00
February 2, 1953 — Art. No. 8	500.00
March 17, 1954 — Art. Nos. 25 and 26	1,341.64
March 14, 1955 — Art. No. 23	750.00
From Sale of Bonds: March 23, 1954	1,500,000.00
	<hr/>
	\$1,580, 791.64

Returned to E and D:

February 2, 1953 — Art. No. 8	\$ 4.80

Report of the Police Station Committee

Your Police Station Committee has held many meetings with Mr. Crimp of the firm of Adden, Parker, Clinch and Crimp, Architects, about plans for a new police station.

Before Mr. Crimp could be instructed to draw up final plans necessary to obtain costs for a new police station, the Board of Selectmen appointed a committee to investigate Urban Redevelopment. Upon learning of this fact, the members of the Police Station Committee immediately notified Mr. Crimp to cease work on the plans of the new police station.

Your Police Station Committee one year ago put in a great deal of work investigating urban redevelopment and slum clearance. The committee therefore, feels it is well aware of the requirements of the Federal Government as far as urban redevelopment is concerned.

One of the requirements of the Federal Government is that a master plan must be made of the town. Because of the time involved and the knowledge needed to set up such a master plan, qualified people would have to be engaged to make the plan.

The reason for establishing a committee to investigate urban redevelopment was the thought it might be possible to obtain aid from the Government to remove the buildings between Central and Main Streets up to the Congregational Church.

Because the proposed addition to the town hall is so close to the buildings to be removed, it was the unanimous opinion of the members of the Police Station Committee that intelligent plans for the development of this area could not be made without considering the proposed addition to the town hall as an integral part of the plan.

Although under urban redevelopment, public buildings are not usually erected, there is still the possibility that where the proposed

addition to the town hall is so close to the buildings to be removed, it might be considered as part of an urban redevelopment plan. With pressure on Congress at the present time to relieve unemployment by putting up public buildings there is always the hope that financial aid may be given for a project of this kind.

As long as there is a possibility of Government financial aid in this matter, your committee feels that it would not be intelligently discharging its duties if it recommended the building of a new police station at this time.

The needs of the police department are just as great if not greater than they were when the matter of more room for the police department was first discussed. In spite of this need, your committee recommends that the construction of new quarters for our police department be postponed at this time.

VOTED that the foregoing majority report of the Police Station Committee be accepted.

Minority Report of the Police Station Committee

For the past three years a committee has been working to solve the problems which confront us and our Police Department. During the first year only renovation and an addition to the present facilities were considered. The committee presented plans to accomplish the work at an estimated cost of \$175,000. You the townspeople turned this proposal down and appointed another committee to investigate conditions and make recommendations.

This committee, of which I was a member, brought in an article recommending the construction of a wing on the Town Hall. \$3000 was appropriated for plans to be prepared and brought in at this meeting. A new committee was appointed which consisted of most of the members of the previous committee and three members of the Board of Selectmen.

Although we were not sold on the addition of a wing, we felt it was the better of the plans considered, and since the Town Meeting had mandated the committee to bring in plans for the Town Hall addition that was the end to which our efforts were directed. As the work progressed it became very evident to some of us that a wing on the Town Hall was not the answer to the problems confronting the Police Department of the Town.

The majority report has been read and has practically dismissed the problem for the foreseeable future, but does not make any emphatic recommendations to you on what should be done. There is no question in anyone's mind that conditions are congested and the Police Station urgently in need of attention. We believe the entire committee will agree on this point, and has been for over three years.

We, the undersigned, are of the opinion that a great deal could be accomplished by renovating the present quarters. We also are of the opinion that this is a practical solution to the problem and would satisfactorily meet the needs of the Department for many years. Before making these statements we asked the architect to go through the building and give his opinion on the feasibility of remodelling and whether or not the needs might be met at a reasonable cost. The answer was "yes," much could be accomplished in the present structure. With a relocation of space in the basement, which would require the cooperation of the Fire Department, and the removal of four of the eight men's cells along with other relatively minor changes, most of the needs could be met. This could be accomplished at a cost of approximately \$60,000.

Many of you are no doubt asking yourselves why can we now remodel the present facilities for \$60,000 when the original committee brought in a figure of \$175,000, and rightly so.

First, we should like to call your attention to the word **need** as used in the earlier part of this report. The type of renovation that we have in mind does not include additions or inclusions of special interrogation rooms, juvenile rooms, guard rooms or many of the other desirable facilities, but would only include a much-needed pistol range and rearrangement and renovation of present quarters to provide proper storage and full use of the available space.

We recommend to the town that the present committee, or a new committee be appointed to bring in a plan to remodel the present Police and Fire Station and that the funds remaining from the \$3000 appropriated at the last Annual Town Meeting be made available to the committee to defray the cost of plans. The committee should further be directed to consider only the needs in the preparation of said plans.

Dyer E. Carroll
William W. Mackay

VOTED that the minority report of the Police Station Committee be accepted.

Report of Citizens' Advisory Committee on Urban Redevelopment

We, the Citizens' Advisory Committee, submit our report "to investigate the procedure of obtaining Federal Funds for Urban Redevelopment and Renewal."

Our first thinking on this problem concerned the area between Stoneham Square and Church Street between Main and Central Streets. As we progressed it became apparent that in order to bring the solution of the problem of Redevelopment to the highest level it would be necessary to include this in a "General Neighborhood Plan."

The term "Urban Renewal" is new in the past few years. The Federal Government helps cities and towns in the process by extending financial aid in carrying out urban renewal projects whereby a town takes stock of itself and carries out programs to keep up-to-date with standards of the present. These must be neighborhood-wide in scope and call for improvements of the whole environment. Town agencies and private owners work together to give the neighborhood a new lease of life.

The present Federal urban renewal program is thus of much broader scope than the previous Federal public housing and redevelopment programs, which were piecemeal and inadequate to save rundown neighborhoods.

Your Committee concluded that at least some objectives of importance to Stoneham are:

1. To maintain a competitive position as a Residential, General Business and Light Manufacturing Town.
2. To maintain a proper balance between residence, business and institutions.
3. To promote conditions that will attract individuals and families who are good citizens and good neighbors.
4. To maintain a sound financial base for essential municipal services.

In our judgment these objectives can be obtained by:

1. Creating the Stoneham Redevelopment Authority under the House and Home Financing Agency of 1949, as amended.
2. By giving the Stoneham Redevelopment Authority, because of the technical provisions of the law, the power to obtain a Professional Consultant who will help to prepare a workable program to be presented to the Federal Government. The consultant will provide the following:

- a. Preparation of an Application for Survey and Planning Funds from the Housing and Home Finance Agency:
This will include:
Survey and Planning Application,
Urban Renewal Area Data,
Clearance Section Data, and
Basis for amount of Federal capital grant reservation request.
- b. Preparation of a Workable Program which includes the following:
Adequate local codes and ordinances, effectively enforced,
Comprehensive plan for development of the community,
Analysis of blighted neighborhoods to determine treatment needed,
Adequate administrative organization to carry out Urban renewal programs,
Ability to meet financial requirements,
Responsibility for rehousing adequately any possible families displaced by urban renewal and other governmental activities and citizen participation.

Preparation of the program is only the beginning. Each element in it must be sustained by action, continuous steady action, to achieve results. The action must come from every leader, every citizen, every official who wants to see his community improve, and survive and prosper as a modern American community in the future.

We, the Committee, do recommend that the Town take the necessary action to obtain Federal Funds for Urban Redevelopment and Renewal.

Article 8. VOTED that the subject matter of this article be indefinitely postponed.

Article 9. VOTED that action on this article be postponed to adjourned meeting to be held on Tuesday, March 18, 1958.

Article 10. VOTED that the Town instruct the Board of Assessors to use the sum of \$50,000.00 for the reduction of the 1958 tax rate.

Article 11. VOTED that the subject matter of this article be indefinitely postponed.

Article 12. VOTED that the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1958, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws. Unanimous.

Article 13. VOTED that the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1959, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws. Unanimous.

Article 14. VOTED that the Town pay the rent of the veterans organizations called for under this article, and any expense to come from the appropriation made for this purpose under Article 9 of this warrant.

Article 15. VOTED that the Town authorize the Board of Health to make appointments from its own membership to the positions of Health Officer and Milk Inspector, and any expense to come from the appropriation made for these purposes under Article 9 of this warrant.

Article 16. VOTED that the Town raise and appropriate the sum of \$50,000.00 for the purpose of defraying the cost of extending water mains or relaying water mains within the limits of the Town, and that the Town Treasurer, with the approval of the Selectmen, be authorized to issue and sell from time to time, as occasion requires, Town notes, bonds or other evidences of indebtedness to an amount not exceeding \$50,000.00, said bonds or notes to be payable in accordance with provisions of Chapter 44 of the General Laws. Unanimous.

Article 17. VOTED that the Town raise and appropriate the sum of \$50,000.00 for the purpose of defraying the cost of constructing sanitary sewer mains within the limits of the Town, and that the appropriation be raised as follows: by transfer from the Excess and Deficiency Account the sum of \$7,000.00, and that the Town Treasurer, with the approval of the Selectmen, be authorized to sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$43,000.00 said bonds or notes to be payable in accordance with provisions of Chapter 44 of the General Laws, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. Unanimous.

Article 18. VOTED that the subject matter of this article be indefinitely postponed.

Article 19. It was moved and seconded that the Zoning By-law be amended as set forth and described under Article 19 of the warrant for the annual Town Meeting of 1958. This motion failed to receive the necessary two-thirds vote and was not carried. Yes, 150; No, 457.

It was moved and seconded that Article 19 be reconsidered. This motion was not carried.

Article 20. It was moved and seconded that the Zoning By-law be amended as set forth and described under Article 20 of the warrant for the annual Town Meeting of 1958. This motion was declared not carried.

It was moved and seconded that Article 20 be reconsidered. This motion was not carried.

Article 21. VOTED that the subject matter of this article be indefinitely postponed.

Article 22. VOTED that the sum of \$2,200.00 be raised and appropriated to purchase one (1) new Station Wagon for use of the Police Department to replace one cruising automobile now in service, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the disposal of one (1) 1956 Ranch Wagon now in service, authorize the Moderator to appoint a committee of three citizens to make said purchase and disposal, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 23. VOTED that the Town authorize the purchase of uniforms for members of the Police Department to an amount not exceeding \$1,500.00 and any expense to come from the appropriation made for this purpose under Article 9 of this warrant.

VOTED to adjourn the meeting to meet in Town Hall on Tuesday, March 18, 1958 at 8 o'clock in the evening. Yes, 257; No, 223.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

ADJOURNED ANNUAL TOWN MEETING, MARCH 18, 1958

Agreeable to the warrant signed by the Selectmen on February 18, 1958 and in accordance with the vote of adjournment at the annual Town Meeting of March 10, 1958, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Tuesday, March 18, 1958 at 8 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall, and the check lists showed that eight hundred twenty-one (821) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 24. VOTED that the Town do construct an addition to the Robin Hood School consisting of ten classrooms with such other necessary facilities as may be required for school housing and educational needs, that a committee of five to be known as the Robin Hood School Building Addition Committee be appointed by the Moderator, that the said committee is authorized and directed to engage such architectural and engineering services as may be necessary to obtain final and complete drawings, plans and specifications for the taking of fixed price bids, the committee shall obtain said fixed price bids and report back to the Town with said bids at a future Town Meeting, that the sum of \$125,000 be appropriated for said construction, architectural and engineering services, plans, specifications and fixed price bids, the appropriation shall be raised by transfer from the Stabilization Fund the sum of \$75,000 and by transfer from the Excess and Deficiency Account the sum of \$50,000 and the Town Accountant is hereby authorized to record said transfer on the books of the Town, it being however, a provision of this vote that the committee shall not expend or incur liabilities in excess of the sum of \$25,000 of said appropriation until authorized so to do at a future Town Meeting, the remaining balance of the appropriation in the sum of \$100,000 shall be held intact by the said committee for actual construction purposes at a later date and shall be used together with such sum or sums as the Town may appropriate at a future Town Meeting to defray the cost of actual construction of the said school building addition. The Committee by this vote is hereby granted all the powers, duties and authority necessary to carry out this vote and shall enter into all lawful contracts and agreements in behalf of the Town to accomplish the purposes called for under this Article. Yes, 510; No, 185.

It was moved and seconded that the foregoing vote be reconsidered. This motion was not carried.

VOTED to recess annual meeting at 9'clock to consider warrant for special Town Meeting. (*Report of special meeting follows report of adjourned annual meeting.*)

VOTED to reconvene adjourned annual meeting at 9:10 o'clock.

Article 9. VOTED that, under General Government, the following items be amended:

Finance and Advisory Board, Salary, Clerk, by striking out the amount \$750. and inserting in place thereof \$850.00,

Selectmen Expense by striking out the amount \$4,500.00 and inserting in place thereof \$5,000.00,

Accounting Dept., Salary, Accountant, by striking out the amount of \$4,060.00 and inserting in place thereof \$4,360.00,

Accounting Dept., Salary, Clerk, by striking out the amount \$2,940.00 and inserting in place thereof \$3,040.00,

Treasurer & Collectors Dept. Salary, Treasurer & Collector by striking out the amount \$5,460.00 and inserting in place thereof \$6,460.00,

Treasurer & Collectors Dept., Salaries, Clerks, by striking out the amount \$13,580.00 and inserting in place thereof \$14,040.00,

Assessing Dept., Salaries, Clerk, by striking out the amount \$9,880.00 and inserting in place thereof \$10,480.00,

Legal Dept., Salary, Town Counsel, by striking out the amount \$2,500.00 and inserting in place thereof \$3,000.00,

Legal Dept., Damage Claims, by striking out the amount \$2,500.00 and inserting in place thereof \$3,500.00,

Town Clerk's Dept., Salary, Town Clerk, by striking out the amount \$2,600. and inserting in place thereof \$3,000.00,

Town Clerk's Dept., Salaries, Clerks by striking out the amount \$5,265.00 and inserting in place thereof \$5,440.00,

Elections and Registrations, Salaries, Assistant Registrars by striking out the amount \$2,775.00 and inserting in place thereof \$2,800.00,

Personnel Board, Salary Clerk, by striking out the amount \$1,050.00, and inserting in place thereof \$1,150.00,

Town Hall Maintenance, Salary, Custodian by striking out the amount \$3,820.00 and inserting in place thereof \$4,160.00,

Town Hall Maintenance, Salary, Assistant Custodian, by striking out the amount \$3,208.00 and inserting in place thereof \$3,520.00,

Total General Government by striking out the amount \$107,-166.00 and inserting in place thereof \$113,078.00,

VOTED that the sum of \$113,078.00 be appropriated for General Government, said sum to be expended as itemized in the recommendations of the Finance and Advisory Board as amended, as follows:

All the foregoing truly entered.

WINTHROP A. McCARTHY,
Town Clerk

**WARRANT FOR SPECIAL TOWN MEETING,
Tuesday, March 18, 1958**

To either of the Constables in the Town of Stoneham in the
County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

Tuesday, March 18, 1958

at nine o'clock in the evening to act on the following article of this warrant.

Article 1. To see if the Town of Stoneham will vote to accept Chapter 132, Acts of 1958, entitled "An Act authorizing the Town of Stoneham to extend the time for payment of certain betterment assessments."

Board of Selectmen

And you are directed to have one thousand (1000) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this tenth day of March in the year one thousand nine hundred and fifty-eight A.D.

FRED A. SCHNEIDER
WILLIAM W. MACKAY
DONALD J. MORRISON
DANIEL L. HURLEY
STANLEY D. WOOD

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town on March 10, 1958, and by publishing duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on March 13, 1958.

UGO M. ROLLI, Constable of Stoneham

SPECIAL TOWN MEETING, MARCH 18, 1958

Agreeable to the warrant for a special Town Meeting signed by the selectmen on March 10, 1958, and in accordance with the By-laws of the Town of Stoneham, the inhabitants of the town qualified to vote in elections and town affairs met in Town Hall on Tuesday, March 18, 1958 at 9 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall, and the check lists showed that eight hundred twenty-one voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. VOTED that the town accept the provisions of Chapter 132 Acts of 1958, entitled "An Act Authorizing the Town of Stoneham to extend the time for payment of certain betterment assessments."

All requirements of law having been complied with the meeting was adjourned finally at 9:10 o'clock.

All the foregoing truly entered.

WINTHROP A. McCARTHY,
Town Clerk

WARRANT FOR SPECIAL TOWN MEETING TUESDAY, MARCH 18, 1958

To either of the Constables in the Town of Stoneham in the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

Tuesday, March 18, 1958

at ten fifteen o'clock in the evening to act on the following article of this warrant.

Article 1. To see if the Town will vote to appoint a committee of seven to engage the services of experts who will make a survey of the physical needs of Stoneham Schools and report back at a subsequent special Town Meeting, or the next annual Town Meeting, raise and appropriate money therefor to pay any expenses incurred by the Committee, or do anything in relation thereto.

Frank J. Gallagher

And you are directed to have one thousand (1000) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days

at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this eleventh day of March in the year one thousand nine hundred and fifty-eight A.D.

FRED A. SCHNEIDER
DANIEL L. HURLEY
WILLIAM W. MACKAY
STANLEY D. WOOD
DONALD J. MORRISON

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within warrant by posting attested copies in at least ten (10) public places in the Town at 10:15 P.M. Tuesday, March 11, 1958, and by publishing duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on March 13, 1958.

ERNEST A. LUCCI

Police Officer of Stoneham

SPECIAL TOWN MEETING, MARCH 18, 1958

Agreeable to the warrant for a special Town Meeting signed by the Selectmen on March 13, 1958, and in accordance with the By-laws of the Town of Stoneham, the inhabitants of the town qualified to vote in elections and town affairs met in Town Hall on Tuesday, March 18, at 10:15 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall, and the check lists showed that eight hundred twenty-one (821) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. VOTED that the subject matter of this article be indefinitely postponed.

All the requirements of law having been complied with, the meeting was adjourned finally at 10:25 o'clock.

All the foregoing truly entered.

WINTHROP A. McCarthy,
Town Clerk

ADJOURNED ANNUAL TOWN MEETING, MARCH 24, 1958

Agreeable to the warrant signed by the selectmen on February 18, 1958, and in accordance with the vote of adjournment at the annual Town Meeting of March 18, 1958, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 24, 1958 at 8 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall, and the check lists showed that two hundred seventy-seven (277) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 33. VOTED that the sum of \$750.00 be raised and appropriated from the revenue of the current year to pay the salary of a part-time clerk to assist the Board of Health nurse.

Article 34. VOTED that the Town raise and appropriate the sum of \$3,000.00 for the purpose of reconstructing tar sidewalks within the limits of the Town, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 35. VOTED that the Town raise and appropriate the sum of \$3,900.00 for the maintenance of highways which have been constructed with State and County aid under provisions of Chapter 90 of the General Laws, raise the said appropriation by transfer from the Excess and Deficiency Account, that any receipts from the State and County shall be restored to the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 36. Move that the Town raise and appropriate the sum of \$30,000. for the improvement of a public way or ways, said construction authorized under provisions of Chapter 90 of the General Laws, that the said appropriation be raised as follows: by transfer from the unexpended balance of appropriation made for Chapter 90 Construction under Article 49 of the warrant for the annual Town Meeting of 1957 the sum of \$10.24 and by transfer from the Excess and Deficiency Account the sum of \$29,989.76, that reimbursements from the State and County shall be placed in the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 37. Move that the Town raise and appropriate the sum of \$36,641.00 for the permanent construction of the following streets: Gould Street from Pine Street to the Boston and Maine

Railroad Tracks, Emerson Street, Pine Street from Franklin to Hancock Street, Pine Street from Hancock Street to Summer Street, Elm Street from Main Street to William Street, Cottage Street from William Street to Flint Avenue, Hancock Street from Main Street to Warren Street, Hancock Street from Main Street to Pine Street, Pleasant Street from Central Street to 34 Pleasant Street and Pleasant Street from Spring Street to Summer Street, that the said appropriation be raised by transfer from the Highway Fund received from the State under provisions of Chapter 718, Acts of 1956, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 38. VOTED that the Town raise and appropriate the sum of \$1,540.00 to make repairs and install, complete in place, at the intersection of Montvale Avenue, Cottage Street and Wright Street all new conduit and cable, plus new flashing mechanism to replace present over-age traffic control equipment, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 39. It was moved and seconded that the subject matter of this article be indefinitely postponed. This motion was not carried.

It was moved and seconded that the sum of \$9,700.00 be raised and appropriated to purchase two (2) crawler-type sidewalk tractors, complete with snow plows, for use of the Public Works Department, said appropriations to be raised from the tax levy of the current year, and that the Board of Public Works be authorized to make said purchase. This motion was not carried.

Article 40. VOTED that the Town raise and appropriate the sum of \$1,950.00 to purchase, for use of the Public Works Department, one (1) one to one-half ton roller, and to authorize the disposal of one (1) 1920 Buffalo-Springfield roller now in service, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the Board of Public Works to make said purchase and disposal, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 41. VOTED that the Town raise and appropriate the sum of \$9,700.00 to purchase two (2) two and one-half to three ton dump trucks for use of the Public Works Department, and to authorize the disposal of two (2) 1946 International dump trucks now in service, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the Board of Public Works to make said purchases and disposals, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 42. VOTED that the Town raise and appropriate the sum of \$4,000.00 for the purchase of one (1) sand spreader body for use of the Public Works Department, and to authorize the disposal of the 1949 Baughman sand spreader body now in service, and the purchase of one (1) station wagon for use of the engineers of the Public Works Department, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the Board of Public Works to make said purchases and disposal, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 43. VOTED that the Town raise and appropriate the sum of \$1,500.00 from the revenue of the current year for labor, materials and other necessary expense for control of Dutch Elm Disease in accordance with Chapter 657, Acts. of 1956.

Article 44. VOTED that the Town raise and appropriate the sum of \$1,000.00 from the revenue of the current year to purchase shade trees, loam, materials and other necessary expense incidental to shade tree planting within the limits of the Town.

Article 45. VOTED that the Town accept as a public Town way Erickson Street, from North Street northwesterly 1423 feet, more or less as laid out by the Board of Survey.

Article 46. VOTED that the Town accept as a public Town way a portion of Lawndale Road, northerly from Greenview Road to Marshall Road, as laid out by the Board of Survey.

Article 47. VOTED that the Town raise and appropriate the sum of \$1,600.00 from the revenue of the current year to pave a portion of Lawndale Road, northerly from Greenview Road to Marshall Road, under the law relating to the assessment of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Article 48. VOTED that the subject matter of this article be indefinitely postponed.

Article 49. VOTED that the subject matter of this article be indefinitely postponed.

Article 50. VOTED that the subject matter of this article be indefinitely postponed.

Article 51. VOTED that the subject matter of this article be indefinitely postponed.

Article 52. VOTED that the subject matter of this article be indefinitely postponed.

Article 53. VOTED that the Town take by right of eminent domain under Chapter 79 of the General Laws, for sewer easement

purposes, a parcel of land in Stoneham as it appears on a "Plan of Sewer Easement from #54 Main Street to High Street in Stoneham," dated December 14, 1956, by M.J. Markham, C. E., said parcel being 15 feet in width and containing 24, 253 square feet, more or less, according to the said plan. Unanimous.

Article 54. VOTED that the Town take by right of eminent domain under Chapter 79 of the General Laws, for sewer easement purposes, a parcel of land in Stoneham as it appears on a "Plan of Sewer Easement, Town of Stoneham, Mass., Board of Public Works," dated September, 1957, by Weston & Sampson, Consulting Engineers, Boston, Mass., said parcel containing 5,392 square feet, more or less, and belonging to, now or formerly, Anthony J. Evangelista, Trustee, according to the said plan. Unanimous.

Article 55. VOTED that the Town accept the gift of C. Harry Olson and Jennie A. Olson of a parcel of land in Stoneham, Middlesex County, Massachusetts, as it appears on a "Plan Showing Proposed Pumping Station Lot off Green Street," dated July 8, 1957, by Weston & Sampson, Consulting Engineers, Boston, Mass., said parcel containing 10,080 square feet, more or less, according to said plan. Unanimous.

Article 56. VOTED that the Town take by right of eminent domain under Chapter 79 of the General Laws, for sewer easement purposes, a parcel of land in Stoneham as it appears on a "Plan for Sewer Easement between Greenview Road and Marshall Road," dated August 8, 1957, by M. J. Markham, C. E., said parcel containing 1,750 square feet, more or less, and belonging to, now or formerly, Guy M. Greene, according to the said plan. Unanimous.

Article 57. VOTED that the Town take by right of eminent domain under Chapter 79 of the General Laws, for sewer easement purposes, a parcel of land in Stoneham as it appears on a "Plan of Sewer Easement, Town of Stoneham, Mass., Board of Public Works," dated August, 1957, by Weston & Sampson, Consulting Engineers, Boston, Mass., said parcel containing 9,630 square feet, more or less, and belonging to, now or formerly Wilbur W. Chapman, according to the said plan. Unanimous.

Article 58. VOTED that the Town take by right of eminent domain under Chapter 79 of the General Laws, for drainage easement purposes, a parcel of land, designated as E-6 as it appears on a "Plan of Land in Stoneham, Vicinity of Oak Street and William Street, showing Drainage Easement for Sweetwater Brook to be taken by the Town of Stoneham," dated May, 1957, by the Division of Waterways, Commonwealth of Massachusetts, said parcel E-6 containing 197 square feet, more or less, according to the said plan. Unanimous.

Article 59. VOTED that the Town take by right of eminent domain under Chapter 79 of the General Laws, for drainage and sewer easement purposes, two parcels of land, designated as E-4 and

E-5, as they appear on a "Plan of Land in Stoneham, Vicinity of Oak Street and William Street, showing Drainage Easement to be Taken by the Town of Stoneham," dated May, 1957, by the Division of Waterways, Commonwealth of Massachusetts, said parcels E-4 and E-5 containing 2,297 square feet, more or less, and belonging to, now or formerly, Harold B. Hayward, according to the said plan. Unanimous.

Article 60. VOTED that the Town raise and appropriate the sum of \$1,200.00 for the purpose of converting the present coal-burning heating unit in the Public Library Building to an oil-burning unit, together with other necessary expense incidental thereto, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 61. VOTED to postpone action on this article at this time.

Article 62. VOTED that the Town establish a committee of five (5) members to be known as the Town Committee, four (4) members to be appointed by the Moderator, and one (1) member to be appointed by the State Housing Board, said committee to prepare a workable urban rehabilitation and/or redevelopment plan for the Town of Stoneham, said committee to be authorized to enter into an agreement with the Federal Government under provisions of the Urban Renewal Program in the Housing Act of 1949 and amendments through 1956, raise and appropriate the sum of \$4,500.00 for expense of the committee, raise the said appropriation by transfer from Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 63. VOTED that the Town raise and appropriate the sum of \$201.12 from the revenue of the current year to reimburse Laura Sheppard for the payment made by her for a sewer extension.

Article 64. VOTED that the Town accept a bequest from the estate of the late Ora Hill Bingham to establish a permanent fund for the following purpose as set forth in the will of the late Ora Hill Bingham, "To the Town of Stoneham, Massachusetts, the sum of \$3,000.00 to be known as the 'Sidney A. Hill Fund,' the income from this fund to be used at the discretion of the Stoneham Board of Public Welfare, for the care of eyes and for teeth of elderly citizens of the town."

Article 65. VOTED that the subject matter of this article be indefinitely postponed.

Article 66. VOTED that the Town accept Chapter 427, Acts of 1957, an act increasing the amount of pension of certain retired police officers and firefighters, and that the Town raise and ap-

propriate the sum of \$450.00 therefor, from the revenue of the current year.

Article 67. VOTED that the subject matter of this article be indefinitely postponed.

All requirements of the law having been complied with, the annual Town Meeting of 1958 was adjourned finally.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

Given under our hands this twenty-sixth day of August, A.D. 1958.

SELECTMEN OF STONEHAM

DONALD J. MORRISON

WILLIAM W. MACKAY

DANIEL L. HURLEY

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town on Saturday, August 30, 1958, and by publishing duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on Thursday, September 4, 1958.

UGO M. ROLLI, Constable of Stoneham

STATE PRIMARY, SEPTEMBER 9, 1958

Agreeable to the warrant signed by the Selectmen on August 26, 1958, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Tuesday, September 9, 1958 at 12 o'clock Noon.

Election officers, appointed by the Selectmen as required by law, were sworn by the Town Clerk and assigned to duty. By unanimous consent of the Selectmen and the Town Clerk the ballot boxes were opened at three o'clock in the afternoon and the ballots taken therefrom for the purpose of counting. The tellers appointed to canvass and count the ballots were sworn by the Town Clerk, and were divided into groups of four, two Republicans and two Democrats in each group.

The meeting was called to order by the chairman of selectmen at 12 o'clock noon and the warrant read.

At 8 o'clock in the evening the polls were declared closed at which time ballot box No. 1 registered 1191 and ballot box No. 2 registered 1123. The check lists at the gates had the names of 2314 voters having received ballots of which 1633 were Republican, and 681 were Democrat. The number of ballots taken from the ballot boxes, as counted by the Selectmen, was 2314, of which 1633 were Republican and 681 were Democrat.

All the Republican ballots having been sorted and counted, the tally sheets signed by the counters, the blocks of ballots sealed, the total tally sheet proved and signed in accordance with law, declaration of the same was made as follows:

WINTHROP A. McCARTHY, Town Clerk

WARRANT FOR BIENNIAL STATE ELECTION

To either of the Constables in the Town of Stoneham, in the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs to meet in town hall, in said town on

Tuesday, the Fourth Day of November, 1958

at six o'clock in the forenoon, it being the first Tuesday after the first Monday in said month, to bring in their ballots to the Selectmen for Senator in Congress, Governor, Lieutenant Governor, Secretary, Treasurer, Auditor, Attorney General, Congressman from the Eighth (8th) District, Councillor from the Sixth (6th) District, Senator from the Seventh (7th) Middlesex District, three (3) Representatives from the Twenty-Second (22nd) Middlesex District, District Attorney from the Northern District, Clerk of Courts in Middlesex County, Register of Deeds in Middlesex Southern District, County Commissioner in Middlesex County, Register of Probate and Insolvency in Middlesex County and the following questions:

Question No. 1. Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 73 in the affirmative and 132 in the negative and was approved in the Senate by a vote of 21 in the affirmative and 17 in the negative?

Summary. The proposed measure provides that every former public employee, other than a judge, who is pensioned or retired for disability, shall report to his retirement authority, annually, his earnings from a gainful occupation during the preceding year; and that, if such earnings, plus the pension, exceed the regular compensation of the position formerly held, the pensioner shall refund that portion of his pension equal to such excess or the entire pension if such excess is greater than the pension. A refund, if required, shall not include any part of a pension represented by salary deductions from or special purchase by the former employee. The requirements of a refund is not applicable to income received in or prior to 1958.

Question No. 2A. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?

B. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so-called, not to be drunk on the premises?

Question No. 3A. Shall the pari-mutual system of betting on licensed horse races be permitted in this county?

B. Shall the pari-mutual system of betting on licensed dog races be permitted in this county?

All on one ballot.

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

And you are directed to serve this warrant by posting attested copies in at least ten (10) public places in the town seven (7) days at least before the time for holding said election and by causing an attested copy to be published in some newspaper in the town, the publication to be not less than three (3) days before said election.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this twenty-first day of October in the year one thousand nine hundred and fifty-eight, A.D.

FRED A. SCHNEIDER
DONALD J. MORRISON
WILLIAM W. MACKAY
STANLEY D. WOOD
DANIEL L. HURLEY

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within election by posting attested copies in at least ten (10) public places in the town on Monday, October 27, 1958 and by publishing a duly attested copy in the Stoneham Independent and the Stoneham Press on Thursday, October 30, 1958.

UGO M. ROLLI, Constable of Stoneham

BIENNIAL STATE ELECTION, NOVEMBER 4, 1958

Agreeable to the warrant signed by the Selectmen on October 21, 1958, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Tuesday, November 4, 1958 at six o'clock in the forenoon.

Election officers, appointed by the Selectmen, as required by law, were sworn by the Town Clerk and assigned to duty. By unanimous consent of the Selectmen and Town Clerk the ballot boxes were opened at 10 o'clock in the forenoon and the ballots taken therefrom for the purpose of counting. Tellers appointed to canvass and count the ballots were sworn by the Town Clerk, and were divided in groups of four, two Republicans and two Democrats in each group.

The meeting was called to order by the Chairman of the Selectmen and the warrant read.

At eight o'clock in the evening the polls were declared closed at which time ballot box No. 1 registered 3354, and ballot box No. 2 registered 3612. The check lists at the gates had the names of 6966 voters having received ballots, and the number of ballots taken from the ballot boxes, as counted by the Selectmen, was 6966.

WINTHROP A. McCARTHY, Town Clerk

WARRANT FOR SPECIAL TOWN MEETING
Monday, December 8, 1958

To either of the Constables of the Town of Stoneham in the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

Monday, December 8, 1958

at eight o'clock in the evening to act on the following articles of this warrant:

ARTICLE 1. To see if the Town will vote to authorize the Robin Hood School Building Addition Committee, appointed under Article 24 of the warrant for the annual Town Meeting of 1958, to expend the sum of \$100,000.00 appropriated under the said Article 24, and to raise and appropriate an additional sum of money for the purpose of actual construction and originally equipping the ten-room addition to the present Robin Hood School, raise the said appropriation by transfer from available funds, sale of notes, bonds or otherwise, that the said appropriation be used in conjunction with the appropriation voted under Article 24 of the warrant for the annual Town Meeting of 1958, authorize the said Robin Hood School Building Addition Committee to proceed with

the construction of the said addition, and that the Robin Hood School Building Addition Committee be authorized to enter into all lawful contracts and agreements in behalf of the Town to carry out any vote or votes passed under this article.

Robin Hood School Building Addition Committee

ARTICLE 2. To see if the Town will vote to authorize the creation of the Stoneham Redevelopment Authority, said Authority to assume all the powers and duties conferred upon the Town Committee, so-called, voted under Article 62 of the warrant for the annual Town Meeting of 1958, and all other powers conferred on redevelopment authorities according to law.

Town Committee on Urban Renewal — Art. 62, 1958

ARTICLE 3. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, an easement for drainage purposes in the following described parcel of land in Stoneham as appears on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. & William St. showing Drainage Easement for Sweetwater Brook to be Taken By the Town of Stoneham", dated May 1957 and recorded with Middlesex South District Registry of Deeds.

Beginning on the easterly lot line of land owned by Nicholas and Josephine M. Corbett, said land registered in the Land Court of Middlesex South District Registry of Deeds with Certificate of Title 81859; thence the line turns and runs on a bearing of N 17-00'-28" W a distance of 39.69 feet to a point; thence the line turns and runs in a southwesterly direction along a radius of 117.31 a distance of 24.62 feet to a point; thence the line turns and runs on a bearing of S 45-43'-40" W a distance of 47.67 feet to a point; thence the line turns and runs on a bearing of N 69-39'-40" E a distance of 81.47 feet to the point of beginning. Containing 1525 square feet of land, more or less, being shown as Parcel E-2 on said plan, and being land now or formerly of Nicholas Corbett and Josephine M. Corbett. Said easement to include the right to dig thereon for the purpose of constructing drainage pipes of the said Town of Stoneham and also to dig thereon for the purpose of maintaining and repairing said pipes when the public welfare shall require. Determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Town Counsel

ARTICLE 4. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, an easement for drainage purposes in the following described parcel of land in Stoneham as appears on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. & William St. Showing Drainage Easement for Sweetwater Brook to be Taken By the Town of Stoneham", dated May 1957 and recorded with Middlesex South District Registry of Deeds.

Beginning at a point located at the junction of the northerly and easterly lot lines of land owned by Nora T. Burke; thence the line turns and runs in a southwesterly direction a distance of 10.85 feet to a point; thence the line turns and runs on a bearing of S 00-43'-40" W a distance of 196.30 feet to a point; thence the line turns and runs on a bearing of S 52-13'-16" E a distance of 8.41 feet along the sideline of William Street to a point; thence the line turns and runs on a bearing of N 00-43'-40" E a distance of 210.60 feet to the point of beginning. Containing 1264 square feet of land, more or less, being shown as Parcel E-12 on said plan, and being land now or formerly of Nora T. Burke. Said easement to include the right to dig thereon for the purpose of constructing drainage pipes of the said Town of Stoneham and also to dig thereon for the purpose of maintaining and repairing said pipes when the public welfare shall require. Determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Town Counsel

ARTICLE 5. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, an easement for drainage and for sewer purposes in the following described parcel of land in Stoneham as appears on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. and William St. Showing Drainage Easement for Sweetwater Brook to be Taken By the Town of Stoneham", dated May 1957 and recorded with Middlesex South District Registry of Deeds.

Beginning at a point on the southerly sideline of William Street, said point located a distance of 190.56 feet from the intersection of Cottage and William Streets on land owned by Florence C. Burke and William F. Burke; thence the line turns and runs on a bearing of S 37-46'-44" W a distance of 28.64 feet to a point; thence the line turns and runs on a bearing of S 5-16'-20" E a distance of 47.00 feet to a point; thence the line turns and runs on a curved line of radius 185.43 a distance of 73.41 feet to a point; thence the line runs in a northwesterly direction a distance of 32.93 feet to a point; thence the line turns and runs on a bearing of N 1-06'-07" E a distance of 163.27 feet to a point; thence the line turns and runs along the southerly sideline of William Street on a bearing of S 52-13'-16" E a distance of 59.44 feet to the point of beginning. Containing 5639 square feet of land, more or less, being shown as Parcel E-14 on said plan, and being land now or formerly of Florence C. Burke and William F. Burke. Said easement to include the right to dig thereon for the purpose of constructing drainage pipes and sewer pipes of the said Town of Stoneham and also to dig thereon for the purpose of maintaining and repairing said pipes when the public welfare shall require. Determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Town Counsel

ARTICLE 6. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, an easement for drainage purposes in the following described parcel of land in Stoneham as appears on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. & William St. Showing Drainage Easement for Sweetwater Brook to be Taken By the Town of Stoneham", dated May 1957 and recorded with Middlesex South District Registry of Deeds.

Beginning at a point at the junction of the northerly and westerly lot lines of land owned by John H. Nagle, widower, said land abutting land owned by Florence C. Burke; thence the line turns and runs on a bearing of S 22-06'-03" W a distance of 198.86 feet to a point; thence the line turns and runs on a bearing of S 62-33'-30" E a distance of 31.59 feet to a point; thence the line turns and runs on a bearing of N 22-43'-40" E a distance of 181.55 feet to a point; thence the line curves and runs on a radius of 185.43 a distance of 17.21 feet to a point; thence the line turns and runs on a bearing of N 62-33'-30" W a distance of 32.93 feet to the point of beginning. Being three separate parcels shown on said plan as parcels E-15, E-16 and E-17, containing together 6461 square feet of land, more or less, and being land now or formerly of John H. Nagle. Said easement to include the right to dig thereon for the purpose of constructing drainage pipes of the said Town of Stoneham and also to dig thereon for the purpose of maintaining and repairing said pipes when the public welfare shall require. Determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Town Counsel

ARTICLE 7. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, an easement for drainage purposes in the following described parcel of land in Stoneham as appears on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. & William St. Showing Drainage Easement for Sweetwater Brook to be Taken By the Town of Stoneham", dated May 1957 and recorded with Middlesex South District Registry of Deeds.

Beginning at a point on the southerly sideline of William Street, said point being a distance of 250 feet from the westerly sideline of Cottage Street; thence the line turns and runs on a bearing of S 1-06'-07" W a distance of 163.27 feet to a point; thence the line turns and runs on a bearing of S 22-06'-03" W a distance of 198.86 feet to a point; thence the line turns and runs on a bearing of S 25-00'-25" W a distance of 119.85 feet to a point; thence the line turns and runs on a bearing of S 19-30'-44" W a distance of 40.98 feet to a point; thence the line turns and runs on a bearing of N 67-16'-20" W a distance of 16.05 feet to a point; thence the line turns and runs on a bearing of N 22-43'-40" E a distance of

339.63 feet to a point; thence the line curves and runs on a radius of 135.43 a distance of 66.18 feet to a point; thence the line turns and runs on a bearing of N 5-16'-20" W a distance of 72.00 feet to a point; thence the line curves and runs on a radius of 311.22 a distance of 32.59 feet to a point; thence the line turns and runs on a bearing of N 00-43'-40" E a distance of 24.52 feet to a point; thence the line turns and runs along the southerly sideline of William Street on a bearing of S 52-13'-16" E a distance of 29.79 feet to the point of beginning. Containing 9105 square feet of land, more or less, being shown as Parcel E-20 on said plan, and being land now or formerly of Anthony Calabruso. Said easement to include the right to dig thereon for the purpose of constructing drainage pipes of the said Town of Stoneham and also to dig thereon for the purpose of maintaining and repairing said pipes when the public welfare shall require. Determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Town Counsel

And you are directed to have one thousand (1000) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this twenty-fifth day of November in the year one thousand nine hundred and fifty-eight A. D.

FRED A. SCHNEIDER
DONALD J. MORRISON
WILLIAM W. MACKAY

STANLEY D. WOOD

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town on November 30, 1958, and by publishing duly attested copies of the said warrant in the Stoneham Independent and the Stoneham Press on December 4, 1958.

UGO M. ROLLI, Constable of Stoneham

SPECIAL TOWN MEETING, DECEMBER 8, 1958

Agreeable to the warrant signed by the Selectmen on November 25, 1958, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, December 8, 1958 at 8 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall, and the check lists show that two hundred sixty-two voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. VOTED that the Robin Hood School Building Addition Committee, appointed under Article 24 of the warrant for the annual Town Meeting of 1958 be authorized to expend the sum of \$100,000.00. appropriated under the said Article 24 for the purpose of constructing and originally equipping the ten-room addition to the present Robin Hood School as voted under the said Article 24, and that an additional sum of \$110,000 be raised and appropriated, said sum to be used in conjunction with the appropriation of \$100,000 previously appropriated for this purpose under the said Article 24, and that the said sum of \$110,000 be raised by the sale of notes or bonds, and that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow \$110,000 and to issue notes or bonds of the Town therefor, payable in accordance with provisions of Chapter 44 of the General Laws and Chapter 645 of the Acts of 1948, as amended, so that the whole loan shall be paid in not more than five years from the date of the first bond or note, and that the said Robin Hood School Building Addition Committee be and is hereby authorized to proceed with the construction and originally equipping the said Robin Hood School Building Addition and further authorized to enter into all lawful contracts and agreements on behalf of the Town to carry out this vote. Unanimous.

Article 2. VOTED that the Town authorize the creation of the Stoneham Redevelopment Authority, said Authority to assume all the powers and duties conferred upon the Town Committee, so-called, voted under Article 62 of the warrant for the annual Town Meeting of 1958, and all other powers conferred on redevelopment authorities according to law.

Article 3. VOTED that the Town raise and appropriate the sum of \$1.00 for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, an easement for drainage purposes in the following described parcel of land in Stoneham as appears on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. & William St. showing Drainage Easement for Sweetwater Brook to be taken by the Town of Stoneham"; dated May 1957 and recorded with Middlesex South District Registry of Deeds.

Beginning on the easterly lot line of land owned by Nicholas and Josephine M. Corbett, said land registered in the Land Court of Middlesex South District Registry of Deeds with Certificate of

Title 81859; thence the line turns and runs on a bearing of N 17-00'-28" W a distance of 39.69 feet to a point; thence the line turns and runs in a southwesterly direction along a radius of 117.31 a distance of 24.62 feet to a point; thence the line turns and runs on a bearing of S 45-43'-40" W a distance of 47.67 feet to a point; thence the line turns and runs on a bearing of N 69-39'-40" E a distance of 81.47 feet to the point of beginning, containing 1525 square feet of land, more or less, being shown as Parcel E-2 on said plan, and being land now or formerly of Nicholas Corbett and Josephine M. Corbett, said easement to include the right to dig thereon for the purpose of constructing drainage pipes of the said Town of Stoneham and also to dig thereon for the purpose of maintaining and repairing said pipes when the public welfare shall require, that the said appropriation be raised by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. Unanimous.

Article 4. VOTED that the Town raise and appropriate the sum of \$1.00 for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, an easement for drainage purposes in the following described parcel of land in Stoneham as appears on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. & William St. showing drainage easement for Sweetwater Brook to be taken by the Town of Stoneham", dated May 1957 and recorded with Middlesex South District Registry of Deeds.

Beginning at a point located at the junction of the northerly and easterly lot lines of land owned by Nora T. Burke; thence the line turns and runs in a southwesterly direction a distance of 10.85 feet to a point; thence the line turns and runs on a bearing of S 00-43'-40" W a distance of 196.30 feet to a point; thence the line turns and runs on a bearing of S 52-13'-16" E a distance of 8.41 feet along the sideline of William Street to a point; thence the line turns and runs on a bearing of N 00-43'-40" E a distance of 210.60 feet to the point of beginning, containing 1264 square feet of land, more or less, being shown as Parcel E-12 on said plan, and being land now or formerly of Nora T. Burke, said easement to include the right to dig thereon for the purpose of constructing drainage pipes of the said Town of Stoneham and also to dig thereon for the purpose of maintaining and repairing said pipes when the public welfare shall require, that the said appropriation be raised by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. Unanimous.

Article 5. VOTED that the Town raise and appropriate the sum of \$1.00 for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, an easement for drainage and for sewer purposes in the following described parcel of land in Stoneham as appears on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. & William St.

Showing Drainage Easement for Sweetwater Brook to be Taken By the Town of Stoneham", dated May 1957 and recorded with Middlesex South District Registry of Deeds.

Beginning at a point on the southerly sideline of William Street, said point located a distance of 212.05 feet from the intersection of Cottage and William Streets on land owned by Florence C. Burke and William F. Burke; thence the line turns and runs on a bearing of S 55°-00'-33" W a distance of 4.38 feet to a point; thence the line turns and runs in a southeasterly direction by a curved line of radius 261.22 feet, 8.76 feet to a point; thence the line turns and runs S 50°-16'-20" E, 72.00 feet to a point; thence the line turns and runs in a southwesterly direction by a curved line of radius 185.43 feet, 73.41 feet to a point; thence the line runs in a northwesterly direction a distance of 32.93 feet to a point; thence the line turns and runs on a bearing of N 1°-06'-07" E, a distance of 163.27 feet to a point; thence the line turns and runs along the southerly sideline of William Street on a bearing of S 52°-13'-16" E, a distance of 37.95 feet to the point of beginning, containing 5269 square feet of land, more or less, being shown as Parcel E-14 on said plan, and being land now or formerly of Florence C. Burke and William F. Burke, said easement to include the right to dig thereon for the purpose of constructing drainage pipes and sewer pipes of the said Town of Stoneham, and also to dig thereon for the purpose of maintaining and repairing said pipes when the public welfare shall require, that the said appropriation be raised by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. Unanimous.

Article 6. VOTED that the Town raise and appropriate the sum of \$1.00 for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, an easement for drainage purposes in the following described parcel of land in Stoneham as appears on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. & William St. Showing Drainage Easement for Sweetwater Brook to be Taken by the Town of Stoneham", dated May 1957 and recorded with Middlesex South District Registry of Deeds.

Beginning at a point at the junction of the northerly and westerly lot lines of land owned by John H. Nagle, widower, said land abutting land owned by Florence C. Burke; thence the line turns and runs on a bearing of S 22-06'-03" W a distance of 198.86 feet to a point; thence the line turns and runs on a bearing of S. 62-23'-30" E a distance of 31.59 feet to a point; thence the line turns and runs on a bearing of N 22-43'-40" E a distance of 181.55 feet to a point; thence the line curves and runs on a radius of 185.43 a distance of 17.21 feet to a point; thence the line turns and runs on a bearing of N 62-33'-30" W a distance of 32.93 feet to the point of beginning. Being three separate parcels shown on said plan as parcels E-15, E-16 and E-17, containing together 6461 square feet of land, more or less, and being land now or formerly of John

H. Nagle, said easement to include the right to dig thereon for the purpose of constructing drainage pipes of the said Town of Stoneham and also to dig thereon for the purpose of maintaining and repairing said pipes when the public welfare shall require, that the said appropriation be raised by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. Unanimous.

Article 7. VOTED that the Town raise and appropriate the sum of \$1.00 for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, an easement for drainage purposes in the following described parcel of land in Stoneham as appears on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. & William St. Showing Drainage Easement for Sweetwater Brook to be Taken By the Town of Stoneham", dated May 1957 and recorded with Middlesex South District Registry of Deeds.

Beginning at a point on the southerly sideline of William Street, said point being a distance of 250 feet from the westerly sideline of Cottage Street; thence the line turns and runs on a bearing of S 1-06'-07" W a distance of 163.27 feet to a point; thence the line turns and runs on a bearing of S 22-06'-03" W a distance of 198.86 feet to a point; thence the line turns and runs on a bearing of S 25-00'-25" W a distance of 119.85 feet to a point; thence the line turns and runs on a bearing of S 19-30'-44" W a distance of 40.98 feet to a point; thence the line turns and runs on a bearing of N 67-16'-20" W a distance of 16.05 feet to a point; thence the line turns and runs on a bearing of N 22-43'-40" E a distance of 339.63 feet to a point; thence the line curves and runs on a radius of 135.43 a distance of 66.18 feet to a point; thence the line turns and runs on a bearing of N 5-16'-20" W a distance of 72.00 feet to a point; thence the line curves and runs on a radius of 311.22 a distance of 32.59 feet to a point; thence the line turns and runs on a bearing of N 00-43'-40" E a distance of 24.52 feet to a point; thence the line turns and runs along the southerly sideline of William Street on a bearing of S 52-13'-16" a distance of 29.79 feet to the point of beginning, containing 9105 square feet of land, more or less, being shown as Parcel E-20 on said plan, and being land now or formerly of Anthony Calabruso, said easement to include the right to dig thereon for the purpose of constructing drainage pipes of the said Town of Stoneham and also to dig thereon for the purpose of maintaining and repairing said pipes when the public welfare require, that the said appropriation be raised by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. Unanimous.

All requirements of law having been complied with, the meeting was declared adjourned finally.

All the foregoing truly entered.

WINTHROP A, McCARTHY, Town Clerk

ANNUAL REPORT OF THE TRUSTEES OF THE STONEHAM PUBLIC LIBRARY

The 100th annual report of the Trustees of the Stoneham Public Library is herewith presented as a report of progress and service to the townspeople of Stoneham.

At the organization meeting of the Trustees held Monday evening, March 4, 1958, Mr. Fred A. Lawson was unanimously re-elected as Chairman, and Mrs. Nance B. Barnstead was re-elected as Secretary.

The following appointments for the year 1958 were made:

Book Committee: Nance B. Barnstead, John W. Farquharson;

Music Committee: Kathryn B. English, Pearl Mayman;

Maintenance Committee: John W. Farquharson, John N. Kelly.

The first matter of business for the Library year was a discussion of plans by Mr. James S. Healey, Librarian, for National Library Week. He reported on details of the event and publicity that he and Mr. Charles Gibbons, Chairman, had planned. Mr. Gibbons in his report went on to explain that National Library Week would stress the importance of reading in the modern world. "We, in Stoneham," he went on to explain, "have no reason to feel inferior to any other town when it comes to Libraries. The Stoneham Public Library has just about anything one could want."

In connection with National Library Week, the Trustees held Open House on Sunday, March 16. This Open House was the beginning of the observance of National Library Week in Stoneham. Special guests of the day were Mr. and Mrs. Charles Gibbons. Mrs. Gibbons poured. Assisting her at the tea table were Mrs. Fred A. Lawson, Mrs. Nance B. Barnstead, Mrs. Kathryn B. English, Mrs. John Farquharson and Mrs. Pearl Mayman.

Over three hundred people were on hand to tour the Library and at the same time to enjoy the amateur art exhibit by the Friends of the Library.

In April the Trustees had the pleasure of a visit from Mr. Elbert R. Boyd at the Board meeting. All the Trustees expressed regret at his retirement from the Board in February, 1958, and commended him for his many years of faithful service. All of the members will miss "Doc" Boyd very much and he was urged to feel free to come and sit in on a Board meeting whenever he felt inclined to do so.

Also, at this time, Mrs. Pearl Mayman, newly elected Trustee, was officially welcomed to the Board by the members. Mrs. Mayman will make a welcome addition to the Board of Trustees and will be able to offer a great deal of assistance in managing Library affairs.

At the April Board meeting, Mrs. Mary Ward, of Stoneham, who had been a part-time Library worker, hired by the Library in May, 1956, was interviewed by the Trustees and in view of their acquaintance with her fine work, a motion was passed unanimously that she be employed full time to fill the appointment of Library assistant.

In the spring, the Trustees decided to conduct a survey of the needs and requirements to improve the Children's room in the Library. Mrs. Mayman, newly elected Trustee, graciously volunteered to take charge of this survey and, with the help of the Librarian, Mr. Healey, report back to the Board at a future meeting.

The trustees granted the Girl Scout Council use of Library Hall for the Girl Scout Choral Group on Saturday mornings starting in the fall of the year.

During the summer, bids for the installation of a new oil burner in the Library were opened. The successful bidder, the Shannon Oil Co. of Stoneham and Malden, was awarded the contract at the special July meeting.

With the installation of the new burner in August, and the trim on the Library building newly painted, the physical requirements of the Library were met. Thus the long-term planning by the Trustees of such a project was completed.

On August 10 Mr. James S. Healey, Librarian, and Miss Evelyn J. Murphy of Brockton were united in marriage. The good wishes of the Trustees and the townspeople were extended to Mr. Healey and his bride.

Early in September, the Trustees accepted with sincere appreciation a fine sixteen-volume set of Civil War picture pamphlets and two proclamations of the 1800's, a gift of Mrs. Harold B. Hayward of 2 Central Street.

On Friday, November 28, the new charging machine, as ordered by the Trustees, went into operation at the Library. The new machine is located in the Children's Room and is designed to assist in speeding up the work.

The machine works in the same manner as a charge plate in any store. Each child has a card and on the card is a metal plate with the number of the card. This card and the book card are both inserted into the machine and the number of the borrower's card and the date due are both stamped on the card. The machine, besides speeding up the operation in the Children's Room, is also an excellent record keeper. Since the operation is done completely automatically, the certainty of stamping and the recording of numbers and dates are assured to be accurate.

With the installation of this machine the Trustees feel it is furthering its task of keeping up with the times in improving serv-

ice to the people of Stoneham. It is hoped that in the very near future a similar installation can be made for the adults.

In the fall of the year the Library lost the services of Circulation and Reference Librarian, Mrs. Alice Sullivan. Her resignation was accepted by the Trustees and it was decided at this time that the position of Circulation and Reference Librarian be left open and that the Librarian would seek to fill the position of Assistant Librarian.

The Trustees of the Library wish to express again appreciation to the Stoneham Garden Club for their fine floral arrangements for the rotunda of the Library regularly. These lovely and unusual bouquets have been enjoyed by many townspeople on their visits to the Library.

The Trustees would like to include the following very fine letter from Dr. Michael Scarpitto, Superintendent of the Stoneham Schools, as follows:

"December 24, 1958

Mr. Fred A. Lawson, Trustee
Stoneham Public Library
Stoneham 80, Massachusetts

Dear Mr. Lawson:

We wish to thank the Trustees of the Stoneham Public Library, Mr. Healey, Miss Golding and other staff members for the cooperation in providing books for this community-wide undertaking for young people which is called the Stoneham Reading for Pleasure Program.

"Since we started a year ago, our carefully kept records show that 150,999 books have been read by our pupils. Most of these books were from the Stoneham Public Library, probably an estimated 90,000 of them. As you know, what actually happens is that each book in a set sent to the classroom is read many times, i.e., by many pupils in that classroom.

"Results show that our reading scores have shot upward (an important criterion of a good school system), pupils' school work has shown improvement in general, pupils' interest in science, natural history, etc. have greatly increased, and lastly but very important also, an improvement in behavior and conduct has resulted in many cases where the individual, usually from difficult home conditions, tended to be a problem case, has frequently been acclaimed for achievement in some area for the first time in life and his behavior pattern has improved.

"In addition, in my talks to groups in town I have urged parents of children in other school systems to induce their children

to read. I realize that this whole program has caused you some serious problems re space, service, budget, etc., but I believe that you will agree with me that the Stoneham Public Library has become a powerful force in this community, even greater than its previous great value through the years.

“As we start ‘generations’ of new pupils in the first grade each year and as other classes ‘vaccinated with this reading bug’ continue, as I am certain they will, demands for your service will become greater.

“We sincerely hope that you, your co-members on the Board and your staff will be able to serve these increased needs.

“Many citizens and I, personally, would be only too willing to speak publicly concerning the tremendous job you have done and what a need for increased service exists. If you would like to discuss the matter with me, I would be happy to meet with you at your convenience.

“This type of municipal interdepartmental cooperation augurs well for making Stoneham an outstanding community to live in. We, likewise, are extending a similar type of interdepartmental cooperation to the Recreation Committee.

“Our best wishes to you, your co-members and the staff for our continued cordial and excellent relations in serving the young people of Stoneham.

Sincerely yours,
(Signed) Michael Scarpitto, Ph.D.
Superintendent of Schools”

This year the Stoneham Public Library observes its 100th Anniversary. The Trustees and the Librarian, Mr. Healey, and all of the staff are working on plans to make this occasion one to be remembered by all of the townspeople.

The Trustees take this opportunity to thank the Librarian, Mr. Healey, and all of the staff members for their cooperation and loyalty during the past year. Stoneham has every right to feel justly proud of its progressive Library. We owe special thanks to the “Friends of the Stoneham Library” who have done a great deal to promote Art, Music, and Good Books for the enjoyment of many hundreds of townspeople. They have made the Library the cultural center of Stoneham.

Respectfully submitted.
FRED A. LAWSON, Chairman
NANCE B. BARNSTEAD, Secretary
KATHRYN B. ENGLISH

Report of the Librarian

To the Trustees of the Stoneham Public Library:

Mr. Chairman, Ladies and Gentlemen:

It is my pleasure to present to you, this, the One-Hundredth annual report of the Stoneham Public Library.

We have moved steadily ahead in this year of continual activity. The Library has been active in many parts of the community. We have striven to give not only quantitative service but, more important, qualitative service. It is the quality of our service that allows us to point with pride to our many activities in the year past. But, this is not simply a look backward. Rather, this report will show how the first hundred years have prepared the way for a fuller and more rewarding second. Naturally, few, if any of us, will be here to celebrate our second hundred. But, we can only hope to set the goal that will never actually be ideally reached in any period—that of truly complete service to the People of the Town of Stoneham.

Before beginning the actual part of the report, I would like to digress for a moment to relate a story I recently came across. The lady who told this story shall remain nameless here. But this is how the story went.

"There is a little boy living in a nearby community. And his father works with the lady who tells the story. Last Christmas, the little boy was asked what he wanted most for Christmas. The boy replied, 'A Library book that I don't have to take back.' The Father pressed the child for details, but that was all the child would say. The Father, like all good parents, wanted to satisfy the child's wish, but did not know how to go about it. He told our 'nameless lady' and she, being a constant user of the Library, bought a book, and came into the Library, and asked Mrs. Sara Macdonald, one of our assistants if we could paste on one of our book pockets, and take a blank book card and place it in the pocket. This was done, and the little boy got his wish.

This might seem to be the end, and a happy one. But, after Christmas, the child was asked why he had wanted a Library book that he didn't have to take back. He replied, with a few words that should make us all wonder in this modern world, "Because we don't have any Library to take a book back to."

The point behind this story is to illustrate the difference in the ideas of some people to Libraries. Some don't care, and others care very much. We are happy to say that the People of Stoneham care a great deal, and this report is directed to show just how much they do care.

The Staff

Last year was a busy one for the staff. In October, our Circulation-Reference Librarian resigned. Mrs. Alice DuShane left because of press of home duties. We were sorry to see her go. As yet, the Library has not filled the position, due to a lack of candidates.

As for the other members of the staff, Miss Solglad Burtch was one of the busiest. Miss Burtch is our cataloguer, and with the tremendous number of books passing through her department she had little time for much else. We do thank her for her competent and able work.

Mrs. Sara Macdonald and Mrs. Mary Ward, our assistants in the Adult Department, were also put to the test and not found wanting. Mrs. Macdonald had a number of good ideas. One was her idea of putting the newest books on the table so that on entering, a patron might easily see what was in. Along with Mrs. Macdonald, Mrs. Ward kept the shelves full of the best books we have. Both of these wonderful ladies did a great deal to make the Library more attractive with their display on our shelves. And we can thank both of these ladies for making the Library your Library with their continuing friendliness, no matter what came up.

Miss Margaret "Peg" Golding, Children's Librarian, is known to all. Known for her love of children and desire to help them love reading, and known for the happy smile that characterizes Miss Golding. Her room is always a happy one, and you will always find that the Children's Room is one of the friendliest in the area.

Henry Wetzler, again as in previous years, has kept us warm, the floors clean, and tended to all of the matters of keeping the Library a pleasant place to come into. You housewives can imagine what a job it would be to have a building this size to clean every day. We couldn't possibly do without him.

Rounding out our staff, we have Mrs. Eloise Forrest and Miss Patricia Ward, part-time assistants helping Miss Golding out in the Children's Room. In the Adult Room, we have had Mrs. Theresa Lewis, Miss Susan Hurley, and Miss Susan Wyman giving us a hand.

Librarian's Activities

With all of the many activities to attend to at the Library, your Librarian made it a point to be of as much service to the Town as possible.

I have appeared at several church gatherings, and at a number of school meetings to tell about the Library and its service to the People of the Town. In September, Miss Golding and I were on a panel discussion at the High School orientation for all of the teach-

ers. Another speaking engagement took me before the Rotary Club of Stoneham at their meeting at the Library in January of 1958. This was truly a happy occasion.

Again, this year, I took part in the United Fund Drive, acting as Organizations Chairman. Naturally, I kept active my part on Dr. Scarpitto's "Reading for Pleasure" Committee.

As Librarian, I had the post of Membership Chairman of the Friends of the Library — a post I shared with Mrs. Ruth McHale.

Turning to the more personal aspects of this past year, two things stand out more than most. First, I completed the requirements for the Master of Science in the Graduate School of Library Science at Simmons College. This was a long haul ended, and in August with many good wishes from so many of the people in Stoneham, I embarked on the Sea of Matrimony. I cannot yet tell if it will be mostly a stormy or a pleasant voyage, but I can say thank you to the many, many people who gave us their wishes for happiness.

Statistics

Statistically speaking, 1958 was a big year at your Public Library. The figures pretty well tell their own story, so I'll let them do the talking for a moment.

In the Adult Room, the circulation was 68,944 in 1958, as opposed to 65,746 for 1957. Breaking the figures down, we find that the Adult Room circulated 23,819 items in the non-fiction, and 41,246 in the fiction. 3,879 records were circulated. The corresponding totals for 1957 were 22,203 non-fiction, 40,527 fiction, and 3,016 records. And as one can see, a gain on all fronts.

In the Juvenile Room, the story was much the same except for the tremendous increase. Miss Golding's figures for 1957 were 12,321 non-fiction, 41,950 fiction. In 1958 the figures were: 14,544 non-fiction and 59,731 fiction. The increase is obvious.

As for registrations, 582 children obtained new Library cards this year, while 559 new registrations were made in the Adult Room with an additional 226 transferring from the Children's Room. Thus we now have the following total number of people registered as borrowers and users of the Public Library: 2,716 children 5,178 adults, giving a total of 7,894 people of Stoneham on our registers. That means that nearly half of Stoneham has a Library card. We hope to make this figure grow in the months to come.

Children's Activities

1958 was a busy year in the Children's Room. Under the able direction of Miss Margaret I. Golding, Children's Librarian, 1958 saw the use of the Children's Room sky-rocket to unheard-of heights.

There were a number of reasons for the increased use of the Children's Room. The first is that the Town has grown, and with this growth, the number of children has grown too. Furthermore, with Dr. Scarpitto's emphasis on the use of books, the use of the Room has increased. And with this increased emphasis, the children are learning that reading is truly fun, and they are using the room more for their own pleasure.

How can we tell of this increase? The first way is through circulation figures. Miss Golding's circulation for the year 1958 was 74,307, as against 54,337 for 1957. As one can see the increase is a little less than 20,000. Such an increase in any library is unusual. But the figure only shows an over the counter number of transactions. We are not able to count the countless number of reference questions, the questions on how to use the catalogue, and general questions that all children ask when they use a Library. With the assistance of Miss Patricia Ward and Mrs. Eloise Forrest, part-time assistants, Miss Golding was just able to keep up with this vast increase. In order that we might keep time with the increase, the Library applied to the Division of Library Extension, an agency of the Department of Education, for a survey of resources and physical set-up. Mrs. Alice Howard, consultant on work with Children and Young People, of the Division Staff came to the Library in the late spring. She made a very comprehensive survey of the past and the present, and in her lengthy report, outlined several needed items. We asked the Town for a new semi-automatic charging system which would speed up the work of the Children's Room. Mrs. Howard echoed that request in her report, and outlined needed changes on the desk in the Children's Room, and in the collection itself. We are very much indebted to Mrs. Howard for her fine survey. We installed the Charging Machine, and found that our work was greatly facilitated. But, even with the charging machine, and with the part-time assistants, the need was still seen for the renovation of the desk in the Children's Room.

In the matter of the work that we have been doing with the Schools of Stoneham, we can point with pride to being a mainstay of the "Reading for Pleasure" plan. As has been pointed out, our increase was almost 20,000. But the figures that Dr. Scarpitto quoted us, show that our books actually were used nearer a total of 100,000 times in the year just ended. We are proud that we could have been of this kind of service to the schools, and to the children. The coming year, we look forward to the resumption of story hours, of guided tours of classes through the Library, and of Miss Golding's visiting the Schools.

In the Children's Room, we have seen the fertile minds of the children of Stoneham, and have implanted the seeds that will serve them a lifetime. We are happy to have been a part of that implanting.

Other Library Activities

During the year 1958, the Library was one of the most popular used places in the Town of Stoneham. To get a date for any type of program has become almost impossible. The Friends of the Library make use of Library Hall every Monday, Tuesday, and Wednesday nights of the year. The concerts that we have held each year, have attracted a very loyal following. Furthermore the Library has served as a meeting place for the following organizations:

The Community Concert Association; The Stoneham Rotary Club; The Stoneham Ski Club; The Stoneham Garden Club; The Stoneham Chapter of The American Red Cross; The League of Women Voters; The Stoneham Visiting Nurse Association; The Stoneham Girl Scouts; The Stoneham Historical Society; The Stoneham Woman's Club; The Stoneham Auxiliary Police; The Stoneham Republican Town Committee; The United Fund; The Stoneham Community Council; The Daughters of the American Republic.

In 1956, it was a rare thing to have more than one meeting a day in Library Hall. Now it has become commonplace to have three meetings in one day. This is another indication of the use that is being made of the Library by the many people of Stoneham.

One of the main happenings in 1958 was the first national observance of National Library Week. This was held from March 16-22. As local Chairman of National Library Week, the Library was fortunate to secure the services of Mr. Charles Gibbons. During the week, the Library held its first amateur art exhibit, a "Pops" concert, and several other interesting programs.

The week of the National Library Week program was a busy one. As Chairman of the National Library Week, Mr. Charles Gibbons was here to open the week's activities with an open house that attracted over three-hundred people to the Library. Mrs. Gibbons was also a guest of honor, and assisted in pouring at the tea, along with the other lady members of the Board, and the wives of the gentlemen members of the Trustees. On this first day, the Friends' amateur art exhibit was opened.

The next day was designated as New Borrower's Day, and a great many people came in to see what the Library had to offer. On Tuesday, the Choral Group of the Friends had their first meeting in Library Hall. Wednesday night, the Friends had as their guest speaker, Professor John Holmes of Tufts University.

Mr. Holmes, a well-known poet, read from his own works, and then spoke to the group about his long association with Mr. Robert Frost, the famous New England poet. Thursday night, despite a late snowstorm, the Library had its first Pops concert, and

amidst the setting of the lovely works around them, the crowd enjoyed a great many of the most popular works of music.

These were some of the Library's other programs for the people of Stoneham. Many new ones are being planned for the coming year. We hope that even more people will avail themselves of the opportunities presented.

The Friends of the Library

1958 saw the mushrooming growth, and stabilization of the Friends of the Library as an organization of great merit in the Town of Stoneham. Their activities have been many and varied. Their work has always been of great value, and they have offered to the Town of Stoneham a wide and varied program of art, music, and recreation that few Libraries and Towns enjoy. They have constantly worked for the aim of making the Library the cultural center of the Community.

In the matter of art, the Friends had a great year. Three separate exhibits were held. The first was held in January. This exhibit was loaned to the Friends by the Shore Studio Galleries of Boston. Over 250 people came in to enjoy the paintings of artists like Kupfermann, Wallace Bassford, Gonzales, William Maynard, Loring Coleman and Ruth Cobb. Two months later, the first major amateur exhibit was held during the nation's first major observance of National Library Week. This show ran for one week, and to the surprise of all, brought out over eighty works of art by over forty local artists. This showing attracted some 500 people of Stoneham who realized the wonderful meaning of the exhibit — namely, that an unknown source had been tapped and revealed a great wealth of material. Then, in November, a third exhibit was placed in Library Hall. This exhibit was from the works of the Boston Printmakers Guild, and from members of the faculty of the Massachusetts School of Art. This showing ran for a week, and more than 200 found time to drop in and explore the world of art. One special note about the third showing: the Friends brought a speaker in to open the exhibit. He was Mr. Bartlett Hay, Curator of the Addison Gallery of Art, at the Philips Exeter Academy. Mr. Hay, with his true grace of the subject, and his able command of expression, gave the audience a most pleasurable excursion into the more complex nature and the enjoyment of art.

In the field of Music, the Friends have, as is well-known revived the Old Civic Chorus, and under the name of the Stoneham Choral Society, and with the motto "Singing for Pleasure" and under the most capable direction of Mr. Jerry Boisen, given pleasure to a great many. In May, the Choral Society gave its first concert in Town Hall. And, if you were one of the nearly five hundred who were there that night, you had a rare treat. This past Christmas, the Chorus made several appearances highlighted by their appearance on the Boston Common.

A third activity of the Friends has been the organization of a Chess Club that meets in the Library every Monday night. This group is the brain child of Mr. Joseph Zaitchek, and each Monday night the thirty to forty people meet in Library Hall and play chess. Not only is this for the expert player, but rather, it is for all players, whether they be old hands or novices. Men and women, old and young, ages ranging from eleven years to well over retirement age have been represented.

Another activity is the Great Books Discussion Group. This discussion series was started in 1957. It proved so popular, that this year, two groups have been formed, one for the first year, and one for the second year. The leading light here has been Mr. Morris Waters. Each group meets every other Wednesday night in Library Hall.

A fifth activity of the Friends has been its Square-Dancing program. Under the direction of Mr. and Mrs. Leslie Kannheiser, a large group of couples meet in the Colonial Park School on the first Friday of each month, and have a fine time dancing and enjoying each other's company.

And there's still more to be said. Last May the Friends had a night at the "Pops," in Symphony Hall. And the Friends have had an excellent group of speakers to attend their main meetings, the best-known of whom was Mrs. Emily Flint, the Managing Editor of the *Atlantic Monthly*.

These have been the activities of the Friends of the Library. I have been happy to have been a part of the Friends and the work they have done for the people of Stoneham. All that any of us ask is that more people of Stoneham take an active interest in the Friends and the programs that have been set up. We, at the Library, owe special thanks to the following: Mr. and Mrs. Fred E. Luborsky, now of Schenectady, New York (Mr. Luborsky was the first president of the Friends, and Mrs. Luborsky was one of its founders); Mr. and Mrs. S. N. Hedman (Mr. Hedman is the president of the Friends, Mrs. Hedman is co-chairman of the art committee of the Friends); Rev. Garth Van Nest, co-chairman of the art group. These are just a few of the people who have been responsible for the Friends and the work that has been accomplished. We, all of us, hope that more will join the Friends, and be more active in their support of the Library.

A Look to the Future

The future must always be in our mind. And, looking ahead we can see several places where this must be kept to the fore.

In the matter of physical space, the Library is already seeing the handwriting on the wall. We have had several days in which the children were forced to sit on the floor, because they had no place else to sit. This may seem quaint, but, for a child trying to study, it's not very good. Also, in the Young Adult Department, we have had nights in which we had a line of high school students

waiting to find a place to sit down. So, the problem of space is one that we must start thinking about now.

In another field, the newspapers are desperately in need of micro-filming. If we lose any of the papers, which are actually the best history of the Town of Stoneham, we lose a part of our history. Therefore, in the months to come, we must be making some sort of provision for this matter.

And there are other things that we will be needing. Naturally, as any business grows, the need for more implements grows. We will make it our usual practice to be thinking ahead in terms of the future, and our request for the items.

Thanks

It is not possible to thank all of the people that we are indebted to for their assistance in the year past.

First, let me thank the Girl Scouts of Stoneham for their help in the Library. They have come in with no idea of recompense and have worked as any member of the staff would.

Let me thank the Garden Club for their continuing, lovely decoration of the Library. Without their lovely efforts, the Library might well be a drab place.

My deepest thanks to members of the community that have contributed to the Library in the form of gifts of books, records, and newspapers and magazine subscriptions. These people have been more helpful than they can realize.

Thanks go to the Trustees, whose unflinching helping hand can be seen in everything that we have done.

And thank you, all of you, for the great opportunity that you have given me, and the reception you have given to our programs.

Library Statistics According to the Form of the American

Library Association

Name of Library	Stoneham Public Library
City and State	Stoneham, Massachusetts
Name of Librarian	James S. Healey
Date of Founding	March, 1859
Population:	17,000 (estimated)
Number of agencies	1
Number of days open	293 per year
Hours open each week	48 — 10 months 40 — 2 months
Number of volumes at beginning of year	37,868
Number of volumes added by purchase	2,394
Number of volumes added by gifts	35
Number of volumes withdrawn	430
Number of books at end of year	39,867

REPORT OF BUILDING AND WIRE INSPECTOR

January 16, 1959

To the Board of Selectmen and to
the Citizens of the Town of Stoneham:

The following is the annual report of the Building and Wire
Inspector for 1958:

Number of Permits

Issued	Nature of Permits	Fees Received
258	Building	\$ 2,317.00
517	Wiring	1,376.00
8	Elevator Inspections	16.00
4	Demolition	8.00
1	Removal	2.00

Total turned in to Town Treasurer \$3,719.00

Below is a break-down of the 258 Building Permits issued, giving
the estimated value of the work to be done, as shown on the
applications:

121 New Homes	\$1,334,500.00
103 Alterations and Repairs	159,465.00
22 Private Garages	24,345.00
7 Miscellaneous	63,750.00

Total Estimated Valuation \$1,582,060.00

Respectfully submitted,

BERNARD H. CORBETT
Building and Wire Inspector

REPORT OF THE FIRE DEPARTMENT

The following report of the Fire Department for the year 1958
is respectfully submitted.

The personnel of the Fire Department consists of: one (1)
Chief; three (3) Captains; three (3) Lieutenants; eighteen (18)
Privates; one (1) Mechanic; and five (5) call Firefighters.

The department answered 661 alarms in the past year of which
98 were bell alarms (17 of which were false); 15 mutual aid calls;
563 still alarms including 28 inhalator cases.

There were used at fires during the year 9,900 feet of 2½-inch
hose, 16,400 feet of 1½-inch hose, 22,900 feet of booster hose, 2,693
feet of ladders, 480 lbs. of CO₂, and one Ansul extinguisher,
seventeen water extinguishers, 1160 cubic feet of oxygen.

The amount of property endangered by fire was	\$1,897,397.00
The amount of property lost by fire was	56,037.50
The amount of insurance paid was	47,287.50
The net loss for the year was	8,750.00

During the year there were 42 complaints received which were investigated by the department, some of these with the cooperation of the State Fire Marshal's office and our local Building and Wire Inspector.

There have been 214 oil burner inspections, 7 liquefied petroleum gas inspections, 30 blasting permits issued and 14 inspections made in the retail business district of the Town during the past year.

Regular inspections have been made of all schools, nursing homes, Home for the Aged, and the New England Sanitarium and Hospital.

Fire Drills were conducted by the department at regular intervals in all the public and private schools during the year.

During the past year the members of the department have drilled with the equipment at various times throughout the year to remain thoroughly familiar with the equipment and the use of it.

The motor equipment consists of two (2) 750-gallon Seagrave pumping engines with auxiliary pumps capable of delivering up to a thousand pound pressure for use as a fog pump, a 750-gallon Seagrave pumping engine, a 100-gallon Seagrave pumping engine, a 200-gallon pumping engine, equipped with a 200-gallon booster tank, two 300-foot booster line reels and 1800 feet of 1½-inch hose, a 65-foot Seagrave Junior Aerial ladder truck, a Chrysler Chief's car and an aerial equipped Ford service truck for Fire Alarm use.

I wish to call to your attention at this time that Engine 4, a 200-gallon pumping engine purchased in 1945. should be replaced in 1960.

I recommend that a new Chief's car be purchased in 1959 and I also recommend that five (5) additional permanent men be added to the Department in 1959.

The Fire Alarm system is in good condition and I recommend that new underground cable be installed from Union Street to Elm Street in the near future.

I wish to express my thanks and appreciation to Mr. Donald J. Morrison, Supervisor of the Fire Department, and to the Board of Selectmen, for the cooperation shown by the Board in dealing with the problems of the Department.

In concluding this report, I wish to express my thanks and appreciation to the Police Department, the Building and Wire Inspector, Bernard H. Corbett, and all other Town officials, department heads and the officers and members of the Fire Department, and the citizens of the Town for their cooperation and assistance during the past year.

Respectfully submitted,
WILLIAM E. CROSBY
Chief of the Fire Department

ANNUAL REPORT OF THE PLANNING BOARD

To the Citizens of Stoneham:

The Planning Board organized for 1958 with Mr. Peter P. Savelo as Chairman, Mr. Thomas Leahy as Secretary, and Mr. Millard D. Taylor, Mr. Louis P. Vacca, as members, Mrs. Gertrude Mortensen earned the Board's gratitude for her efficient work throughout the year as office clerk.

Before the year was very old, the Board lost Wilbur Avery who moved to Florida.

The year continued to be a busy one from the standpoint of sub-division and development of land in several parts of Town, and applications for many "approval not required" signatures by the Board. The Board signed 31 such plans.

Thirty-nine meetings were held throughout the year for the many requests for meetings of miscellaneous and other nature. In addition to the 39 above meetings, three Public Hearings were held for the following sub-division developments:

Sunnyfield Development, a development off Green Street consisting of 25 house lots.

Buttonwood Road, a development off So. Border Road, consisting of 3 house lots.

Newcomb Road, a development off present Newcomb Road, consisting of 7 house lots.

Public Hearings were also held on two Zoning Articles appearing on the warrant for the Annual Town Meeting on March 10, 1958 as Articles No. 19 and No. 20. The Board recommended favorable action but at the Town Meeting both articles were defeated.

The Board wishes to extend its appreciation to the various Town officials, the Board of Public Works, and the many segments of the public who appeared at its meetings, for the fine co-operation displayed by all.

Respectfully submitted,
PETER P. SAVELO, Chairman
THOMAS J. LEAHY, Secretary
MILLARD D. TAYLOR
LOUIS P. VACCA
Stoneham Planning Board

Radio broadcasts will be made on WBZ, WEEI, WHDH, and WNAC.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Stoneham:

We are submitting to you the sixty-eighth annual report of the Superintendent of Public Schools to your School Committee.

The advent in October, 1957 of our new Superintendent of Schools, Dr. Michael Scarpitto, began a year of great activity for the School Committee. Since Dr. Scarpitto's arrival, the school system has seen the inauguration of many new ideas such as the Reading for Pleasure Program, an accelerated arithmetic program in the sixth grade, the study of French after school for selected elementary school pupils, a summer school program which was self-supporting, and additional academic subjects added to the curriculum of the adult education evening classes. He has also given enthusiastic support to the athletic program and has kept the staff informed of the work of the whole school system by means of his weekly "Superintendent's Bulletin." His reports to the public have drawn the attention of many citizens and educators far beyond the confines of Stoneham. Large newspaper articles complimentary to the work of the Stoneham Public Schools have appeared in the Boston Globe and the Christian Science Monitor. Interested citizens are now attending school committee meetings which have always been open, but not so well attended by the public. It has been a rewarding experience to work with such an imaginative, dedicated educator as Dr. Scarpitto.

Of course, all this has meant more work for the School Committee. Several meetings in addition to the regular monthly meetings have been held for the purpose of studying and making long-range plans. They have also attended many meetings of the Massachusetts Association of School Committees throughout the State and have been present at many of the extracurricular activities connected with the schools.

Two new members were elected to the School Committee in March, 1958 — Messrs. Edward H. Adzgian and Hugh R. Boyd. These men have given unstintingly of their time and talents for the continued improvement of the Stoneham school system.

Last year the Town of Stoneham allowed the School Committee \$22,000 with which to construct a shop area in the Junior High School. As a result, beginning in September, 1958 an exploratory industrial arts program was offered in grades seven, eight, and nine. Thanks to the two "work bees" performed by a large group of interested citizens, not only was the space for a shop area cleared, but also their work made it possible, at a minimum of expense, to create two sizable classrooms that are now in use for the overflow from the Emerson School. The School Committee is asking in a Special Article at the next Town Meeting for an appropriation of \$25,000 to rewire the entire Junior High School building. It is

the desire of the Committee to bring this building up to standard over a period of years by small annual appropriations rather than to burden the Town with an additional bond issue.

The School Committee wishes to express its sincere appreciation to other town departments for their cooperation in furthering the school program. Our thanks are extended to the Recreation Division of the Board of Public Works for its activity in organizing basketball for elementary and teen-age youngsters on Saturdays. Our special thanks are due the Stoneham Public Library, the librarian and library staff for their wholehearted support of the Stoneham Reading for Pleasure Program in the schools. This program has placed a heavy burden on the library staff, for according to figures, over 150,000 books were issued and read during the past year. Already the effect of this program has become evident. Many young students have been aided in choosing a career early because of interest in a particular subject. Grades have been improved, and in many cases behavior problems have lessened. It is almost common knowledge in Stoneham that there is increased intellectual tone to the whole school program.

The adult education evening school program has been broadened to include courses in Italian, mathematics review, physical fitness, public speaking, and mechanical drawing. The School Committee is always anxious to cater to the educational needs of the adults in the Stoneham Adult Education Evening School program and looks with favor upon offering additional subjects wherever a definite need has been shown. We are pleased with the Americanization program which has continued to instruct alien students. The School Committee is particularly pleased with the efforts of the Americanization teacher to reach all aliens in the town to assist them on their path to citizenship.

The School Committee wishes to thank the voters for the appropriation of funds to construct the ten-room addition to the Robin Hood School. It was most gratifying to receive a unanimous vote for the first time in the history of Stoneham. This school addition which is scheduled to be ready for occupancy in the fall of 1959 should alleviate the school housing problem for the time being in at least two school districts.

The School Committee is not only vitally interested in the intellectual development of the pupils within the school system but also wholeheartedly endorses other cultural activities within the town such as art exhibitions, community concerts, great books discussion groups, and other activities which are having such a stimulating effect on the community.

The School Committee's gross budget request for 1959 is \$963,739.01, an increase of \$116,166.81 over the previous year. The total receipts due Stoneham from State Aid and from other sources for all school purposes will be \$142,914.82. This figure, deducted

from the gross budget request, leaves a net amount of \$820,824.19, or a net cost over last year of \$116,166.81.

The members of the School Committee wish to thank especially the teachers who basically are responsible for the education of the children. Good teachers are the prime requisite for any good school system. In addition, the School Committee extends its appreciation to the administrative staff, the various school councils, parent-teacher associations, the building committees, the survey committee, and to the many citizens interested in better education for their loyal support and cooperation during the past year.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee:

My second report to you is based partly on my observation and study of the Stoneham schools and partly on reports submitted to me by my co-workers.

Philosophy

Since a philosophy of education is the framework around which one builds an educational program, we should be always cognizant of this philosophy. Our philosophy then becomes the motivating force and a goal for our educational program. Some of the main purposes of the Stoneham schools include development of intellectual curiosity, respect for knowledge, transmission of the cultural heritage, and maximum academic achievement of each pupil commensurate with his ability.

As a result of the good work of the staff, the increased emphasis on intellectual development, and an increased effort on recruitment, we have been overwhelmed with candidates, a large number of whom have been exceptionally well prepared for teaching.

Staff

Our 1959 budget provides for additional staff members at all grade levels to meet the needs of an increased enrollment.

In keeping with practices now prevailing almost in all large schools in every community, we hope to add a full-time supervising principal at the Robin Hood School when it reopens in September as an eighteen-room school.

Last year we added two new members to the staff of the elementary schools and increased the time of a music teacher from one-half to full time.

In addition, we added a new staff member to the physical education department. He is also assistant varsity football coach.

Some changes in the staff include the promotion of Mr. Daniel W. Hogan, Jr. to the principalship of the Junior High School to fill the vacancy caused by the resignation of Mr. Francis G. Driscoll and the promotion of Mr. Martin Martinian to the directorship of the guidance department to succeed Mr. Hogan. Both Messrs. Hogan and Martinian are well prepared for their new assignments.

Some Noteworthy Achievements

Because of the exceptional cooperation of the staff, School Committee, pupils, parents and citizens, we believe that we have made progress in several areas.

We are constantly trying to improve our instruction. We have adopted more uniform methods in marking and in evaluating the work of the pupils. Our Stoneham Reading for Pleasure Program continues to make progress. Our self-supporting summer school was very successful. The course offerings in the adult evening classes have been broadened. Our French program in the elementary schools has been acclaimed and copied elsewhere. Our citizens have become more cognizant and interested in the work of the schools. Our schools were described in articles appearing in the Christian Science Monitor on October 20, 1958, the Boston Globe on December 17, 1958, and the Boston Traveler on January 29, 1959. Reprints of the article in the Christian Science Monitor appeared in the Little Rock, Arkansas Gazette on January 26, 1959, and in the Hickory (North Carolina) Daily Record. We received numerous requests for materials or for permission to visit our schools. Our public relations program has helped us in many ways, especially in the recruitment of new staff members.

An increased number of our graduates are being admitted to colleges. Increased provisions are being made for the more talented pupils.

After an agonizing re-appraisal, we have taken some steps which we hope will lead to the improvement of our athletic teams. We have made some progress.

Our physical plant is being improved because of increased funds for the maintenance department.

We are especially pleased with the increased number of classrooms we shall have in the fall as a result of the Robin Hood School addition.

ELEMENTARY SCHOOLS

Language Curriculum

After two years of professional endeavor in the field of the language arts, the elementary staff has finished a course of study in this area. The scope of this new curriculum is fourfold, covering listening, oral expression, written expression and reading. In each of the elementary grades pertinent suggestions and plans are made to help the teachers to develop good listening skills and the improvement of the pupils' oral and written expression. To stimulate extensive reading, bibliographies of books which children enjoy at specific grade levels are included. Suggestions for directing choral speaking and hints for teaching spelling are incorporated in this outline. For better instruction in the language arts, this language guide will be valuable and exceptionally helpful.

The Gifted Child in the Stoneham Elementary Schools

For many years the Stoneham classroom teachers have met the needs of the gifted children by enrichment of the curriculum in their classrooms. Enrichment was provided through library reading, research projects and various creative activities.

During this past year we have instituted two pilot programs for the gifted — conversational French in the elementary schools, and acceleration in arithmetic. The French program is conducted on an after-school basis. Close to two hundred pupils were selected by the guidance department and regular teachers.

We are continuing the program in grades four and five. The lessons included not only conversational French but also a study of French life and culture. A part of the hour was devoted to the latter, the singing of French songs and the playing of French games.

Thirty sixth grade pupils took advanced work in arithmetic the last three months of the spring of 1958. This was accomplished through grouping in the regular classroom during regular school hours. It is hoped that this accelerated group will make more rapid progress in mathematics and thus be able to elect more advanced work in mathematics before their graduation from the senior high school and their entrance to college.

JUNIOR HIGH SCHOOL

The junior high school has continued to improve its scholastic program by continuous re-evaluation of the present offering. An advanced mathematics group in grade seven has been developed as a result of an accelerated program in the sixth grade last year. A science committee has been working to establish better articulation in science at all levels in the schools. As a result of the above projects, it is anticipated that algebra may be offered to certain pupils in grade eight next year, and either biology or physical science may be offered in grade nine. The addition of a shop in the Junior High School has allowed for an increase in the shop

program. The completion of a shop unit to handle woodwork and printing has given breadth to our offering.

Renovation work to modernize the building has been a major part of our maintenance program. Eight classrooms were painted, new lighting fixtures were installed in five rooms, and four corridors were improved by covering floors with asphalt tile. A new health unit was constructed to provide facilities for improved emergency care. Two rooms were added as a result of the "work bees" a year ago. These two rooms were used for sixth grade pupils from the Emerson School district. It is anticipated that they will be used by the junior high school next year.

The magazine, "The Nucleus," published last spring, has been revamped and expanded in scope and it will be published this spring as a yearbook.

HIGH SCHOOL

We are continuing our emphasis on strengthening our academic program and are working on curriculum revision.

We are providing a full program in science and mathematics. We have introduced a course in advanced mathematics which includes introductory calculus and analytic geometry. Refresher mathematics has replaced consumer mathematics.

The science program has been greatly helped by the reference material supplied by the National Association for the Advancement of Science. In addition, some materials for use in physics were received from the Civilian Defense Agency.

We are continuing our emphasis on composition work in the English department. Greater emphasis is being given to outside reading in the belief that an extensive knowledge obtained from reading can be helpful to anyone, and especially to those who plan to attend college.

Our business education department continues its good work in preparing its best students for excellent positions in various industrial and commercial establishments. Positions of lesser importance are found for the less able students. Closer correlation between the business education department and the English department is proving more beneficial to all concerned.

The social studies department is continuing its emphasis on a broader understanding for pupils to help them understand a "living in one world philosophy" rather than in a limited national sphere. The staff members and pupils of the social studies department have participated in numerous out-of-school projects.

Staff members of our language department have been working together to develop better articulation between the junior high school and the high school programs.

Our library has continued to keep pace with demands. New reference sets have been added. These include *Book of Popular Science*, *Collier's Encyclopedia*, *New Century Cyclopedia of Names*, *Illustrated History of English Literature*, and the *Reference Shelf* which is a collection of six volumes of reference material. The library has been of great help in our outside reading program.

The guidance department has been very helpful. This department works closely with our high school administrators and staff in assisting our students in the many problems related to adjustment, college admission or obtaining employment.

We have adopted greater uniformity in marking and evaluating students. We are pleased to report that more testing of pupils is being done soon after the material has been studied and discussed. This frequent testing is conducive to more serious application by students. The continuance of midyear and final examinations has also been more conducive to increased studying.

An increased number of students are taking college board examinations to meet college entrance requirements and to qualify for scholarships. Many colleges recommend that students in the junior year take the examinations. Results from college board examinations correlate rather well with the quality of work done by the students in high school. This is likewise true of college grades obtained by our graduates. We send for the college grades to study how well we prepared our students for college.

As a result of numerous factors and especially the increased emphasis on the value of intellectual curiosity and acquisition of knowledge, a larger number of our graduates are continuing their education in colleges, universities or other schools beyond high school. Last year students representing forty-one per cent of the class of 1957 continued their education. Of the class of 1958 (174 members) students representing fifty per cent of the class continued their education.

Among the numerous colleges attended by our June graduates are Antioch, Boston Conservatory, Boston College, Boston University, Bucknell, Florida State, Framingham State Teachers' College, Ithaca College, M.I.T., Norwich University, Plymouth (N.H.) Teachers' College, Simmons College, Tufts University, University of Massachusetts, University of Maine, and West Virginia Wesleyan.

Art

We believe that art is for all children since each one needs to interpret and express in his own way what he sees, feels, hears and reads in whatever technique he is capable of using. These art experiences help to refine his emotional life; increase his skill; give him a sense of achievement, of understanding, of belonging to a group, as well as a greater respect for the works of others.

We have tried to have all of our pupils in Stoneham, at every age level, participate in creative art experiences.

Our elementary teachers have found ways of using art to help our children to understand their community by seeing that with each lesson the pupil's thinking and feeling is extended so that his drawing or painting shows development of observation and understanding of home and community.

Small children never lack for creative ideas and will continue to participate wholeheartedly in creative projects if someone along the line does not stifle it by making fun of their attempts or by suggesting that they reproduce adult ideas.

Art helps tremendously to bridge the gap between childhood and adulthood. In junior high school we stress exploration of abilities rather than specialization.

Each year a larger number of pupils elect art in the high school where we have a well-planned and adequate art room for all to experiment with creative drawing and painting as well as crafts such as silver jewelry, leather craft, enameling, ceramics, textile painting, block printing or paper sculpture. There are great demands on art from inter-school groups today, two of the most frequent being calls for posters or decorations in any or all fields related to education in school and community. The increasing awareness of the value of visual education as an aid to learning has enlarged these requests in recent years.

Among correlated high school activities this year were posters made for all sports, school plays and musical concerts, as well as decorations for all dances and proms, corridor display cases, signs for P.T.A. and Boosters Club, and illustrations for the senior year-book. Innumerable flower arrangements were made for such things as meetings, school programs, banquets and graduation activities. The high school art department designed and constructed the scenery, properties and program covers for the annual Carnival Ball.

Safety and health posters were made in all elementary schools. Our children made many murals correlated with social studies, devices for reading for pleasure and posters for our book fair.

Field trips were taken by high school students for sketching out of doors and for visiting art galleries and schools.

An art workshop was held in Stoneham this year. It helped all of our elementary teachers, who were most cooperative and who enthusiastically gave a great deal of their time to develop new ideas in art training.

Attendance

The number of truancy cases has continued its downward trend. This is due in no small measure to the diligent efforts of

the principals and other members of our staff who are directly connected with pupil control.

Four cases were reported for investigation and the majority was of a minor nature.

Cafeteria

The cafeteria program is really forging ahead, and we are most pleased with the growth. The high school shows an increase of six per cent and the junior high school seven per cent in the number of students eating at the cafeteria.

At the junior high school the addition of a dishwashing room with a dishwashing machine, and the addition of an adequate store-room make a tremendous difference in our work. Without the new dishwasher it would have been very difficult to work efficiently. It is much appreciated by all connected with the cafeteria.

As an attempt to improve our service and increase student participation in the program, the cafeterias served a typical school lunch to parents at a P.T.A. meeting.

We are grateful for the aid we receive from the Federal and State governments.

Guidance

The guidance department has continued to offer services to students, administration and parents despite the shortage of a counselor.

Services in counseling, academic and vocational assistance, placement and testing are employed daily.

The current testing program, which was revised to develop a continuing twelve-year plan under one director, was expanded in that the school and college ability test is now also given to sophomores. This supplements the already test-filled program of intelligence tests, Iowa Tests of Basic Skills, achievement and cooperative tests.

Guidance classes in grade eight and ten continue to offer both academic and vocational guidance to students. The course in grade ten is geared to meet the different needs of the various students in the college, business and general courses.

The elementary schools are benefiting from counseling this year, as last year, although only in maladjustment instances.

Follow-up studies of students graduating from the Stoneham school system are continuing. This includes a study at one, two, three and five-year intervals. The number of students pursuing further studies is continuing.

Health

The health department was staffed by two full-time nurses and a half-time nurse for the first half of the year. This staff completed annual hearing and vision testing and weighing and measuring of all children in the public schools. As a result of the hearing testing, fifty-five children were referred for medical attention. Thirty-two of these received the necessary attention. There were 210 referred who failed the vision test. Of these, 139 received medical attention as a result of referral. It was necessary for the nurses to follow up several of these referrals to encourage correction of defects.

Dr. Henry Leavitt, school physician, examined 878 children for routine physical examinations, out of which 173 of these were referred for further diagnoses or treatment to a private physician, clinic or other facility. Seventy-eight of these completed referral as revealed by the nurses' follow-up. Follow-up is an important phase of school health work.

In the spring, 110 students were examined by the school physician with necessary referrals to the family physician. In addition, twenty pre-school children were also examined. Physical examinations were given to students who participated in the sports program.

In cooperation with the Stoneham Board of Health, the Mantoux Tuberculin Test was administered to 389 children in grades one and eleven revealing six positive contacts in our schools which were referred to the Middlesex County Sanatorium for further study.

A dental survey, requested by the Massachusetts State Dental Division, was completed in the junior high school and the high school by the nursing staff. This survey revealed 133 students needing dental care, 499 receiving dental care and 44 students without dental defects.

The Massachusetts Heart Association requested our cooperation in the distribution of 100 questionnaires in regard to rheumatic fever. This survey was conducted by Mrs. McHugh among fifth graders in three of the elementary schools.

The School Health Council, organized in October, 1957, continued to meet this year and was instrumental in obtaining a Speech Survey which is being conducted in all grades by speech therapists from Emerson College.

Volunteer workers have graciously assisted the nurses by weighing and measuring the children during the screening program.

The nurses have attended state and local conferences regarding school and community health.

Music

The music program in the elementary schools includes many experiences that enrich the child's life. Participation in music reading, singing, playing, listening, rhythmic and creative activities contribute to the musical growth of our boys and girls.

The varied activities enjoyed in the elementary program are continued in the general music classes in grades seven and eight.

The orchestra and band comprised of pupils from the advanced instrumental classes of the elementary schools continue to make progress.

The string instruction program has expanded to such a degree that it is necessary to increase the number of days in the elementary schools and to add time for the development of orchestra in both the elementary schools and the junior high school.

At the suggestion of Dr. Scarpitto, we are conducting assembly singing for each class in the high school. In this manner everyone is participating in music. The other music organizations scheduled in the high school include the girls' octet, mixed glee club, orchestra, band and dance band. These groups perform for many school and community functions. Several members participated in the all-state music festival at Springfield, the all-district concert at Lexington, the north-eastern festival at Winchester and the Christmas festival at Boston.

Physical Education and Athletics

The chief aim of the Department of Physical Education and Athletics is to help the student develop the physical aspects of a sound personality as it relates to his eventual place in society.

On the elementary level, maximum activity occurs during the fall and spring when physical education classes are conducted out of doors. Playgrounds are suitably marked for varied games and most grounds are equipped with basketball goals. Limited play space indoors during the winter confines activities to quiet games, dances and skill drills which will not interfere with adjacent classes.

An organized program in touch football on an inter-school competitive basis was carried on in the elementary schools. This terminated with a Father-Son Athletic Banquet at the high school. A plaque signifying a championship was awarded to the South School by the Stoneham American Legion, Post 115.

A limited program in basketball for the grades is carried on at the high school and at the North School, where the gym was made available by transfer of one grade to the Colonial Park School.

The program at the junior high school and the high school for girls and boys provides a wholesome, well-planned, full-year activity with a three-season intramural program.

The athletic department continues to strive for competent performance in all sports. The coaching staff, working generally with limited members in some sports, does an efficient and commendable job, all things being considered.

A word of appreciation must be included here for the excellent work done by our elementary school teachers in physical education.

Maintenance of Physical Plants

Many repairs have been made and many improvements accomplished to aid in the operation of the buildings. The appearance of several buildings has been improved by painting eight classrooms at the South School, and the fire escapes and eight classrooms at the Junior High School. In addition, our men have painted exterior window sills and doors at the High School and the Colonial Park School. At the Junior High School lockers have been painted. The kitchen and two sixth grade rooms, a third floor room and various other areas have been redecorated.

All playgrounds have been equipped with basketball backboards which have been painted a uniform color and games have been painted on the hard-surfaced areas.

At the South School the hot-top playground has been doubled in size improving the facilities greatly. An excellent basketball upright was donated by a local family and this has been installed and painted.

All of our playgrounds are much in use and greatly appreciated by the children and the public.

Two much-needed classrooms were made from the old girls' shower area in the Junior High School. These are now in use as temporary sixth grade rooms.

A health room was also added to the Junior High School and is located next to the nurses' office. This room is in daily use. New lights have been installed and the room and all fixtures have been painted.

Additional fire extinguishers have been installed in the buildings and all toilets now have new soap dispensers.

At the East School, new dressing rooms were constructed and the front walk repaired.

Some corridors have been improved with asphalt tile and one ceiling has had acoustical tile applied at the Junior High School. New shades were installed at the Junior High School and the Emerson School.

Schools with old electric stoves have all had two new top burners installed for more efficient service.

Shrubs and grounds have been taken care of by custodians. Broken windows, locks, motors, furniture, lockers and many other projects have been repaired by our own men.

A light has been installed to show the sign on the High School building which also gives added light to the steps at the front of the building.

Stoneham schools are in good condition and we hope to maintain this condition. Definite immediate and long-range plans are being followed to improve the condition of the buildings.

Future Plans

We would like to call to your attention the need for:

- 1 More classroom space especially at the North School.
- 2 Rewiring of the Junior High School.
- 3 Improvement of the Junior High School gymnasium.
- 4 Improved home economics facilities at the Junior High School.
- 5 Truck for school department use.

Our program should provide:

- 1 Revision of plans to qualify our home economics department for Federal Aid under the Dean Act.
- 2 Continuance of survey of school building needs.
- 3 Inclusion of public school kindergartens.

Conclusion

If we have made any progress during the past year, most of the credit can be attributed to the excellent cooperation that the superintendent has received from many groups, e.g., School Committee, staff members, administrative assistant, office personnel, pupils, parents, and citizens. Thanks are also extended to the Survey Committee, the Robin Hood School Building Addition Committee, the Executive Committee of the School Councils, the individual school councils, the Parent-Teacher Associations, the Trustees of the Stoneham Public Library, and to the local newspapers, i.e., the Stoneham Independent and the Stoneham Press. Special thanks are due to the teaching staff so well directed by the principals and supervisors. The support and cooperation of the staff members who are so indispensable in achieving our goals are greatly appreciated.

MICHAEL SCARPITTO, Ph.D.
Superintendent of Schools

Summary of Maintenance Division Salary Recapitulations

1	2	3	4	5	6
	Salary Rate School Year	Increments Affecting Calendar Year	Increments Affecting School Year	Salary Rate School Year	Total Salary for Calendar Year
Legend					
A	Column 2, School Year 1958-59; Columns 3 and 6, Calendar Year 1959; Columns 4 and 5, School Year 1959-60	\$5,800.00	\$450.00—	\$300.00—	\$5,350.00
B	Column 2, School Year 1957-58; Columns 3 and 6, Calendar Year 1958; Columns 4 and 5, School Year 1958-59	5,600.00	100.00	200.00	5,700.00
C	Difference	\$200.00	\$350.00—	\$100.00—	\$350.00—

Column A2 represents a salary of \$5,200, plus \$600 for care of grounds. This \$600 has now been transferred to the operational salary account because the work is to be done by custodians.

Column A3 represents the reduction of \$600 because of the transfer of this item, less a \$150 increment affecting the 1959 budget.

Note: Column A5 will be Column B2 next year, and it will affect the 1960 budget; however, this figure will be different if there are staff or salary changes.

	1958 Appropriation	1959 Budget Request
1959 Requests:		
(A) Repairs, Replacement, and Upkeep of Educational Equipment:		
Elementary Schools	\$ 848.00	\$ 90.00
Junior High School	969.00	1,518.00*
Junior High School (70 desks at \$20, \$1,400 — 1959)	905.72	1,400.00
Senior High School:		
Repairs to typewriters	\$200.00	
Trade-in of four typewriters	510.00	
Replacing typewriter covers and pads	35.50	2,675.00
Music Department	690.00	745.50*
Physical Education Department	130.50	744.00*
Athletic Department	130.50	110.00
Athletic Department	1,065.00	0.00
Cafeteria	336.30	0.00
Superintendent's Office:		
Trade-in on ten-year old IBM typewriter	0.00	240.00
Trade-in of Monroe Calculator	0.00	775.00
Maintenance service to typewriters and other office machines	0.00	85.00
Totals	\$7,619.52	\$5,707.50

* This represents a combination of small items, none of which is \$500.00 or over.

1958 appropriation	\$7,619.52
1959 budget request	5,707.50
Difference	\$1,912.02 less

Last year maintenance items for the cafeteria and the athletic department were included in this category. This year they have been transferred to auxiliary agencies miscellaneous in accordance with instructions of the State Department of Education.

**(B) Repairs, Replacement, and
Upkeep of Physical Plant:**

	1959 Budget Request
Four flushometers at South School	\$ 175.00
Rebuild cesspool or septic tank — East School	450.00
Paint all toilet areas at Emerson School	270.00
Repair seven counter tops at basins — R. H.	375.00
Repair fence — Colonial Park School	110.00
Rotary lawn mower — Junior High School	70.00
Shades for five rooms — Junior High School	280.00
Repair P. A. system — Junior High School	250.00
Asphalt tile for second floor corridor — J. H. S.	190.00
Rotary lawn mower — Senior High School	70.00
Install three locks in music room — S. H. S.	100.00
Install fluorescent lights — Superintendent's Office ...	200.00
Travel allowance for Supervisor	200.00
Maintenance of truck and other motors	250.00
Paint six classrooms and corridors — East School	1,940.00
Paint eight classrooms and corridors — Emerson	3,500.00
Paint exterior — Robin Hood School	500.00
Paint seven classrooms (completion) — J. H. S.	1,580.00
Replace portion of roof at south end — J. H. S.	1,500.00
Install clock system — Junior High School	3,000.00
Install plumbing and gas in Room No. 301 —	
Junior High (Sewing and Cooking)	800.00
Wire and install electrical equipment in	
Room No. 301 — Junior High School	580.00
Replace five-horsepower motor for ventilator fan —	
Junior High School	500.00
Resurface blackboards in all schools	500.00
Plumbing and electrical — all schools	
(calculated emergency)	1,000.00
Batteries at Robin Hood School	600.00
Toilet and lavatory for health room — J. H. S.	1,000.00
Maintenance of all schools and repairs to	
equipment and buildings — all schools	
(calculated emergency)	5,000.00
Total	<hr/> \$24,990.00

1959 budget request	\$24,990.00	
1958 appropriation	14,460.00	
Difference	\$10,530.00	more
Brought forward — Total of (A)	\$ 5,707.50	
Total of (B)	24,990.00	
Total for all maintenance items	\$30,697.50	
1959 budget request for all maintenance	\$30,697.50	
1958 appropriation	22,087.52	
Difference	\$8,609.98	more

Some of the items included in this year's maintenance budget request were deleted in the past, and we feel we should include them now.

AUXILIARY AGENCIES

	1958 Appropriation	1959 Budget Request
Library:		
Elementary Schools	\$ 500.00	\$ 700.00
Junior High School	500.00	500.00
Senior High School	1,150.00	1,300.00
Totals	\$2,150.00	\$2,500.00
1959 budget request	\$2,500.00	
1958 appropriation	2,150.00	
Difference	\$350.00	more
because of needed encyclopedias in the elementary schools and more reference books in the high school.		
Health Division:		
Salaries		\$13,088.86
1959 budget request	\$13,088.86	
1958 appropriation	12,483.36	
Difference	\$605.50	more

Year 1959-60
- B** Column 2, School Year 1957-58;
Columns 3 and 6, Calendar Year
1958; Columns 4 and 5, School
Year 1958-59

C Difference

	2	3	4	5	6
	Salary Rate School Year	Increments Affecting Calendar Year	Increments Affecting School Year	Salary Rate School Year	Total Salary for Calendar Year
	\$13,250.00	\$161.14-	\$50.00-	\$13,200.00	\$13,088.86
	12,050.00	433.36	1,200.00	13,250.00	12,483.36
	\$1,200.00	\$272.22-	\$1,150.00	\$50.00-	\$605.50 +

Note: Although increments have been included for three employees in this group, the reason Column A3 shows a minus account is that the increases have been offset by the amount reduced because one position has been vacant since September; also, another change affecting this account is that one employee will be on two-thirds time from September, 1958 to June, 1959, and on half-time from September, 1959 to December, 1959.

Column A5 will be Column B2 next year, and it will affect the 1960 budget; however, this figure will be different if there are staff and salary changes.

	1958 Appropriation	1959 Budget Request
Other Expenses:		
Nurses' travel and insurance on cars	\$650.00	\$519.96
Supplies	500.00	785.50
Totals	\$1,150.00	\$1,305.46
1959 budget request	\$1,305.46	
1958 appropriation	1,150.00	
Difference	\$155.46	more
because of more supplies needed on account of increased enrollment.		

Transportation:

McIntire Bus Lines, Inc. (\$30 per day × 180 days)	\$5,400.00	\$5,400.00
Potter's Taxi (\$15.70 per day × 180 days)	2,520.00	2,826.00
Sweet's Taxi (\$4.50 per day × 180 days)	1,278.00	810.00
Deviation from regular schedule which will require an additional bus each time:		
(a) Elementary schools 4 times		
(b) Junior High School 1 time		
(c) Senior High School 1 time		
(d) St. Patrick's Parochial School 13 times		
19 × \$5.00	0.00	95.00*
Transportation of North School 5th grade to Colonial Park School, 94 days at \$8.00	0.00	752.00*
Transportation of Junior High School pupils to Science Museum, guidance tours, Boston Common for Christmas program	108.00	180.00
Transportation of Senior High School pupils to social studies field trips	0.00	50.00

Transportation of Senior High School pupils to Boston Common for Christmas program	0.00	50.00
Three buses to transport art division students to art museum	81.00	75.00
Transportation of music students to the Northeastern Music Festival	81.00	100.00
Total for transportation items	\$9,468.00	\$10,338.00
1959 budget request	\$10,338.00	
1958 appropriation	9,468.00	
Difference	\$870.00	more
because of items starred.		

Tuition:

Tuition of four Stoneham pupils attending the Trainable Class in Wakefield — 4 × \$500 (present tuition rate)		\$2,000.00
Tuition of Clayton Coffen at the Reading Institute at Boston University — 8 months at \$30.00 per month		240.00
Estimated tuition of a student in the Children's Medical Center and others that may need to be hospitalized during 1959		300.00
Total for tuition	\$1,540.00	\$2,540.00

*Last year's individual items not the same as this year's, so only totals for 1958 given.

1959 budget request	\$2,540.00
1958 appropriation	1,540.00
Difference	\$1,000.00 more

The tuition item is one that we cannot control. State regulations make it compulsory for the town to provide education at special institutions to those who are physically and mentally handicapped. It is possible that all this amount may not have to be used.

	1959 Budget Request
Miscellaneous:	
Elementary schools in-service expenses	\$350.00
Junior High School:	
In-service expenses	100.00
Assembly programs	150.00
Student handbooks	200.00
Membership in organizations	15.00
High School:	
Graduation expenses	500.00
Social Studies Department special program expenses	58.00
Senior tea	150.00
Assemblies	200.00
In-service expenses	250.00
Driver-training course expenses	500.00
Survey supplies	30.00
Guidance Department in-service expenses	30.00
Music Department:	
In-service expenses	170.00
Insurance on instruments	20.00
Athletic Department:	
Cleaning and repairing	1,450.00
Football insurance	1,410.00
Dues in organizations	155.00
Liability insurance for coaches	40.00
Sundry supplies	5,612.00
Cafeteria	458.15
Liability insurance for administrators	50.65
In-service expenses for those not included above	100.00
New England School Development Council dues	343.44
Express charges	400.00
Evening school closing exercises expenses	50.00
Total	\$12,792.24
1959 budget request	\$12,792.24
1958 appropriation	10,128.42
Difference	\$2,663.82 more

Some of these items were postponed last year. We find it necessary to include them this year; also, two accounts — athletic division items, and cafeteria division items — have been transferred from the maintenance account and included in this account. This transfer is in accordance with the regulations of the State Department of Education.

OUTLAY

* These represent a combination of small items, none of which is \$500.00 or over.

SUMMARY OF GENERAL BUDGET

Grand total for salaries:

Instructional and General Control	\$681,127.47
Operational	61,050.00
Maintenance Division	5,350.00
Health Division	13,088.86
<hr/>	
Total	\$760,616.33
Expense items exclusive of New Equipment	152,564.13
New Equipment items	12,159.95
<hr/>	
Total for General Appropriation	\$925,340.41

SPECIAL APPROPRIATIONS

1959 budget request	\$11,213.60
1958 appropriation	11,211.56
<hr/>	
Difference	\$2.04 more

Last year one teacher was on military leave. The retirement due on the salary he would have received had he been teaching was \$72.00. This year an amount of \$53.60 will be due on the retirement of another teacher who was in the service. It is compulsory for the School Department to pay this item.

The increase for trade schools is due to the necessity of allowing more for trade school tuition. We have no control over this item because the State regulations require that the tuition of residents be paid at the State-aided vocational schools. The rates in these schools have increased; also, requests for admission have increased. The amount of \$4,000.00 in the 1958 budget will not be enough for this year.

SPECIAL ARTICLES

1959 budget request	\$27,185.00
1958 appropriation	25,500.00
<hr/>	
Difference	\$1,685.00 more

Two articles have been included — one for rewiring of the Junior High School which should not be postponed; the other, a truck for the general use of the School Department. A truck was included in our 1958 budget but was not approved. It is hoped that this year we may have it.

Receipts Affecting 1959 Budget

Receipts for school year 1957-58:

1 State Aid, General Laws, Chapter 70	\$132,283.96
2 State Aid, Americanization	187.00
3 State Aid, Trade Schools	1,419.02
4 State Aid on account of classes for the mentally retarded	4,390.15
5 State Aid on account of classes for the physically handicapped	367.26
6 Tuition of State Wards	1,912.50

7	Tuition of Wards of the Youth Service Board	554.02
8	Tuition of non-resident pupils in day school	326.55
9	Tuition of non-resident pupils in evening school	100.00
10	Tuition of non-resident pupils in Americanization classes	250.00
11	Balance from registration deposits of evening school pupils	398.00
12	Balance from book deposits of evening school pupils	4.00
13	Receipts from rental of school buildings	150.00
14	Miscellaneous cash turned in to Town Treasurer	572.36
		<hr/>
	Total receipts for 1957-58 school year	\$142,914.82
	Total receipts for 1956-57 school year	131,572.49
		<hr/>
	Difference	\$11,342.33+
	Gross budget submitted for 1959	\$963,739.01
	Receipts which will reduce cost to Town	142,914.82
		<hr/>
	Net Cost	\$820,824.19
	Gross budget request for 1959	\$963,739.01
	Gross budget appropriated for 1958	847,572.20
		<hr/>
	Difference ..	\$116,166.81+

Explanation of State Aid Figures for 1959

CHAPTER 70, GENERAL LAWS

2989 pupils at \$130.00 (State's allowance per pupil) ...	\$388,570.00
Less \$6.00 per \$1,000 of State's equalized valuation of Stoneham which is \$16,420,347.00	98,522.08
	<hr/>
	\$290,047.92
One-half of \$290,047.92 which is the actual allowance paid by the State	\$145,023.96
	<hr/>
State Aid due Stoneham for 1959 account	\$145,023.96
State Aid for 1958 account	132,283.96
	<hr/>
Increase over last year	\$12,740.00

(from Athalia) Mendelssohn

High School Orchestra
Rolland Tapley, Conductor

(The audience will remain seated as the graduates enter the hall.)

Class Marshals

Susan LaPointe, Class of 1959
Thomas Muse, Class of 1959

Graduation Hymn (the audience uniting) Hemy-Walton

FAITH OF OUR FATHERS

1

Faith of our fathers, living still
In spite of dungeon, fire and sword,
O how our hearts beat high with joy
When'er we hear that glorious word!

2

Faith of our fathers, we will strive
To win all nations unto thee;
And through the truth that comes from God
Mankind shall then indeed be free.

3

Faith of our fathers, we will love
Both friend and foe in all our strife,
And preach thee, too, as love knows how
By kindly words and virtuous life.

Refrain:

Faith of our fathers, holy faith
We will be true to thee till death.

Prayer

Reverend Russell Way

Speech of Welcome

Robert J. Flahive, President

Address — American Youth

Lucinda Bryant

Emperor Waltz from Johann Strauss
Orchestra

Presentation of MacDonald Medals to

Judith P. Conroy, Marjorie A. Peabody and David G. Benedict

REPORT OF THE BOARD OF PUBLIC WELFARE

To the Citizens of the Town of Stoneham:

The Board of Public Welfare herewith submits its annual report for the year 1958.

Following the Annual Town Election, the Board held its first meeting on March 6, 1958, and was organized as follows:

Alton W. Estes, Chairman
Michael J. Rolli, Secretary
Donald J. Morrison, Clerk

At this meeting it was unanimously voted that the Board of Public Welfare act as members of the Bureau of Old Age Assistance for the ensuing year and this Board was organized as follows:

Michael J. Rolli, Chairman
Donald J. Morrison, Secretary
Alton W. Estes, Clerk

It was also unanimously voted to make the following appointments:

Paul E. Houghton, Agent
Paul E. Houghton, Supervisor of Old Age Assistance
Thomas M. Hurley, Superintendent of Town Infirmary
Gertrude A. Hurley, Matron of Town Infirmary

Meetings of the Board are held on the first and third Thursdays of each month, at which time all policies and activities of the Department are discussed and acted upon.

The office is open daily, Monday through Friday, from 8:30 A.M. to 12:00 Noon and 1:00 to 5:00 P.M.

Any citizen, or client of the department, may appear personally or be represented at the Board Meetings for information or to register complaints.

The department personnel consists of an Agent, two Social Workers, a Senior Clerk and a Junior Clerk.

All four categories of relief are handled by this staff and each member is under Civil Service as required by law.

The Federal Government reimburses the town for approximately 40 per cent of the Salaries and Expenses of the office. The Commonwealth of Massachusetts also reimburses the town for twenty-five per cent of the Salaries and Expense of the Disability Assistance Program.

The Federal Government and State also reimburse the Town for approximately 84 per cent of Old Age Assistance Relief, 73 per cent of Aid to Dependent Children, and 75 per cent of the Disability Assistance Program.

Receipts from the Federal Government are placed in a separate fund and are used only by the Welfare Department. These funds are used in figuring our annual appropriation and our request from the Town is reduced accordingly.

GENERAL RELIEF

Our General Relief Case Load was slightly higher in 1958 than in 1957 and our expenditures were \$16,486.75 which was \$3,867.00 more in 1958 than in 1957. The principal reason for this increase was increased unemployment and desertion by principal wage earner in the family. For the complete twelve months of 1958, the State Department of Public Welfare recommended a cost of living increase of 5.7 per cent whereas in 1957 this increase was only in effect from September 1 to December 31.

The following Schedules show the activity of General Relief during the year:

Comparison of Outside Relief Cases Aided, 1957-1958

	Cases	Persons	Cases	Persons
	1957		1958	
January	13	48	9	11
February	12	36	7	14
March	10	29	8	18
April	10	26	10	19

	<hr/>	<hr/>	<hr/>
Total	10	13	13

AID TO DEPENDENT CHILDREN

This category of assistance fluctuated considerably during 1958 but as of December 31, we had 22 cases on our rolls costing \$3,970.54 monthly. Our case load decreased two cases during 1958 over 1957.

Each case was granted a cost of living increase of 5.7 per cent for the full year whereas in 1957 this item was granted from September 1, to December 31, or a four month period.

The following Schedules show the activity of this category of assistance during the year.

Analysis of Case Load

	Cases	Persons
Cases pending and receiving aid January 1, 1958	24	84
Cases Received During Year	5	12
Total	29	96
Cases Closed	7	26
Cases being aided December 31, 1958	22	70

Receipts and Expenditures

Expenditures 1958:		
Town Funds	\$27,793.72	
Federal Funds	19,852.80	
	<hr/>	\$47,646.52
Receipts 1958:		
Balance Federal Funds Jan. 1, 1958	\$ 3,377.12	
Federal Funds Received 1958	20,942.23	
State Funds Received 1958	15,514.03	
	<hr/>	
	\$39,833.38	
Less: Balance Federal Funds Dec. 31, 1958	4,466.55	\$35,366.83
	<hr/>	
Net Cost to Town		\$12,279.69

DISABILITY ASSISTANCE

This is a Federal-State-Town participating form of relief which is given to permanently disabled persons, 18 years of age and over. We now have 11 cases on our rolls which cost approximately \$1,198.00 monthly. Our case load has increased one case during the year 1958.

During the year 1958, each case was granted a cost of living increase of 5.7 per cent whereas in 1957 this increase was only granted for a period of four months.

The following schedules show the activity of this category of assistance during the year:

Analysis of Case Load

Cases pending January 1, 1958	0
Cases being aided January 1, 1958	10

	Cases received during 1958	6
	Total cases for the year	16
LESS		
	Cases Closed	4
	Cases Denied	1
		5
	Net Cases End of Year	11
	Cases Being Aided	11
	Cases in Process	0

Receipts and Expenditures

Expenditures 1958:		
Town Funds	\$7,392.72	
Federal Funds	5,789.30	
		\$13,182.02
Receipts 1958:		
Balance Federal Funds Jan. 1, 1958 ..	\$1,729.19	
Federal Funds Received 1958	4,820.04	
State Funds Received 1958	5,198.88	
	\$11,748.11	
Less		
Balance Federal Funds Dec. 31, 1958	\$759.93	\$10,988.18
Net Cost to Town		\$2,193.81

OLD AGE ASSISTANCE

This category of assistance, as usual, was very active during the year 1958. A detailed report of Old Age Assistance will be found in the Report of the Bureau of Old Age Assistance.

HELEN STOCKWELL FUND

This fund was created and set up many years ago by the late Helen Stockwell. The income from this fund is used for hospital care for any needy resident of Stoneham who is not receiving relief through the Welfare Department.

The Trust Fund is held and administered by the Boston Safe Deposit and Trust Company and the Welfare Department designates who is eligible for benefits. The Welfare Department investigates all cases and approves all bills, which are paid directly by the Boston Safe Deposit and Trust Company. This fund is set up to be used in a Stoneham Hospital of which we have one, The New England Sanitarium and Hospital.

On May 19, of each year the unexpended balance is turned back into the principal and the income from this fund is now amounting to \$5,000.00 per year.

Requests for use of this fund were approximately the same in 1958 as in 1957 but hospital costs were much higher. In 1957 we expended \$3,703.58 whereas in 1958 we expended \$5,087.20 for the same number of cases.

Cases Aided by Helen Stockwell Fund

Cases	Cause of Hospitalization	Hospital Days	Cost

BUREAU OF OLD AGE ASSISTANCE

To the Board of Public Welfare
Stoneham, Massachusetts

Gentlemen:

We herewith submit the twenty-eighth annual report of the Bureau of Old Age Assistance. This report is for the year 1958.

The Bureau met on March 6, 1958 and organized as follows:

Michael J. Rolli, Chairman
Donald J. Morrison, Secretary
Alton W. Estes, Clerk

At this meeting the Bureau voted to appoint Paul E. Houghton as Supervisor of the Bureau of Old Age Assistance.

The Bureau held meetings on the first and third Thursday of each month during the year.

All applications for assistance and revisits are considered and acted upon at these meetings and any other business necessary for the carrying out of this program is discussed.

During the year, at least two home visits were made to all recipients and many additional calls were made to adjust grants and discuss problems of the recipients.

This category of assistance was granted a cost of living increase of 5.7 per cent for the entire year of 1958 whereas in 1957 this increase was from September 1, to December 31, or for a four month period.

Cost of medical care in this category of assistance continues to be a major item of expense. This item continues to cost approximately one-third of our total monthly expenditures.

The following schedules show the activity and financial picture of this category of relief.

Analysis of Case Load

Cases Pending January 1, 1958	1
Cases being aided January 1, 1958	180
Cases Received during 1958	36
	<hr/>
Total Cases for 1958	217
Less:	
Cases Denied	12
Cases Closed	33
	<hr/>
Net Cases December 31, 1958	172
Cases being aided	172
Cases in process	0

Receipts and Expenditures

Expenditures 1958:		
Town Funds	\$120,229.40	
Federal Funds	77,559.78	
	<hr/>	\$197,789.18
Receipts 1958:		
Balance Federal Funds Jan. 1, 1958	\$12,823.34

INFIRMARY REPORT

To the Board of Public Welfare:

Gentlemen:

We hereby submit our annual report for the year ending December 31, 1958.

Number of Patients cared for up to Dec. 31, 1958	25
Number at present	17
Number of patient days	6116

Due to chronic illness and senility our patients require constant care and attention 24 hours a day.

At present we have four cows that supply us with enough milk for everyone in household. Our vegetable garden yielded a most abundant harvest this year. The surplus vegetables we canned.

New window-shades, new window curtains and two new combination screen and storm doors were purchased.

Our sick-bay, halls and bed-rooms have been newly painted.

Our sincere thanks to all the townspeople for their generosity and kindness to our patients the past year. The Police Department have been so prompt and efficient in transporting our patients to and from hospitals. The Clergy, Doctors, Church and Civic Organizations deserve no end of praise.

We also want to thank all our personnel for their faithful service to our patients.

Submitted by:

THOMAS M. HURLEY, Superintendent
GERTRUDE M. HURLEY, Matron

REPORT OF THE BOARD OF PUBLIC WORKS

To the Citizens of Stoneham:

The Board of Public Works, meeting March 10, 1958 organized for the year as follows: John E. Finnegan, Chairman of the Board, with members Cornelius J. Sweeney and John E. Shaughnessy. Mr. Shaughnessy was elected to the Board March 3, 1958, for a three year term. Miss Geraldine O'Grady was appointed Clerk of the Board and Mr. Edwin D. Callahan was appointed Superintendent of Public Works.

This report embraces the second year of existence of the Board of Public Works and it is the belief of the Board that this year represents excellent progress from the viewpoint of increased productivity of all divisions of the Public Works. The Board of

Public Works has always felt the main function of the Board is to obtain maximum use of the personnel and equipment for the overall benefit of the Town. This belief is a direct result of the basic principal upon which the Board of Public Works was established. That is, the complete integration of what was formerly the Park, Tree, Cemetery, and Public Works Departments into one concrete unit to be known as the Public Works Department.

Upon procurement of the necessary sewer easement from Bear Hill Associates by the Town Counsel, the Board of Public Works is very pleased to state that approximately 1900' of sewer pipe was laid through property of Bear Hill Associates. This sewer, by necessity was installed in the late fall of the year and now will have the effect of opening up a sizeable area in the northeasterly portion of the Town for sewer facilities. The construction of this sewer was done entirely by the personnel of the Public Works Department. Supplementing the above work the Board of Public Works also has begun construction of the sewage pumping station to the east of Green Street. Upon completion of this construction another sizeable area of the northeasterly section of the Town will have sewerage available. In particular the Board would like to stress the fact that this station embraces the Spring Street area where for many years efforts have been made to provide sewerage facilities. The above progress in the sewerage system in the Town has been obtained only through the efforts and complete cooperation of the citizens of the northeasterly area and the appropriate Boards working closely together.

Over the past two years of its existence the Board of Public Works has been following a definite program of improving the water distribution system throughout the Town. In the fall of 1958 it was necessary for the Metropolitan District Commission to shut off their main source of water supply into the Town of Stoneham. The Board of Public Works had extended a 12" water main a distance of approximately 782' up Elm Street connecting with the 12" Wakefield main. When the emergency occurred, resulting from the Metropolitan District Commission feed, this connection was invaluable from the viewpoint of drawing Wakefield water into the Stoneham water distribution system. Due to this connection and others, it was possible to supply Stoneham residents with water while the Metropolitan District Commission main was being repaired.

The Recreation Committee, appointed by the Board of Public Works two years ago, has continued to do an excellent job in supervising and planning the recreation program of the Town. This committee consists of the following members: Howard W. Seabury, Chairman, Ralph A. Williams, Dyer E. Carroll, Stewart E. Blier, and Karl P. Elerin. Over a period of time it is our belief that the Recreation Committee will be very instrumental in providing better recreation for the Town.

As mentioned in a previous report, all necessary engineering data for the piping off of Sweetwater Brook from Oak to William Street has been completed by the Division of Waterways of the State Department of Public Works. The Town Counsel is now in the process of obtaining the necessary easement and upon procurement of these easements the Division of Waterways will put this work out to contract.

On this particular project, one half the cost will be paid for by the State which, of course, represents a sizeable saving for the Town.

In conclusion, we respectfully direct your attention to the report of the Superintendent of Public Works for a more complete report of the functions of the various divisions of the Public Works Department.

We would also like to take this opportunity to thank the Clerk of the Board, Miss Geraldine O'Grady and the Superintendent of Public Works, Mr. Edwin D. Callahan, for their assistance and aid throughout the year.

We would also like to express our appreciation for the fine cooperation we have received over the past year from many Boards, from the people of the Town of Stoneham, and from the personnel of the Public Works Department.

Respectfully submitted,
JOHN E. FINNEGAN, Chairman
CORNELIUS J. SWEENEY
JOHN E. SHAUGHNESSY
Stoneham Board of Public Works

REPORT OF SUPERINTENDENT OF PUBLIC WORKS

To the Board of Public Works

Gentlemen:

The report of the Superintendent of the Public Works Department for the year 1958 is herewith submitted. The year 1958 saw the addition of 130 new homes constructed in the Town of Stoneham based on records kept by the Town Engineer. The addition of new homes automatically has an enlarging effect upon the work demands made upon the Public Works Department. It is interesting to note that at the time of this writing, the total personnel of this department is actually less than it was four years ago. The efforts of the department have been geared to keeping up with this constantly expanding work load through two means; the first means is through increased productivity throughout the department, the

second means is through the maximum use of personnel of all divisions of the Public Works Department. Whereas the Public Works Department now embraces what was formerly separate departments known as Park, Tree and Cemetery, it is possible to use the personnel and equipment of these previously independent departments for the overall benefit of the Town.

The policy established two years ago of performing more maintenance work in established sections of the Town has been maintained. This is mandatory as existing streets, sidewalks, water distribution and sewerage distribution systems represent a sizeable investment which must be protected through proper maintenance. In order to give a clearer picture of the responsibilities of the Public Works Department, there follows below a brief breakdown of the functions of the department and the work accomplished in the year 1958.

Highway

This past year ten streets were given a new two and one half inch surface of hot top with funds received from the State under a special act of the legislature known as Chapter 718 of the Acts of 1956. All necessary excavation work, raising of manhole covers, etc., was done by the Public Works Department personnel.

The new surface was laid by a power machine in two separate courses of 1¼" each. The above work will contribute greatly to the overall benefit of the Town, and it is felt that this type of surface will call for very little maintenance work for many years. Supplementing the above work, we also carried on our regular maintenance program during the course of the year. We have armor coated 2.10 miles of roadway on eight different streets of the Town. The Department also applied tar and sand to 10 streets for a total length of 2.08 miles.

With respect to the Town's drainage system, a concentrated attempt was made to clean all catch basins and to keep all drain lines of the Town functioning properly. Particular emphasis was put on keeping the brooks open during heavy storms. During non-working hours, this is accomplished by two men who go out immediately during a heavy rain and check all culverts. Any debris that is caught against the culvert screens is removed and deposited on nearby ground. At a later date the Cemetery Division of the Public Works removes this debris. This allows the two men responsible for keeping the culverts open to concentrate on that alone. With more and more homes being constructed in Stoneham, it is necessary that every effort be made to keep the brooks open and thus the danger of flooding is kept to a minimum. The following lists the amount of drain projects installed by the department during 1958:

1. Bow Street Court: 153' 12"-Concrete; 26' 10"-C.I.; 3 catch-basins; 1 manhole.

2. Kirmes Road and North Street: 389' of 8"-V. C.; 2 catchbasins; 1 manhole.
 3. Lawndale Road: 57' of 12"-Concrete; 2 catchbasins.
 4. MacArthur Road: 224' of 12"-Concrete; 2 catchbasins.
- Totals: 389' of 8"-V. C.; 434' of 12"-Concrete; (823 feet); 9 catchbasins and 2 manholes.

Tar Sidewalks

The funds necessary for the reconstruction of existing tar sidewalks are derived through a special article inserted in the warrant yearly for this purpose. During the year 1958, tar sidewalks were constructed on sections of the following streets: Pine Street, Washington Street, Elm Street, Summer Street, Franklin Street, Montvale Avenue, Perkins Street, Pleasant Street, Maple Street, Harrison Street, North Avenue, Charles Street, Spring Street, Lincoln Street, and Common Street.

Street Construction

Bow Street Court and Kenneth Terrace, previously accepted at the 1957 Town Meeting, were completed this year. A two and one half inch surface of hot top was laid on a nine and one half inch gravel base on both roads. In addition, granite curbstone was installed on Kenneth Terrace with the exception of the northerly side. Lawndale Road, accepted at the 1958 Annual Town Meeting, was also constructed this year. In the case of all three roads listed above, adequate drainage was installed wherever necessary. It is worth noting that in the case of Bow Street Court, a dead gas main was installed by the gas company inasmuch as Bow Street leads into a large area of undeveloped land. From the viewpoint of the Public Works Department, the installation of this gas main prior to road construction, will prevent the future ripping up of a newly installed road for gas purposes.

Properties

All buildings at the Public Works yard, for the most part, are maintained by the department. Many of the garages were painted throughout the year, and the office building was given a coat of paint in the late fall. At the present time, the Park and Tree divisions of the Public Works rent property in which to store their equipment. We are requesting the voters at the March Town Meeting to approve the construction of a garage to house equipment belonging to these respective divisions. By constructing our own garage, it will be possible to save the funds now being used for rent. The Department also maintains two pumping stations, a yard for the storing of pipe at Stevens Street, a gravel pit located off East Street, and a building at Lindenwood Cemetery.

Chapter 90 Maintenance

This road work is done under the direction of the Massachusetts Department of Public Works. A portion of the \$3900 available this year was spent on hot topping Summer Street from Spring Street to Franklin Street. A section of Maple Street from Main Street to Wright Street was also hot topped under this account. It should be pointed out that two thirds of this appropriation is paid for by the State and County and the Town pays one third. The wearing surface of the above work is now such that very little maintenance will be needed for many years.

Chapter 90 Reconstruction

The reconstruction of Franklin Street was continued this year and consisted of a section from Stevens Street to Pearl Street. Plans and specifications were drawn up by the Mass. Department of Public Works, and the contract was awarded to S. Rotundi and Sons Company. Engineering and supervision were under the direction of the Mass. Department of Public Works. This year it was possible for the Town to obtain granite curbing on a participating basis wherever a gradient of three per cent or more was encountered. The addition of this granite curb is an outstanding asset to any street, and does a great deal for the appearance of this area. Under this appropriation, the Town pays only twenty five per cent, the remaining seventy five per cent is paid for by the State and County.

Guard Rails and Barriers

Necessary repairs were made on any guard rail fences or barriers that needed attention. Frequently, fences and barriers are damaged by cars or trucks. Inspection is made each year and repairs are made where necessary.

Water Service

One hundred and twenty five water services were installed this past year to bring the total of water services in operation to four thousand three hundred and ninety five. Seventy eight of the older services were relaid with copper tubing. It is interesting to note that a total of one hundred and twenty four services were installed last year. Thus, the figures for water services in the last two years are practically constant. Upon request, sprinkler services are installed for fire purposes to commercial buildings. One such service was installed this year. All of our water services are supplied with meters as required by law.

Sewer Service

An addition of twenty seven new sewer services was made to the sewerage system. We now have a total of three thousand sixty seven active sewer services in the Town. With the construction of

the trunk sewer through property of the Bear Hill Associates now completed, and the construction of the sewage pumping station well under way in the easterly portion of the Town, we anticipate a sharp increase in sewer services in 1959. In the case of new construction, it has been the policy of the Board of Health to require that sewer services be provided wherever possible. There are, unfortunately, areas of the Town where there are no sewerage facilities available. The cost of the sewer service is paid for by the applicant, and once installed, is maintained by the Town.

Rubbish Disposal

The importance of this service can be felt by all residents of the community because it comes in direct contact with them. At the present time, two trucks referred to as Loadpackers are employed in this operation. The addition of new homes to the community instantaneously has the effect of increasing the work load in this department. Since 1946 there has been approximately 1600 new homes built in the Town and the population has been increased from 12,032 to 17,500 people. The additional work load that falls on the ash crew resulting from this increase is obvious. The last few years, personnel in this department has remained constant and this work load has been absorbed effectively. We are requesting this year that our 1945 Loadpacker body be replaced with a new one. The new body is so constructed that a more efficient mechanical operation will be achieved, which will, of course, aid the personnel considerably in absorbing this additional work load. It should be pointed out, that as the Town expands, new machinery will be one of the main factors in keeping up with the demands. Considering the technical advancements made in the design of machinery over recent years, even though a capital outlay is necessitated, modern machinery is still a good deal cheaper than additional personnel using antiquated methods.

The Public Works Department also maintains a dump site at the end of Spring Lane, open six days a week for the convenience of the people. This site is leveled and compacted approximately once a week by the Public Works Department bulldozer under the guidance of the Dump Master who is employed full time in this capacity. The problem of an additional dump site is now being faced by many abutting Towns and this problem will come up in the near future in Stoneham.

We would like to thank Fire Chief Crosby, of the Fire Department for his advice and aid in assisting us in keeping the problem of fire in the dump site at a minimum.

Snow and Ice

The total accumulation of snow for the winter season was approximately 56" in Stoneham. It is interesting to note that over one third of the total amount fell in one day which was the greatest

single snow fall since 1921. Actual plowing operations were necessitated on six different occasions. Sanding equipment was used frequently to keep icy conditions at a minimum throughout the winter season. The replacement of old equipment over the last few years on the part of the townspeople aided the Department considerably in handling the large storm referred to above. Under this type of condition the value of a Town owning its own equipment can be observed by the general public. We realize the winter season is a difficult one on motorists and pedestrians alike and we will do our best to remedy snow and ice conditions as fast as possible.

Road Machinery Maintenance

The mechanical equipment of the Public Works Department is maintained by our maintenance crew. The maintenance crew is directly responsible for the upkeep of all vehicles and equipment which includes such units as a grader, bulldozer, mechanical shovel, road roller, snow loader and trucks of varying size. This ability to do our own major repair work is strongly reflected in many ways in lack of time lost.

Repair of equipment is continual and periodic greasing and oil changing is carried on through the year. The additional equipment of what was formerly the Park, Tree, and Cemetery Departments is now, of course, maintained by our maintenance crew.

Road Machinery

The Board of Public Works, authorized under the following articles of the 1958 Annual Town Meeting, selected the following equipment:

Article 40. Purchased a one—one and a half ton Moore Roller.

Article 41. Purchased two (2½- and 3-ton) International Dump Trucks.

Article 42. Purchased a Good Roads Sand Spreader and an International Station Wagon for the Engineering Division.

Sewer Construction for 1958

The Department is very pleased to state that the trunk sewer running through property of Bear Hill Associates is now installed. The installation of this line would have the effect of making sewer available to a large segment of the northeasterly section of Stoneham. The Town now has 34.58 miles of sewer main. The sewer mains constructed for the year are as follows:

1. Through property of Bear Hill Associates: 1904.6' of 14" transite
2. Ellen Road: 666.7' of 8" V. C.
3. Everett Street: 61' of 6" transite
4. Greenview Road: 223.2' of 14" transite
5. Lawndale Road: 175' of 14" transite and 67.2' of 8" transite

6. Marshall Road: To complete sewer, 23' of 14" transite
7. Peters Drive: 225' of 8" transite
8. Bow Street Court: 607' of 8" transite

In the case of Bow Street Court and Peters Drive, sewer lines were installed to prevent a future ripping up of a newly constructed road. It appears that both of these roads will be connected to the active sewer system in the near future. The Board of Public Works obtained bids for the East Side Sewer Pumping Station, October 6, 1958. Bids were obtained on the three different parts of this project and awarded to the lowest bidder in all cases as follows:

1. East Side Sewer Pumping Station — awarded to Mike-Mack Company
2. Sewage Pumping Equipment — awarded to Causeway Corporation
3. Trunk Sewer and Force Main — awarded to Doerico-Forth Construction Co., Inc.

At the time of this writing work has been started on this project.

Water Construction

The program of improving of the Town's water distribution system has been maintained this year. In particular the project of relieving the condition in Wakefield Park has been continued which necessitated the installation of 1276' of 12" Cast Iron water pipe. At the present time this main has been installed to a point in the intersection of Park Avenue and MacArthur Road. It is our intent to continue this project in 1959.

Also during the year, 782' of 12" water pipe was installed in Elm Street from the Town Infirmary into the Town of Wakefield's water system on Albion Street. As mentioned in the Board of Public Works Report, this connection proved invaluable when the main Metropolitan District Commission supply into the Town of Stoneham was shut off last fall. The above work is done under the water bond authorized at the Annual Town Meeting. It is essential for the well-being of the Town that funds be appropriated for this purpose and that this work be continued in the future. A list of water mains installed by the Public Works Department during the year is as follows:

1. Atwood Avenue: 277.6' of 8" Cast Iron
2. Elm Street: 782' of 12" Cast Iron
3. Greenview Road (Lawndale to MacArthur): 233.5' of 8" Cast Iron
4. Lawndale Road: 253.8' of Cast Iron
5. MacArthur Road: 1275.8' of 12" Cast Iron
6. North Street; 176' of 8" Cast Iron
7. Rhuland Road: 683.8' of 8" Cast Iron

8. Ellen Road: 596.3' of 8" Cast Iron
9. Fellsmere Avenue: 160' of 8" Cast Iron

Supplementing the above, below is a list of water mains installed by the various developers under the supervision of the Public Works Engineering Division.

1. Crosby Street: 701.5' of 12" Cast Iron (Also 161.7' installed in stub road off Crosby Street)
2. Elaine Road: 719.7' of 8" Cast Iron
3. Hanford Road: 515.5' of 12" Cast Iron
4. Margaret Road: 734.2' of 8" Cast Iron
5. Peters Drive: 224.5' of 8" Cast Iron
6. Wagner Road: 964.8' of 8" Cast Iron
7. Waterhouse Road: 712.8' of 8" Cast Iron

The complete total of the above represents an increase of 1.74 miles of water main added to the Town's water distribution system during the year 1958. A sufficient number of gates were installed at all intersecting streets to provide cross feeds for the area. Hydrants were installed wherever requested by the Fire Department. An extension of 274' of 6" water pipe was made off Pine Street into the Public Works Department yard. A hydrant was installed on the end of this extension providing a means of fire protection for our buildings and equipment.

We would like to thank Fire Chief Crosby for his suggestions concerning the overall improvement of the present water distribution system of the Town.

Sidewalk and Edgestone Construction

During the past year, new hot top sidewalks were constructed in nine locations, granite curbstone was installed in twelve locations and new granolithic sidewalks were constructed in fourteen locations. Under this appropriation the above was constructed at the request of the applicant. The applicant pays one half the cost and the Town pays one half the cost. The amount of funds available to this Department directly controls the amount of work that can be done in any one year. At the present time, based on the list of applicants, it takes a period of approximately one year from the date of application before this work can be done.

Water Maintenance

Under this heading lies a responsibility for the water distribution system, plus the 4,395 water services running into various dwellings. The necessity for good maintenance of the system can be clearly understood by everyone. The job of computing and then billing each individual service for the amount of water used is performed by our Billing Department. The amount of water used is measured by individual meters installed in all services.

Sewer Maintenance

There is approximately 35 miles of sewer main now in use which is maintained by this department. In addition to this, there are 3,067 active sewer services maintained under this appropriation. The majority of the mains are rodded and flushed annually to prevent blocking and insure maximum efficiency.

A constant problem is that of roots growing from trees and shrubs which work their way into the pipes and, in such cases, a cutter is used to eliminate the obstruction. Two pumping stations are maintained under this appropriation. These stations are checked daily as the danger of mechanical failure of the pumps is always with us. During the last year the Upland Road Pumping Station was painted and the building repaired.

We would like to take this opportunity to request the people of the Town to refrain from inserting rags or similar debris into their house sewerage system, which can and do create serious blocking of sewer lines.

Street Signs and Beacons

A survey was made in the early spring of the condition of the street signs, traffic signs, and traffic line standards. This survey determines the signs and standards in need of repair and paint and its recommendations are now being followed. The sign shop installed in the Cemetery Division of the Public Works Department has been very effective in doing this work. During the year 1958, approximately 17,000' of white center lines were put on various roads throughout the Town. These white traffic lines are an excellent safety measure and it is our intent to do as much as possible.

Engineering

The Engineering Division functioning under the Town Engineer has many varied responsibilities throughout the year. A brief summary of their duties are as follows:

1. Sewers and Drains
 - (a) Preliminary survey and design
 - (b) Drafting of Plan and Layout
 - (c) Construction line and grade
 - (d) Record survey and plan
 - (e) Record of ties to all services
2. Highways
 - (a) Preliminary survey and layout and assessment estimate
 - (b) Design and drafting of plan
 - (c) Construction line and grade
 - (d) Computation of actual assessment cost
3. Water Distribution
 - (a) Design and layout
 - (b) Record dimensions to gates and tees
 - (c) Record of ties to all services

4. Easement Surveys

- (a) Drawing up of necessary plans showing easement

5. Construction

- (a) Inspection of work being done in developments. This includes inspection of water system, drainage system, of road construction, the laying of road surface, etc.

6. Miscellaneous

- (a) Establishment of street lines for various departments and individuals
- (b) Inspection of houses before blasting
- (c) Surveys for stop signs and accidents including the drafting of a plan
- (d) Final costs of all projects
- (e) Recommendation of bond required to Planning Board
- (f) Estimates for Board of Public Works concerning streets, sidewalks, sewer, water, and drain projects

Administrative Staff

The main function of the office staff is to route all business for the Public Works Department into the correct channels which has a direct bearing on the overall efficiency. Considering that this business concerns the functions of water, sewer, highway, park, tree, and cemetery division in a town of approximately 17,500 people, some idea of the demands put upon the Administrative Staff is gained. This work consists of preparing contracts, computing weekly payrolls, computing and mailing of approximately 8,300 water bills yearly, purchasing of necessary materials, maintaining various cost records and maintaining personnel records of Public Works employees. Other functions are of such a nature that they must be routed to the men responsible for the work; for example, requests to read meters, to shut off water, to relieve sewer plugs, requests for sanding, requests concerning tree problems, etc. The Administrative Staff actually functions as the nerve center of the entire organization.

Cemetery Division

This division of the Public Works Department is responsible for the maintenance of Lindenwood Cemetery. This cemetery consists of approximately 30 acres and must be constantly mowed and kept in good condition. Additional sections were leveled off during the year for future grave sites. Approximately 20% of the existing roads running through Lindenwood Cemetery were covered with a layer of hot top this past summer. It is our intent to continue this road surfacing program in the future, thus keeping maintenance time on these roads to a minimum and improving the overall appearance of Lindenwood Cemetery. The Sign Shop installed in the Lindenwood building last year has aided greatly, as mentioned previously in this report, in the maintenance of all signs in the Town. This work is being done by the personnel of the cemetery

division during the winter months. In the case of snow conditions, the cemetery truck is available for plowing throughout the Town. A large amount of rain during the past year necessitated constant grass cutting on the part of the cemetery division personnel. The cemetery division also aided from time to time in the job of removing debris collected from various culverts during extreme rains. There were eighty five interments at Lindenwood Cemetery during the year 1958. The receipts for the year are as follows:

Perpetual Care of Lots and Graves	\$2,385.00
Perpetual Care Flower Fund	200.00
Foundations and Repairs	481.00
Opening Graves	2,465.00
Sales of Lots and Graves	1,705.00
Concrete Grave Liners	1,350.00
Use of Tent	10.00
Care of Soldiers' Lot	900.00
Annual Care of Lots	959.75
Total	\$10,455.75

Park Division

At the present time the Town of Stoneham has the following areas available for recreation purposes throughout the Town:

1. Recreation Park
2. Pomeworth Upper Field
3. Little League Park
4. Robin Hood Playground and Little League Field
5. Steele Playground
6. A. P. Rounds Playground
7. Colonial Park Playground
8. South School Playground
9. East School Playground

The chief purpose of the Park Division is the maintenance of the above listed fields. Supplementing the above, the Park Division also maintained the following during the year 1958.

1. Planted flowers in and maintained twelve triangles throughout the town.
2. Maintained the Town Hall grounds, including installation of Christmas decorations.
3. Planted flowers and maintained shrubbery at the Library.

During the year, the baseball diamond at Recreation Park was rebuilt and many favorable comments were received resulting from this work. Work was also done on the Little League Field and it is our intent in the future to improve the physical layout of these fields as much as possible.

Mr. Frederick A. Porter, Foreman of the Park Division for many years, retired June 30, 1958. Mr. Daniel C. Towse, Foreman of the Tree Division was put in charge of the Park Division personnel at that time.

Landscaping work was also continued on the Town Hall grounds and consisted of planting small trees and additional shrubbery in an effort to improve the appearance of this area. The use of a chemical for keeping the dust down on the ball fields was employed at the Little League and Recreation Park ball fields this year.

As mentioned in last year's report, the demands on the Park Division are such that from time to time the need for additional personnel develops, and where we can interchange personnel when needed, this demand can be satisfied at a minimum expense. In the case of snow conditions, the Park Division equipment is utilized as much as possible for plowing purposes.

The ice rink at Recreation Park is also maintained by the Park Division. The freezing conditions of the weather this year has been such that numerous skating has been possible. At one time during the year it was found that approximately four hundred people were present to enjoy the skating. In view of the excellent weather conditions and the increased demand, a small rink has been formed to the south of the existing main rink. This small rink is a temporary affair formed with a plastic base and has proved quite effective as a rink for the small tots.

Sidewalk Maintenance

The money raised under this appropriation is used in the maintenance of all types of existing sidewalks throughout the Town. The walks present a constant maintenance problem. Sidewalk blocks are lifted by tree roots, gravel walks on steep hills are perpetually gouged out, the wearing surfaces of hot top and concrete deteriorate with age, etc.

Tree Division

The main problem facing the Tree Division continues to be the spread of the Dutch Elm disease. Through proper maintenance methods the Tree Division has been able to maintain reasonable control of this disease in the Town. The disease is such, however, that no definite cure has been developed as yet. A dormant spray program has been initiated and the mist sprayer obtained at a recent Town Meeting has proved very effective in controlling this infectious disease.

A brief breakdown of the activities of the Tree Division follows:

Tree removal	113 days
Tree trimming	47 days
Spraying	28 days
Tree planting	23 days
Maintenance	23 days
Snow and storm work	21 days
Wire clearance	3 days

During the year one hundred and seven trees were removed of which thirty seven were diseased public Elms. A total of one hundred sixty seven trees were planted.

Wherever possible, today's new trees are planted on private property which prevents any future heaving of the gutter area. These trees are planted roughly five feet back from the sidewalk which also has the tendency to provide more room for the trees to breathe. When any Elm is suspected of having contracted the Dutch Elm disease, a sample is sent to the University of Massachusetts. Upon analysis of the sample, the University of Massachusetts notifies the Town as to whether or not this tree has contracted the Dutch Elm disease.

At the present time the Town's gravel pit is used as the area for brush disposal. A bulldozer is sent to the gravel pit when needed; brush is piled up and burnt by the personnel of the Tree and Moth Division.

The Tree Division has aided in the plowing and sanding operation throughout the Town and has assisted both the Park and Cemetery Divisions in times of extreme demands.

The above concludes the resume of the various functions of the Public Works Department. During the year 1958 the following four members of the Public Works Department retired:

William Doherty
Frank J. Maguire
Frederick A. Porter
John Walden

We would like to take this opportunity to thank these men for their faithful services over the past years. From the viewpoint of the Department the experience and skill represented in these men will be keenly missed.

It is with regret that we relate the death of Robert Meehan, an employee of the Park Division of the Public Works Department.

The above concludes my report for the year 1958. The integration of all Divisions is now completed and I feel that this second year of operation has served for the best interests of the Town.

In the 1957 Annual Report, we listed four factors from the Administrative viewpoint that have been instrumental in this merger. These factors hold true today and I would respectfully direct your attention to the 1957 Report for further details.

I would like to thank all those who have aided me in many ways throughout the past year. In particular, I would like to thank the Board of Public Works, whose cooperation at all times has been excellent.

I also extend my appreciation to the personnel of the Public Works Department for their full cooperation under many and varied conditions

My appreciation also to the Recreation Committee, the heads of other departments in the Town and their personnel, and the various boards staffed by citizens who many times put in long hours in an effort to improve the Town functions.

Respectfully submitted.

EDWIN D. CALLAHAN

Superintendent of Public Works

REPORT OF THE RECREATION COMMITTEE

To the Board of Public Works

Gentlemen:

The report of the Recreation Committee is herein submitted:

The usual summer playground program was conducted, for a period of eight weeks, under the supervision of Robert Millett and a staff of thirteen instructors.

Total playground attendance for all fields was 16,421. The program activities included outdoor basketball, volley ball, softball league, horseshoes, arts and crafts, tennis instruction and swimming instruction at the M.D.C. pool.

Tennis lessons were given fourteen and a half hours each week, Monday through Friday to an enrolled class of sixty three.

Swimming instructions were given Monday and Wednesday mornings from July 2nd to August 13. Total attendance was 1251; Bus transportation was provided for both the morning lessons and afternoon general swimming and wading sessions. Total attendance for P.M. sessions was 2,079.

Coloring books and crayons, sandboxes, pails and shovels and games were provided for the younger children.

All playgrounds participated in a closing day program at Pomeworth Playground. Prizes were given to the winners of the various events. Refreshments were served to all.

The hockey rink at Recreation Park: due to an early and continued cold spell has provided good ice for hockey and general skating. This rink is also used by Stoneham Jay Vees and Freshman hockey team as well as Stoneham "Pee Wee" hockey.

The baseball diamond at Recreation Park was in constant use throughout the baseball season by the following organized teams for all their home games:

American Legion Junior Baseball
S.H.S. Varsity and Freshman Baseball
Pony League Baseball
C.Y.O. Baseball
Girls Field Hockey Games
S.H.S. Varsity, J. V., and Freshman Football
C.Y.O. Drill Team Exhibition and also
Headmasters Baseball Tournament

Pomeworth Upper Field:

Stoneham High School J.V. Baseball

Saint Patrick's Drill Team (practice)
Stoneham Chapter, DeMolay Baseball

Little League Park:

Regularly Scheduled Little League Games

Little League Mothers Game

Stoneham Softball Leagues

Little League and Little League Farm System Games were
played at the East School, Robin Hood School, and
Colonial Park playgrounds

The Recreation Committee would like to thank publicly, the Stoneham Public Works Department for their cooperation and for their efforts in maintaining all playing areas, particularly the Recreation Park baseball diamond. This field was called by coaches and managers of many outside teams, the best field they had played on. A much-needed permanent backstop was erected at Calthea and Washington streets. The Committee plans to have erected another permanent backstop at Washington and Pomeworth streets to take care of next year's expanded program.

In December of 1958, an indoor program at the Stoneham Junior High School on Saturday mornings was initiated. It is hoped to continue and expand this program for girls at Stoneham High School on Saturday mornings.

We wish to thank Dr. Michael Scarpitto and the School Committee for their cooperation.

Respectfully submitted,

HOWARD W. SEABURY

Patrolman David F. Noonan, Jr.	8

Days Lost by Injury

Sergeant John F. Matthews	14½
Patrolman Edward P. McLaughlin	34
Patrolman Henry C. MacKay, Jr. (Not in line of duty) ..	6
Patrolman Gerald D. Mahoney	1

Safety Education

I hereby submit as Safety Officer for the Police Department, the following report for the year 1958.

During the year, I made visits to the Public Elementary Schools, Parochial and Seventh-day Adventist schools instructing the children on good safety habits. However, the safety program was not limited only to schools. During the year, I made visits to Cub Scout Packs, Kindergarten and P.T.A. meetings, and also assisted the Lion's Club in Stoneham, during April, which was in conjunction with a state-wide safety program.

I attended several safety meetings throughout the state with other Safety Officers during the year.

The Stoneham Motor Company aided the Safety Program by furnishing the department with a Ranch Wagon to be used in conjunction with our Safety Education. The Captain desires at this time to thank the Stoneham Motor Company for its consideration in our educational Safety Program.

The Safety Officer desires at this time to express his appreciation for the cooperation extended to him by the various Town Departments and the citizens of the Town.

Respectfully submitted,
Robert D. O'Melia, Safety Officer

Safety Award

The following letter was received on January 12, 1959, from the American Automobile Association, Massachusetts Division:

John C. Nelson, Capt. Cmdg.

POLICE DEPARTMENT

Stoneham, Massachusetts

Dear Capt. Nelson:

It is with great pleasure that the American Automobile Association presents to you this national "Excellence of Record" award for the year 1957.

The award is presented for the year 1957 but represents a three-year achievement of no pedestrian deaths, surely a record you can be proud of. With all the emphasis on safe driving nowadays, we sometimes forget that nearly two-thirds of all urban traffic fatalities are pedestrians. And, of course, pedestrian safety programs are vital for the protection of our school children.

Thank you for your interest in pedestrian safety and for your excellent work in making Stoneham a safer place in which to live.

Sincerely,

Richard W. Hoover, Director
Public Relations and Safety

Investigating Officer

I hereby submit, as Investigating Officer for the Police Department, the following report for the year 1958.

During the course of the year I handled 125 complaints of various types and made 119 investigations of stolen cars, larcenies, breaking and entering and robberies.

A total of 50 arrests were made as a result of the investigations. I made 51 appearances in Woburn District Court for trials and 11 appearances at Superior Court, East Cambridge.

I also investigated numerous accident cases and assisted with emergency ambulance details and when not confined to an investigation, handled routine complaints.

Respectfully submitted,

Robert E. Moreira, Investigating Officer

Auxiliary Police

I respectfully submit the annual report for 1958 of the Stoneham Civil Defense Auxiliary Police.

The unit is made up as follows: One captain, one lieutenant, two sergeants and twenty-seven patrolmen, a total of thirty-one members.

During the year the members performed the following duty:

	Man Hours
Street Duty (Memorial Day, July 4th, Hallowe'en, Labor Day, Little League and High School parades, etc.	344
Church Traffic on Sunday mornings	442
Revolver Practice	152
Class Room Study	92
Total Man Hours of duty and study	1030

Robert H. Bradley, Sergeant
Stoneham Police Department

Recommendations

I recommend that additional police boxes be located in different sections of the Town.

During the year 1958, the department received many commendatory letters from citizens of the Town in regard to the special protection given their homes during periods in which they were away and also other services rendered.

The Stoneham Police Department is a community service as well as a law-enforcement agency. It is the guardian of your property and welfare. When law breakers infringe upon your security, it is the department's main function to provide protection of life and property and to apprehend the criminal. Equally important, too, is the obligation and desire of the Police Department to continue its work in prevention of crime.

Your Police Department is anxious to give you the maximum protection possible with the personnel and equipment available. We solicit your cooperation in assisting the Police Department to keep Stoneham a respected and law-abiding community.

The Captain of Police desires at this time to express his appreciation for the cooperation extended to him by the various Town Departments and the citizens of the Town.

Respectfully submitted,
J. CLARENCE NELSON
Captain of Police

ANNUAL REPORT OF THE STONEHAM HOUSING AUTHORITY

Honorable Board of Selectmen:
Stoneham, Massachusetts

In compliance with the General Laws of the Commonwealth of Massachusetts the Stoneham Housing Authority hereby submits its annual report for the year ending December 31, 1958.

The Authority organized and has functioned continually as a body politic and a corporate entity since its creation by unanimous vote of the Town Meeting on March 22, 1948. The Authority is a body entirely separate from the Town of Stoneham and the Commonwealth of Massachusetts.

The annual meeting of the Authority was held, as directed by its by-laws, at the Town Hall in Stoneham, Massachusetts on Wednesday, April 9, 1958. The following officers were elected for the ensuing year:

Robert V. Brooks, Chairman
Donald A. Lawson, Vice Chairman
Edward F. McNevin, Treasurer
William L. Curran, Assistant Treasurer
Bernard C. Vacon, Member
Attorney John E. Finnegan, Executive Director and
Counsel

The Authority owns three separate projects. Two are for veterans and the third is Housing for the Elderly.

The Veterans Housing consist of 72 units housed in 24 buildings. We have 12 quadruplex houses and 12 duplex houses. The first veterans project was occupied on June 1, 1950 and the second veterans project was completed and occupied on September 1, 1951. Average rents on these projects are \$46.60 per month including water costs. The families supply their own electricity and oil for heating. The admission limits for Veterans Housing range from \$3950. per year income for families with one minor child to \$4350 for families with three or more minor children, and continued occupancy limits range from \$4400. per year income to \$4800. per year.

The critical demand for housing for veterans has been relieved to some extent and although the Authority has at all times an eligible waiting list of applicants the need of housing of this type for the Stoneham veterans is now at a minimum.

The entire project is inspected by the members of the Authority at least once a year. This inspection takes us inside the apartments as well as the grounds outside. We found it in a satisfactory condition on our last tour which reflects favorably on the type of tenant who occupy our projects.

Our project 667-1, Housing for the Elderly was completed for occupancy on December 1, 1957. Here we have 29 units, 21 of which are for single occupancy and 8 apartments for double occupancy. The size of the apartment does not alter the rental charges. Rent on this project, as on the veterans projects, is computed according to the individual's income, with a minimum of \$43.00 per month and a maximum of \$49.00 including heat and hot water. We also supply refrigerators in all of our housing.

The management wishes to take this opportunity to thank the various departments of the Town of Stoneham for their cooperation and courtesy extended us in the years past. Their interest and the interest of the townspeople help us to have a project of which we are very proud.

Respectfully submitted,
ROBERT V. BROOKS, Chairman
Stoneham Housing Authority

REPORT OF SEALER OF WEIGHTS AND MEASURES

January 15, 1959

To the Board of Selectmen

Gentlemen:

I submit the annual report of the Sealer of Weights and Measures Department for the year ending December 31, 1958.

The routine work of this department has been carefully performed and the weighing and measuring devices in town are, at the present time, in excellent condition.

New types of gasoline measuring meters were installed in some service stations during the year. Other meters are due to be replaced by more modern ones in 1959.

There have also been some new weighing equipment installed in the Super Markets which have speeded up their work in meat weighing considerably. These have all been carefully tested and sealed.

Fees to the amount of \$180.15 were collected during the year and turned over to the Town Treasurer.

A summary of the work performed is attached.

Respectfully submitted,

J. A. FORBES

Sealer of Weights and Measures

Summary of Work for 1958

Devices	Adjusted	Sealed	Non-Sealed	Con-demned
Scales over 5000 lbs.	1	4		
Scales 100 to 5000 lbs.	2	7		
Scales under 100 lbs.	13	69	1	
Weights		219

Meters, more than 1-in. inlet		7		
Kerosene measuring meters		1		
Grease measuring devices ..	1	19		
Totals	23	402	1	

J. A. FORBES

Sealer of Weights and Measures

REPORT OF BOARD OF RETIREMENT

(Contributory Retirement System)

To the Honorable Board of Selectmen:

Following is the twenty-second Annual Report of this Board:

To the membership as of December 31, 1957, totaling	330
have been added new members numbering	37
and reinstated members	5
	<hr/>
	372

Deductions from membership:

By withdrawal	46
	<hr/>

making the membership December 31, 1958	326
---	-----

This total membership of 326 is classified as follows:

Group A:

Active	208	
Inactive	26	
	<hr/>	234

Group B:

Active	58	
Inactive	2	
	<hr/>	60

Pensioners	32	
	<hr/>	326

Employees included in the Special Fund for Military Service Credit are as follows:

Total December 31, 1957	24	
Plus emp. entered Mil. Serv. 1958	1	25
	<hr/>	
Less employees withdrawn from Fund 1958	4	
	<hr/>	21

which comprises employees now listed as active in the

Special Fund for Military Service Credit	4	
Returned to emp. by Town of Stoneham	17	
	<hr/>	21

Two employees died in 1958; also, two retired employees died in 1958 and two employees were retired for superannuation.

Received from Division of Insurance, Commonwealth of Massachusetts, in May, 1958, report of the regular triennial examination of this System made as of December 31, 1956. This examination was made during January, 1958, by Mr. Henry A. Blackman, Senior Examiner. A copy of this report follows the report of this Board.

In June, 1957, Chapter 427 of the Acts of 1957 was passed by the Legislature. This entitled certain retired employees of the Police and Fire Departments to an increase in pension, effective on acceptance by a Town Meeting majority vote. At the Town of Stoneham Annual Town Meeting of 1958 this Chapter was accepted unanimously, and thereby increased the annual pension of one retired member of this System by the sum of \$213.14.

On June 26, 1958, at an election held in accordance with provisions of Chapter 32, G.L., the employees re-elected Mr. William L. Curran as Members' Representative to this Board for a three year term, effective July 1, 1958.

60 Shares Manufacturers Trust Co., New York
130 Shares National Shawmut Bank of Boston, Mass.

Note: As certain securities held by this Board exceeded the limit in percentage permitted by Chapter 32, G. L., — in accordance with verbal direction of the Examiner (which is verified under "Comments" in the Report of Examiner which follows) — the Board of Retirement sold the following securities at some loss to this System:

\$5,000.000 American Tel. & Tel. Co. 2¾ October 1975

2,000.00 New York Tel. Co. 4½ May 1991

2,000.00 Central Maine Power 4⅞ May 1987

1,000.00 Commonwealth Edison 3s February 1977

50 Shares First National Bank of Boston, Mass.

However, amended legislation, i.e.; — Chapter 407 of the Acts of 1958, effective September 16, 1958, increased the legal percentages of certain investments of Retirement System Funds.

Respectfully submitted,
STANLEY D. WOOD, Chairman
WINTHROP A. MCCARTHY
WILLIAM L. CURRAN
ANNA H. MOREY, Secretary
Board of Retirement
(Contributory Retirement System)

REPORT OF EXAMINATION OF THE STONEHAM CONTRIBUTORY RETIREMENT SYSTEM

Stoneham, Massachusetts

Honorable Joseph A. Humphreys
Commissioner of Insurance
Boston, Massachusetts
Sir:

In accordance with Section 21, Chapter of the General Laws, the regular examination of the STONEHAM CONTRIBUTORY RETIREMENT SYSTEM has been completed and a report thereof is herewith respectfully submitted.

History

This system was established under the provisions of Chapter 32, of the General Laws of the Commonwealth as amended by Chapter 318 of the Acts of 1936, and became operative on July 1, 1937. Chapter 32 was further amended by Chapter 658 of the Acts of 1945 and since January 1, 1946 the system has been operating under Section 1 through 28 of Chapter 32.

Scope of Examination

The last examination of the system was made as of December 31, 1953. This examination covers the intervening period to December 31, 1956 and includes a review of the recorded income and disbursements and a detailed analysis of the various accounts for that period together with a verification of assets and liabilities as of December 31, 1956.

Members of Retirement Board

The personnel of the Stoneham Contributory Retirement System on December 31, 1956 was as follows:

Chairman of Board: Stanley D. Wood
Board Member: Winthrop A. McCarthy
Board Member: William L. Curran
Secretary: Anna H. Morey

Records

The records of the Retirement Board meetings were read. The records revealed that the Board did not hold a meeting during March or June 1956. Several disbursements were made by the system prior to the Board voting to provide for the payment. This matter was brought to the attention of the system and the statute should be complied with in the future.

Fidelity Bond

The Town Treasurer is covered by his regular bond to the Town.

Verification of Accounts

Monthly totals of the cash book were checked to the ledger. Journal entries were checked to the proper ledger accounts. Trial balances were drawn from the ledger as of the date of entry and as of December 31, 1954, 1955 and 1956.

Financial Statement

The following is a statement of the income and disbursements for the year ending December 31, 1956 and the assets and liabilities as of that date:

MEMBERSHIP EXHIBIT

An examination of the statistical data of the system showed that the membership on December 31, 1956 was as follows:

Active Members	256
Inactive Members	65
Total	321

INCOME

From Members **\$33,946.88**

Payroll warrants were used as a test to verify members' deposits. The total retirement deductions shown on the warrants were checked to the cash book. Individual items were checked to the members' record cards. Contributions other than regular deductions were reviewed and checked to the cash book.

From Employer **\$36,795.47**

During 1956 the Town appropriated the following sums in compliance with the statute: Pension Fund \$30,095.00, Special Fund for Military Service Credit \$2,452.87, Expense Fund \$4,200.00 and Workmen's Compensation Credit \$47.60.

Due from Town **\$1,976.81**

The following amounts are to be appropriated by the Town for the accounts Due for Military Service Credit \$1,972.40 and Due for Workmen's Compensation Credit \$4,41 as of December 31, 1956 and have been included as income in the foregoing statement.

Interest Received **\$8,673.16**

The interest received from all investments was verified and found to agree with the amounts receivable as shown by the investment records.

Accrued Interest	\$1,856.10
-------------------------------	-------------------

Accrued interest on bonds held by the system on December 31, 1956 amounted to \$1,856.10.

Gross Increase by Adjustment of Ledger Assets	\$1,839.99
--	-------------------

The gross increase by adjustment in book value of bonds, stocks and co-operative bank serial shares was verified by an examination of the investment records.

DISBURSEMENTS

Annuity Payments	\$4,002.08
-------------------------------	-------------------

Pension Payments	\$31,346.86
-------------------------------	--------------------

Annuity and pension payments were examined and found to be in accordance with the retirement allowances approved by this Department. Supporting vouchers were checked to the cash book entries and the amounts were found to be in agreement with the payments shown on the retired members' record cards. Cancelled checks were on file to support the payments.

Refunds	\$4,633.76
----------------------	-------------------

All refunds of deposits and interest were verified and found to agree with the amounts due as shown by the members' deposit cards. Cancelled checks were on file to support the payments.

Transfer of Members' Account to Other Systems	\$735.05
--	-----------------

Transfer of members' accounts to other systems was verified by an examination of cancelled checks and inspection of members' record cards.

Administrative Expenses	\$4,167.88
--------------------------------------	-------------------

All administrative expenses paid were examined and cancelled checks inspected. Proper vouchers were on file to support the payments.

Accrued Interest	\$1,584.09
-------------------------------	-------------------

Accrued interest on bonds as of December 31, 1955 was closed out to the proper account during the year and allowed as a disbursement.

Due from Town for Military Service Credit	\$2,452.87
--	-------------------

The amount due from the Town for Military Service Credit as of December 31, 1955 was closed out to the proper account during the year and allowed as a disbursement.

Gross Decrease of Bonds by Amortization	\$71.65
--	----------------

In 1956 the gross decrease in bonds due to amortization changes amounted to \$71.65.

ASSETS

Securities	\$288,812.70
-------------------------	---------------------

Bonds	\$208,450.90
-------------	--------------

Stocks	24,259.00
--------------	-----------

Co-operative Banks	50,102.80
--------------------------	-----------

Federal Savings and Loan Association	6,000.00
--------------------------------------	----------

Bonds, stocks, co-operative bank and federal savings and loan association paid-up shares were counted at the vaults of a local bank where they are kept in a safe deposit box under dual control of the town treasurer and a member of the Retirement Board. Bonds are valued on an amortization basis, stocks at convention value, co-operative bank and federal savings and loan association paid-up shares at book value. The book value of these securities was obtained by adjusting the balances at time of entry with cash book transactions since December 31, 1956.

Deposits in Banks	\$18,896.22
Trust Company	\$ 3,544.89
Savings Accounts	14,500.00
Cash in Office	851.33

Money on deposit in a checking account was verified by reconciling the bank statement to the books of the system. Money on deposit in savings account was verified by reference to the pass book. The usual certificates of deposit were obtained from the depository banks. The balance of these accounts was adjusted by cash book entries since December 31, 1956.

Accrued Interest	\$1,856.10
-------------------------------	-------------------

Accrued interest on bonds held by this system on December 31, 1956 was computed by the system and was allowed in the amount of \$1,856.10.

Due from Town	\$1,976.81
----------------------------	-------------------

The following amounts are to be appropriated by the Town for the following accounts of Due for Military Service Credit \$1,972.40 and Due for Workmen's Compensation Credit \$4.41 as of December 31, 1956 and subsequently will be appropriated. After an examination of the system's records these amounts are in proper order.

LIABILITIES

Annuity Savings Fund	\$218,994.21
-----------------------------------	---------------------

The balance in the annuity savings fund represents the accumulated deductions and interest of all of the members of the system. The supplementary schedule of members' balances filed with the annual statement was checked to the members' deposit cards and the total agreed with the amount set forth in this statement. Regular interest at the rate prescribed by this Department has been credited to the fund.

Annuity Reserve Fund	\$29,363.29
-----------------------------------	--------------------

The annuity reserve fund is credited with the accumulated total deductions of members at the time of their retirement and also any amounts to their credit in the special fund for military service credit at that time. Regular interest at the rate of three per cent per annum on the average monthly balance is credited to the fund. Annuity payments are charged to the fund.

An actuarial valuation of the fund was made as of December 31, 1955 by the Actuarial Division of the Massachusetts Insurance

Department under the provisions of Section 21 (3)(b) of Chapter 32 of the General Laws and showed a surplus in the fund of \$1,054.00, which amount was subsequently transferred to the pension fund in accordance with statutory requirements.

All amounts credited or charged to this fund during the period of examination were verified by a complete analysis of transactions affecting the fund during that period.

Special Fund for Military Service Credit \$12,451.21

The special fund for military service credit account was created and is maintained by contributions from the Town to cover the accumulated deposits that would have been made by members who entered the military service. Regular interest at the rate prescribed by this Department has been credited to the fund.

Pension Fund \$49,685.54

This fund was established as of January 1, 1946 under the provisions of Section 22 (3)(a) of Chapter 32 as amended in 1945 and consisted of the balance in the former pension accumulation fund. It is the fund to which are credited all amounts appropriated by the Town for the purpose of providing for the cost of operation of the system exclusive of the expenses of administration and such amounts as may be appropriated for the special fund for military service credit. The pension fund is also credited with any excess investment income over the statutory interest requirements as well as the surplus in the annuity reserve fund mentioned above. All pension payments have been charged to it.

All amounts credited or charged to this fund during the period of examination were verified by a complete analysis of transactions affecting the fund during that period.

Expense Fund \$1,047.58

The Town advances money to be used for administrative expenses. The balance on hand December 31, 1956 is the difference between the amounts advanced and the sums expended.

COMMENTS

Th accounting records and statistical data were reviewed and found to be in their usual good condition.

The system exceeds its limit of investments in any one company as of December 31, 1956 on the following securities:

	Allowed	Carrying
Chicago, Burlington & Quincy R.R.	\$6,230.84	\$ 6,916.16
American Telephone & Telegraph Co. . .	6,230.84	12,919.72
Allied Chemical & Dye	1,557.71	2,051.44
Aluminum Co. of America	1,557.71	2,044.39
General Motors	1,557.71	5,233.26
National Dairy Products	1,557.71	2,010.00

This excess of limitation was brought to the attention of the system and compliance with the Department's letter of June 4, 1946 should be adhered to regarding Section 23 (2)(b) of Chapter 32.

CONCLUSION

The cooperation of all persons connected with this examination is hereby acknowledged.

Respectfully submitted,
HENRY A. BLACKMAN
Senior Examiner

Boston, Massachusetts
February 11, 1958

REPORT OF TOWN ACCOUNTANT

February 19, 1959

Honorable Board of Selectmen
Town Hall
Stoneham, Massachusetts
Gentlemen:

Herewith is presented the Report of the Town Accountant for the calendar year 1958 as set forth in the following schedules:

Balance Sheet showing the financial condition of the Town of Stoneham on December 31, 1958.

Expenditures summarized for the calendar year 1958.

Schedule of appropriations, other credits, transfers, expenditures and unexpended appropriation balances.

Analysis of Water Surplus, Sale of Lots and Graves Fund, Sale of Real Estate Fund, Reserve Fund transfers and Excess and Deficiency Account.

Schedule of Debt showing payments due each year, and including the borrowing capacity of the Town of Stoneham on January 1, 1959.

Balance Sheet of Deferred Revenue Accounts.

Analysis of Trust Fund Accounts, Stabilization Fund and Contributory Retirement System, including balance sheets as of December 31, 1958.

In conclusion may I take this opportunity to thank all department heads and officers for the assistance and cooperation rendered during the past year.

Respectfully submitted,
WINTHROP A. McCARTHY
Town Accountant

ANNUAL REPORT OF THE BOARD OF HEALTH

We herewith submit our Annual Report for the year 1958.

The duly elected members organized on March 25, 1958 as follows:

Frederick F. Mosley, Chairman
John Quimby, Secretary
Harold C. Hurd, Jr., Member

The following appointments were made:

Gertrude B. Mortensen, Clerk-Agent
Harold C. Hurd, Jr., Health Officer and Milk Inspector
John J. Devine, Collector of Milk and Ice Cream Samples and Analyst
Henry Leavitt, M.D., Board of Health Physician
M. A. Kennett, D.V.M., Slaughtering Inspector
Katherine L. Kenny, Board of Health Nurse
Phyllis D. Lovering, Dental Hygienist
John E. Drugan, Jr., D.M.D., Board of Health Dentist
Edward F. Breagy, D.M.D., Honorary Member of the Board of Health and advisor to Dental Hygienist

At the Annual Town Meeting in 1958, this board had an article in the warrant, seeking permission to make appointments from its own membership to certain positions. You were kind enough again to vote your approval and as a result, we have had excellent cooperation and have met with success again this year.

On May 13, 1958, this Board voted to have the Board of Health Nurse proceed with the Mantoux (Tuberculin) Testing Program for the first, fourth, seventh and eleventh grades, also food handlers, barbers, Nursing Homes and personnel. In 1958 the first and eleventh grades in the schools were done and in October 1958 the food, milk and drug handler program was started. This program will continue through 1959.

The entire town was sprayed successfully twice by plane for mosquitoes and other insects last summer.

During 1958 a rat exterminating company made several visits to Stoneham when so requested by us and found much infestation in the areas visited. All sections were taken care of that had been reported to us. We plan to have more work done during 1959 and we would appreciate hearing from the townspeople when and if they notice rats in their vicinity.

We have had the same garbage contractor this year and feel that he has done a very good job, considering the extremely cold winter we had and the fact that hundreds of underground containers were frozen for several weeks, making it impossible to pull them out for collection. We wish to bring this notice to your attention at this time. All garbage containers must be in accessible locations at all times in order to insure good collections, particularly during the winter months. Paths must be shoveled out from the street to the containers. Occasionally the householders do not shovel off the accumulation of snow from the entire top of the

underground containers; also quite often the inserts of these underground containers become frozen at the bottom, making it impossible for them to be lifted out until thawed, although the top covers will lift easily, if not frozen also. There must be nothing except garbage in the containers; no papers, cans, bottles, etc. as this garbage is fed to pigs. One large market bag or a layer of newspaper in the bottom is permissible. We would appreciate your cooperation.

During 1958, Mr. John J. Devine collected and analyzed 152 samples of milk and cream and 26 samples of ice cream. He has also been of great assistance to us on many occasions on other matters pertaining to health.

Dr. John E. Drugan, Jr. of Wakefield has been at our Dental Clinic two mornings a week during the school year. His work has been very satisfactory and he is well liked by the children and personnel. We refer you to the dental hygienist's report on the work accomplished this year.

Mrs. Gertrude B. Mortensen has been our clerk-agent this past year also. The office is open Mondays through Fridays from 9:00 - 12:00 and 1:00 - 4:45 P.M.

For further details concerning our work, kindly refer to the following reports.

Respectfully submitted,

FREDERICK F. MOSLEY, Chairman

JOHN QUIMBY, Secretary

HAROLD C. HURD

Stoneham Board of Health

COMMUNICABLE DISEASE REPORT

The following cases have been reported:

	1954	1955	1956	1957	1958
Chicken Pox	46	79	57	134	52
Diphtheria	0	0	0	0	0
Dog Bites	76	93	87	65	93
German Measles	8	1	31	3	122
Malaria	0	0	0	0	0
Measles	72	287	15	15	361
Meningitis	1	1	0	0	1
Mumps	75	85	13	145	99
Poliomyelitis	1	11	0	0	0
Scarlet Fever	20	20	36	23	3
Tuberculosis	5	7	4	0	4
Whooping Cough	2	8	14	4	4

All cases of Communicable Diseases should be reported to the Board of Health Office, either by the School Department, the family physician or some member of the patient's family.

Two clinics were conducted in May for the inoculation of dogs against rabies, when 350 dogs were vaccinated by M. A. Kennett, D.V.M.

The following licenses were issued during the year:

Milk:

Wholesale	25
Retail	42
Pasteurization	3
Oleomargarine	19
Frozen Desserts	4
Cesspools & Septic Tanks	109
Methyl Alcohol	26
Kindergartens and Nursery Schools	7
Girl Scout Cabins	3
Motel	1
Funeral Directors	7

and other miscellaneous licenses.

Total cash turned in to Town Treasurer on the above permits, and Dog Clinics \$502.00.

268 Burial Permits were issued to Stoneham and out-of-town Funeral Directors, upon presentation of death certificates properly completed.

There have been approximately 3,650 biological items issued by this office to the Stoneham physicians and the New England Sanitarium and Hospital.

Respectfully submitted,

GERTRUDE B. MORTENSEN
Clerk-Agent

REPORT OF HEALTH INSPECTOR

The following inspections for cleanliness and sanitary conditions were made during 1958.

Restaurants	130
Drug Stores	65
Ice Cream Manufacturers	25
Bakeries	40
Grocery and Variety Stores	180
Bottling Concerns	4
Candy Manufacturers	20
Home for Aged People	6
Nursing Homes	14
Girl Scout Camps	10
Motels	4
Swimming Pool	10
Kindergartens and Nurseries	20
Gas Stations for alcohol licenses and toilet cleanliness	100
Inspections of cesspools and septic tanks	109

I have also received and investigated 100 complaints of cess-pools and septic tanks overflowing for which I planned out overflow systems or the installations of more modern systems, working with contractors and sanitary engineers in the planning of these systems.

Also received and investigated 295 complaints of odors from factories, brooks, drains, oils, etc.; Smoke and soot nuisance from factories and burning of trash and garbage; keeping of rabbits, horses or chickens in restricted areas; the blocking of brooks or natural waterways; unsanitary conditions in public places and homes; flood conditions; rat menaces; garbage complaints; fumi-gating of houses; receiving and reporting dog bite cases, etc.

Also I have worked with the State Inspectors and Engineers on drainage problems and sanitary water conditions, also with the men from Airborne Sprayers on mosquito control and with men from Safety Fumigation Company on rat control.

On several occasions I have been accompanied by the Fire Chief, Building Inspector, Plumbing Inspector, State Public Health Officials, members of Board of Health, Milk Analyst, Public Works Superintendent, Chief Inspector from the State Food and Drug Division. I also have received full cooperation from the Department of Public Works, Police and Fire Departments.

In conclusion I wish to thank the Board of Health members, clerk, nurse and doctor and many other town officials who have aided me in the past year and also the townspeople for their fine cooperation.

Respectfully submitted,
HAROLD C. HURD

REPORT OF DENTAL HYGIENIST

The following report is submitted for the year ending in December 1958:

Total number of examinations	1979
Total number under treatment	1679
Total number without defects	846
Total number of defects	1144
Total number of notices sent home	315
Total number taken to Forsyth for cleanings	606
Total number of cleanings done in Dental Clinic	163
Total number of children done by Dr. John Drugan	302
Dr. Drugan's work consisted of the following:	
Number of amalgam fillings	180
Number of zinc oxide treatments	68
Number of cement fillings	65
Number of novocain injections	157
Number of extractions	42
Number of sutures	4
Number of teeth opened	2

The Dental Hygienist participates in carrying out the follow-ing functions:

1. Examination of each school child from Grade 1 through 6 and the Special Class.

2. Charting each mouth, noting all fillings, cavities and defects.
3. Filing all charts in Dental Clinic.
4. Acquainting each child with their own particular dental needs such as daily dental care and regular dental visits.
5. Notifying parents when excessive cavities are present.
6. Conferring with parents in the home relative to dental work or care.
7. Interpreting to parents, teachers and pupils findings of dental examinations and assisting in arranging for correction when possible.
8. Taking children to Forsyth Dental Infirmary for oral prophylactic treatments.
9. Giving oral prophylactic treatments in the Dental Clinic when requested.
10. Helping to promote good health, appearance and acceptability through regular dental visits.
11. Keeping accurate record of daily work, financial transactions and appointments.
12. Assisting the dentist in the Dental Clinic at the chair and transporting the children to and from the Dental Clinic.

Respectfully submitted,

PHYLLIS D. LOVERING

Dental Hygienist

ANNUAL REPORT OF BOARD OF HEALTH NURSE

The health team in Stoneham is always alert to the health needs of the community and in continuing to improve and expand the health programs.

In the Spring of 1958 we instituted the tuberculin testing program (Mantoux test) in all schools and tested approximately six hundred pupils in the first and eleventh grades. This has proven to be an excellent screening and case finding program for unknown tuberculosis patients. The Board of Health regulation also requires tuberculin testing of all food handlers. There are sixty-two establishments in Stoneham employing over six hundred food-handlers. This test provides protection for the handler as well as the community. The program started in October, 1958 and should be completed by April, 1959.

There were approximately twenty-five premature baby reports received this year. All were investigated and a few needed financial aid in keeping their infants hospitalized until they reached five and one half pounds in weight.

The summer months were almost entirely spent in correcting, reviewing and investigating of all records and cases of tuberculosis

patients. There is much record work connected with the Board of Health duties and responsibilities, as many reports, either in summary or statistics, must be made to the State Department of Public Health.

St. Patrick's two schools are covered by the Board of Health nurse. There are now nineteen classes with an enrollment of 831 pupils. (Four years ago it was 435.) During 1958 Grades 1, 3, 5, 7 and 8 were given physicals by Dr. Henry Leavitt, Board of Health physician. The entire school was screened both for Visual and Hearing defects and with the able assistance of Mrs. Dorcas Berry, R.N. and Mrs. Frances Houghton, notices were sent to parents on the findings. The St. Patrick's Mothers' Club presented the pupils with an Audiometer and receivers. This equipment will be used in testing the hearing. Formerly a similar machine was borrowed from the State for a few days at a time but did not allow for the necessary follow-up work needed each year.

A Dental Survey was conducted by Miss Eleanor Chesley of the State Department of Public Health and notices sent on each child. This is a two year program and will be done again by her next year. The following year Drs. Edward Breagy and Raymond Bresnahan will resume this service.

In November, in conjunction with the school nurses in the Public School system, a Speech Survey in all the schools in town was held. An especially trained team from the Emerson College School of Speech interviewed approximately 185 students with speech impediments. One half this number was found to be in need of therapy by a trained person. This material is to be presented to the School Committee.

The regular Immunization Clinics for inoculations against Diphtheria, Whooping Cough and Tetanus and booster shots of same to children entering first grade were held at Town Hall, three in the spring and three in the fall.

We assisted, as usual, in securing appointments or hospitalization for cases of Tuberculosis, X-rays, Heart Clinic, Plastic Surgery Clinic, Rheumatic Fever and Crippled Children. We are always willing to assist in any health situation concerning these in our community.

Respectfully submitted,

KATHERINE L. KENNY, R. N.

Board of Health Nurse

REPORT OF THE TOWN MODERATOR

The following is respectfully submitted as the report of the Town Moderator for the year 1958. In addition to the Annual Town Meeting in March there have also been three Special Town Meetings during the year all of which have been conducted by the Moderator. The Special Town Meetings included two on March 18, 1958 (in conjunction with the Adjourned Annual Meeting) and another on December 8, 1958.

Committees appointed by the Moderator as provided in the Town By-laws were as follows:

**Committee to Nominate members of the Finance and
Advisory Board:**

Philip D. Burnham
John E. O'Doherty
Charles F. Peoples, Esq.

Town Organ Committee: (reappointments)

Weston L. Brannen
Alma F. Patch
Mildred N. Hay

Committees authorized by the Annual Town Meeting:

Purchase of Police Station Wagon:

Perley E. Lord, 22 Brackett Avenue
Robert V. O'Brien, 18 Kenneth Terrace
Capt. J. Clarence Nelson, 7 Steele Street

Robin Hood School Addition Committee:

George S. Annis, 1 Forest Street
Hugh R. Boyd, 44 Lincoln Street
Robert J. Hallisey, Esq., 1 Elmhurst Street
Helen B. Osgood, 46 Governor Road
Raymond H. Seitz, 1 Cowdrey Street

Attorney Hallisey moved from Stoneham and submitted his resignation from the Committee in May. John B. Cole, 37 Norval Avenue, was appointed to fill the vacancy.

Urban Redevelopment Committee:

Cecil Taylor, 67 Pleasant Street, Chairman
Claude H. Miquelle, 57 Newcomb Road
John P. English, 37 Maple Street
Donald W. Leavitt, 19 Prospect Street
Albert D. Barbo, 7 Merrow Lane

The Finance and Advisory Board at the Annual Town Meeting departed from the time-honored custom of recommending that purchases of vehicles and equipment be negotiated by special committees appointed by the Moderator in providing for the purchase of

such equipment by a town department under three articles of the Warrant. While the action relieves the Moderator of the responsibility of such appointments, the value of adhering to the former procedure is two-fold. Not only does the Town benefit from the efforts of those citizens who serve on the special committees but the fact that such citizens are called upon for such service gives more people an opportunity to take an active part in town affairs. Incidentally the appropriation under one of the articles amounted to nearly ten thousand dollars.

Your Moderator continued to represent Stoneham by membership in the Massachusetts Moderators Association. Participation in the meetings and conferences of the Association is of great benefit to all concerned and enables the members to avail themselves of latest information and legal developments pertaining to the town meeting form of government.

May I take this opportunity to express my deep appreciation to those citizens who have accepted appointment to the various committees appointed by the Moderator. All have given generously of their time and abilities and deserve highest commendation. Again may I thank all of the Town Officers who have been so very co-operative throughout the past year.

Respectfully submitted,

ORVIS H. SAXBY, Moderator

REPORT OF THE SELECTMEN

To the Citizens of Stoneham:

The Board of Selectmen, Fred A. Schneider, Donald J. Morrison, William W. Mackay, Stanley D. Wood and Daniel L. Hurley, was elected for a term of one year on March 3, 1958. On Tuesday, March 4, 1958, after being sworn by the Town Clerk, the Board met and organized as follows: Mr. Schneider, chairman; Mr. Mackay, secretary; Mr. Hurley, disburser of veterans benefits.

Winthrop A. McCarthy was re-appointed clerk of the Board for a term of one year, and Audrey C. Rice was re-appointed secretary of the Board. Paul E. Houghton was re-appointed to the Board of Registrars of Voters for a term of three years.

Henry Lavery and Waldo Nelson were appointed to the Board of Appeal for a term of three years, and William L. Curran and

John E. Shaughnessy were named associate members for a term of one year each. Other appointments by the Selectmen for a term of one year each were as follows: Kenneth A. Currie, Esq., town counsel; Garvis C. Young, dog officer, animal inspector and field driver; Norman A. LeBlanc, town weigher; John C. Nelson, lock-up keeper; Wallace C. Dunbar, inspector of veterans graves; William L. Curran, director of veterans services, agent for the disburser of veterans benefits and burial agent; Thomas M. Graham, measurer of leather; J. Algernon Forbes, sealer of weights and measures. On April 29th, Bernard H. Corbett was re-appointed Building and Wire Inspector.

Your Board of Selectmen calls attention of the voters to the financial condition of the Town which is not as favorable as in the past, and yet is substantially firm when considering future municipal requirements. Voters of the Town showed commendable financial sense when the \$11,000.00 loan for the Robin Hood School Building Addition was approved for a term not exceeding five years. This enabled the Town to borrow at a rate of 2.6%, at a time when the prevailing rate was 3% or higher, and a substantial saving in interest was realized.

Surplus funds of the Town are down as compared to last year. The Excess and Deficiency Account shows \$254,000.00 as compared to \$279,000.00 in 1957 and the Water Surplus Account, at \$116,000.00, is \$28,000.00 less than the previous year. However, the Excess and Deficiency Account was charged with \$194,000.00 in 1958 including \$50,000.00 for the Robin Hood School Building Addition and another \$50,000.00 used as a tax credit. Water receipts for 1958 were down due to a marked decline in the sale of water and an increase of \$17,000.00 paid to the Metropolitan Water Commission for 1958. Cause of the decline in sale of water was due to the excessive amount of rainfall last year which resulted in less water used for lawns and gardens.

Prospects for a better year in 1959 are indicated by the estimated financial sheet of the Commonwealth known as the "Cherry Sheet." Last year the balance favored the Commonwealth by \$14,000.00. For 1959 it will favor the Town by \$48,000.00.

In conclusion the Selectmen take this opportunity to express thanks to all Town Officers, Boards and Committees for their assistance and cooperation in the administration of Town affairs during the past year.

Respectfully submitted,

FRED A. SCHNEIDER
DONALD J. MORRISON
WILLIAM W. MACKAY
DANIEL L. HURLEY
STANLEY D. WOOD

Warrant for Annual Town Meeting of 1959

To either of the Constables of the Town of Stoneham in the
County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are
directed to notify and warn the inhabitants of the Town of Stone-
ham qualified to vote in elections and town affairs to meet in Town
Hall on

Monday, March 2, 1959

Public Library Oil Burner	30.00
Industrial Committee	197.00
Parking and Trans. Committee	250.00

Town Accountant

ARTICLE 10. To see if the Town will vote to raise and appropriate or transfer from available funds such sums as may be necessary to defray town charges for the ensuing year.

Town Accountant

ARTICLE 11. To see if the Town will vote to instruct the Board of Assessors to use the sum of \$100,000.00 for the reduction of the 1959 tax rate.

Board of Selectmen

ARTICLE 12. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1959 and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 13. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1960 and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 14. To see if the Town will vote to authorize the Board of Health to make appointments from its own membership to the positions of Health Officer and Milk Inspector, and raise and appropriate money for salaries of said officers, or do anything in relation thereto.

Board of Health

ARTICLE 15. To see if the Town will vote to raise and appropriate a sufficient sum of money to provide a plan of Group Life Insurance, Group Accidental Death and Dismemberment Insurance and Group General or Blanket Hospital, Surgical and Medical Insurance for employees of the Town and their dependents as provided by Chapter 32B of the General Laws as amended.

Personnel Board

ARTICLE 16. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by striking out in its entirety Section 10 and inserting in its place the following:

"Section 10. Physical Examination. Every person hereinafter employed by the town subject to this plan shall undergo a physical examination. The examining physician shall be appointed by the Board of Selectmen and shall render to the Personnel Board a sealed report of the physical condition of the applicant stating whether or not he is qualified for the position sought. No applicant shall be employed until approved by the Personnel Board, who shall have discretion to accept

or reject any applicant, decision to be based on the doctor's recommendation.

After receipt of the report has been entered on the Personnel Board's records, such report shall be deposited with the Personnel Board for safekeeping, the contents subject to future review only by the Personnel Board or a physician designated by the Selectmen, otherwise the report shall remain confidential."

Personnel Board

ARTICLE 17. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Residence B District as heretofore designed and set forth so as to include in the Residence B. District the following described area: Beginning at a point on the Easterly side of Main Street 100 feet distant from the said Main Street at the boundary of land now or formerly of Gertrude B. Bowman and Elvera Gigante; thence continuing in an Easterly direction by the said land of Elvera Gigante, and by land now or formerly of Mabel F. and Amy V. Edson, 266.09 feet to an iron rod; thence turning and running Northerly along a chain link fence by land now or formerly of the Town of Stoneham, 460.19 feet to a point at land now or formerly of Robert C. and Shirley I. Smith; thence turning and running Westerly by land of said Robert C. and Shirley I. Smith, Mary A. Hart, Alfred E. and Phyllis M. LaLiberte, Alfred M. and June L. Jacoby, Percy H. and Beatrice M. Hall and Walter W. and Margaret Arnold a distance of 308.48 feet to a point 100 feet distant from the said Main Street; thence turning and running in a southerly direction by land now or formerly of the said Gertrude B. Bowman, and along the line of the present limits of the Residence B. District, a distance of 426.23 feet to the point of beginning. Said area being shown on a plan of land entitled "Plan of Land in Stoneham, Mass. owned by William F. D'Annolfo" dated December 1, 1958, Warren M. Mirick, Reg. Surveyor, which plan is duly recorded in Middlesex South District Registry of Deeds as Plan No. 1660 of 1958.

William F. D'Annolfo

ARTICLE 18. To see if the Town will vote to raise and appropriate a sum of money to pay the rent of quarters or lease quarters for use of Leon E. Warren Camp, United Spanish War Veterans; Stoneham Post No. 115, American Legion; Sgt. George J. Hall Post No. 620, Veterans of Foreign Wars; Stoneham Chapter 107, Disabled American War Veterans; and World War I Veterans of the United States, Barracks 395, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 19. To see if the Town will vote to accept as a public Town way Essex Street, so-called, from Evans Road to Drury Lane, as laid out by the Board of Survey.

Board of Public Works

ARTICLE 20. To see if the Town will vote to accept as a public Town way Lawndale Road, so-called, easterly and southerly from High Street to the dead end, as laid out by the Board of Survey.
Board of Public Works

ARTICLE 21. To see if the Town will vote to accept as a public Town way a portion of Joan Avenue, from the end of the existing public way to Country Club Road, as laid out by the Board of Survey.
Board of Public Works

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money to pave a portion of Joan Avenue, from the end of the existing public way to Country Club Road, under the law relating to the assessment of betterments, determine in what manner said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, and that the Selectmen or Board of Public Works be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.
Board of Public Works

ARTICLE 23. To see if the Town will vote to accept as a public Town way Webster Court, so-called, from Marble Street southerly to the end, as laid out by the Board of Survey.
Residents of Webster Court

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money to pave Webster Court, from Marble Street southerly to the end, under law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, and that the Selectmen or Board of Public Works be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.
Residents of Webster Court

ARTICLE 25. To see if the Town will vote to accept as a public Town way a portion of Whipple Avenue, so-called, from the end of the existing public way northerly 393 feet, more or less, as laid out by the Board of Survey.
Patrick P. Vacca

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money to pave a portion of Whipple Avenue from the end of the existing public way northerly 393 feet, more or less, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, and that the Selectmen or Board of Public Works be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.
Patrick P. Vacca

ARTICLE 27. To see if the Town will vote to accept as a public Town way, Brookbridge Road, so-called from Whipple Avenue westerly 752 feet, more or less, as laid out by the Board of Survey.

Patrick P. Vacca

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money to pave Brookbridge Road from Whipple Avenue westerly 752 feet, more or less, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, and that the Selectmen or Board of Public Works be authorized to obtain easements for the purpose of enabling the town to enter upon private land where necessary.

Patrick P. Vacca

ARTICLE 29. To see if the Town will vote to raise and appropriate, or transfer from available funds in the Treasury, or borrow, for the permanent construction of certain public ways accepted by vote or votes of the Town under foregoing articles of this warrant, or do anything in relation thereto.

Board of Selectmen

ARTICLE 30. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or relaying water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary sewer mains or relaying sanitary sewer mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the stabilization fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 32. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing tar sidewalks within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with State and County Aid under the provisions of Chapter 90 of the General Laws, determine in what man-

ner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.
Board of Public Works

ARTICLE 34. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for Chapter 90 Highway Construction, or take any action in relation thereto.
Board of Public Works

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money for labor, materials and other necessary expenses for the control of Dutch Elm Disease in accordance with provisions of Chapter 657, Acts of 1956, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.
Board of Public Works

ARTICLE 36. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for the permanent construction of certain streets within the limits of the Town, or do anything in relation thereto.
Board of Public Works

ARTICLE 37. To see if the Town will vote to raise and appropriate, by transfer from available funds, by borrowing or otherwise, a sum of money for the construction and equipping of an addition to the Public Works Department garage on Pine Street, or do anything in relation thereto.
Board of Public Works

ARTICLE 38. To see if the Town will vote to raise and appropriate, or transfer from available funds, a sum of money for the purpose of defraying the cost of repairing the skating rink at Recreation Park, or do anything in relation thereto.
Board of Public Works

ARTICLE 39. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) ash truck body and to authorize the disposal of the 1945 Load-packer body now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.
Board of Public Works

ARTICLE 40. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) one-half ($\frac{1}{2}$) ton pick-up truck and one (1)

automobile for use of the Superintendent of Public Works, and to authorize the disposal of One (1) 1949 Ford Pick-up truck and one (1) 1954 Ford sedan now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds or do anything in relation thereto.

Board of Public Works

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money to defray the cost of constructing a storm drain from the existing manhole near Gilmore Street 280 feet, more or less, to the existing manhole south of Hersam Street which will replace the existing stone box culvert, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) sand spreader body and one (1) power sewer cleaning machine and to authorize the disposal of the 1948 tail-gate sand spreader now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 43. To see if the Town will vote to raise and appropriate a sum of money for the purpose of erecting a chain link fence at Recreation Park and resetting a portion of existing chain link fence, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 44. To see if the Town will vote to accept Chapter 195, Acts of 1958 entitled "An Act authorizing cities and towns to provide temporary resurfacing of certain private ways open to public use upon payment of one half the cost by certain abutting owners," or do anything in relation thereto.

Board of Public Works

ARTICLE 45. To see if the Town will vote to raise and appropriate a sum of money to pipe a portion of the drainage brook off Avalon Road, from the end of the existing enclosed pipe on the northerly side of property now or formerly of Edward F. Geary on Avalon Road, a distance of 300 feet, more or less, northerly on land of the Town of Stoneham, determine in what manner the said

appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Edward F. Geary and 10 others

ARTICLE 46. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516, and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along the public beach outside of Boston Harbor including the Merrimack and Connecticut Rivers in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Board of Selectmen

ARTICLE 47. To see if the Town will vote to raise and appropriate a sum of money for the purpose of enlarging and improving Sweetwater Brook and adjacent areas under provisions of Chapter 91 of the General Laws, authorize the Board of Selectmen to pay all or any portion of the appropriation to the Treasurer of the Commonwealth of Massachusetts, authorize the Selectmen to enter into any necessary agreement or agreements with the Department of Public Works of Massachusetts in order to proceed with the work of enlarging and improving the said Sweetwater Brook under provisions of the said Chapter 91 of the General Laws, authorize the Selectmen or the Board of Public Works to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Selectmen

ARTICLE 48. To see if the Town will vote to raise and appropriate a sum of money to pipe Sweetwater Brook from William Street to Lindenwood Road, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, and authorize the Selectmen or Board of Public Works to obtain easements for the purpose of enabling the Town to enter upon private land where necessary or do anything in relation thereto.

Richard DelRossi and 33 Others

ARTICLE 49. To see if the Town will vote to raise and appropriate the sum of \$25,000 to rewire and relight the Junior High School and other necessary work incidental thereto, determine in

what manner the said appropriation shall be raised, from taxation, by transfer from available funds or do anything in relation thereto.
School Committee

ARTICLE 50. To see if the Town will vote to raise and appropriate the sum of \$2,185 to purchase a truck for the use of the School Department, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do anything in relation thereto.
School Committee

ARTICLE 51. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new automobile for use of the Fire Chief, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, authorize the disposal of one (1) automobile now in service, or do anything in relation thereto.
Fire Chief

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money to enlarge and reconstruct the apparatus doors on the front of the Central Fire Station, together with other related work incidental thereto, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.
Fire Chief

ARTICLE 53. To see if the Town will vote to raise and appropriate a sum of money to provide a uniform allowance for members of the Police Department, in accordance with provisions of Chapter 40, Section 6B of the General Laws, accepted by a vote of the Town under Article 31 of the warrant for the annual Town Meeting of 1953, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.
Members of the Police Department

ARTICLE 54. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Four Door Sedan for the use of the Police Department to replace one cruising automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by the transfer from available funds or otherwise, authorize the disposal of one (1) 1957 four door sedan now in service, or do anything in relation thereto.
Captain of Police

ARTICLE 55. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Station Wagon

for use of the Police Department to replace one cruising automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or otherwise, authorize the disposal of one (1) 1957 Ranchwagon now in service, or do anything in relation thereto.

Captain of Police

ARTICLE 56. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Station Wagon for the use of the Police Department to replace one cruising automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or otherwise, authorize the disposal of one (1) 1958 Ranchwagon now in service, or do anything in relation thereto.

Captain of Police

ARTICLE 57. To see if the Town will vote to raise and appropriate a sum of money to paint the exterior of the Town Infirmary Main Building, and to make any other necessary exterior repairs in connection with this painting, determine in what manner said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do anything in relation thereto.

Board of Public Welfare

ARTICLE 58. To see if the Town will sell to the Stoneham Jewish Community Center Inc. and the Temple Judea for use as a cemetery for its membership, a portion of land owned by the Town of Stoneham and now part of the Lindenwood Cemetery bounded as follows:

Beginning at a point on Butler Ave. 50 ft. from land of Domenick and Anna M. Cimina thence the line runs SW along land of Town of Stoneham and land of Theodore P. and Natalie M. Alves, 200 ft. to the East side of Richardson Ave. thence NW by the end of Richardson Ave. 40' to a point; thence NW by land of Town of Stoneham 558.54' to a point; thence NE by land of Edna C. Lord 179.92' to point; thence SE by lot #19, 18, 17, 16, 15, and 14, 458.01' to a point; thence NE by Lot #14, 43.69' to Butler Ave.; thence on a curved line by Butler Ave. 90.30' to a point of curve; thence SE by Butler Ave. 47.95' to point of beginning, this area containing 2.91 Acres more or less. This area shall be subject to a 45 foot Right of Way, beginning at south end of the proposed property and running from Butler Ave. to land of Town of Stoneham, Lindenwood Cemetery, a distance of 240 ft. more or less.

More fully described on plan by Warren M. Mirick Jan. 21, 1959.
Stoneham Jewish Community Center Inc.

ARTICLE 59. To see if the Town will vote to authorize the Board of Health to enter into a contract for a term of not more than three (3) years for the removal and disposal of garbage, or do anything in relation thereto.

Board of Health

ARTICLE 60. To see if the Town will vote to raise and appropriate a sum of money for the purpose of eliminating insects and other pests in the town, determine in what manner the said appropriation shall be raised, by transfer from available funds or from taxation, or do anything in relation thereto.

Board of Health

ARTICLE 61. To see if the Town will vote to raise and appropriate a sum of money for the purchase of Rat Control in the town, determine in what manner the said appropriation shall be raised, by transfer from available funds or from taxation, or do anything in relation thereto.

Board of Health

ARTICLE 62. To see if the Town will vote to raise and appropriate a sum of money to update and revise the Stoneham Master Plan of 1952 by Adams, Howard and Greeley, Preparation of a neighborhood analysis program required by the Federal Government and revision of other local municipal codes and ordinances, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Stoneham Redevelopment Authority

ARTICLE 63. To see if the Town will vote to raise and appropriate a sum of money to install a counter, complete with filing cabinets, in the office of the Town Clerk, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Town Clerk

ARTICLE 64. To see if the Town will vote to raise and appropriate a sum of money to purchase new equipment for use of multiple town departments to facilitate billing, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Treasurer's Dept.

ARTICLE 65. To see if the Town will vote to raise and appropriate a sum of money to purchase and install new drapes in the Town Hall Auditorium, and for other necessary expense in connection with installation of the said drapes, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, authorize the appointment of a committee to carry out any vote passed under this article, or do anything in relation thereto.

Town Hall Custodian

ARTICLE 66. To see if the Town will vote to accept provisions of Chapter 559, Acts of 1958, entitled "An Act authorizing Cities and Towns to grant annuities to the surviving spouse, or children of certain officials or employees who have been retired or pensioned under any non-contributory retirement law."

Board of Selectmen

ARTICLE 67. To see if the Town will vote to accept Chapter 33, Section 59 of the Mass. G.L., entitled "No Loss of Pay or Vacation to State, Municipal etc., Employees in Armed Forces, When on Duty."

Board of Selectmen

ARTICLE 68. To see if the Town will vote to accept provisions of Chapter 332, Acts of 1958, entitled "An Act extending the application of certain provisions of law relative to the supervision of plumbing."

Board of Selectmen

And you are directed to have one thousand five hundred (1500) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this third day of February in the year one thousand nine hundred and fifty-nine, A.D.

FRED A. SCHNEIDER
DONALD J. MORRISON
WILLIAM W. MACKAY
DANIEL L. HURLEY
STANLEY D. WOOD

Selectmen of Stoneham

A true copy, attest:

UGO M. ROLLI
Constable of Stoneham
